

HENRY BOLLN DIES IN OMAHA AT AGE OF SIXTY-EIGHT

From Tuesday's Daily.
Omaha, Neb., Oct. 18.—Henry Bolln, formerly treasurer of Douglas county, died Monday afternoon at 1042 South Twenty-ninth street at the age of 68 years. Mr. Bolln had been a resident of Omaha for forty-seven years. Funeral services will be held at the H. K. Mr. Bolln during his early years in Omaha engaged in the grocery business first in the partnership of Bolln & Sievers and then alone. He was captain of Company H, Nebraska National Guard, which was mustered out in 1882. He was on duty during the strike at the smelter of that year. Mr. Bolln was an incorporator and director of the old German Savings bank.

He was county treasurer from 1885 to 1887 and from 1889 to 1891, and city treasurer from 1891 to 1895, getting in financial difficulties in the latter year which caused his resignation and prosecution. He received a pardon from Governor Dietrich in 1901. Mr. Bolln represented Douglas county in the house of the legislature in 1881.

"THE PRINCE OF TONIGHT" AT THE PARMELE MONDAY NIGHT

Full of pleasing melodies, and offering an amazingly lavish production, "The Prince of Tonight," enhanced by the prestige afforded by the presence in the title role of Tom Arnold, should live up to its record as a phenomenal magnet for the playgoer when it appears here at the Parmele theater Monday night, October 25. The large cast of principals in support of Mr. Arnold evidences the choice of the best to be had in the musical comedy field, and the chorus is a typical beauty gathering of girls who can sing and dance, and make the audience wonder if the producer cornered all the pretty girls in the country. As the prince of the mythical land of Lantania, wherein he succeeds in winning the girl of his heart, Mr. Arnold presents a portrayal with all the mischievous twinkles, apt witticisms and bubbling good nature that won him so strong a regard in the hearts of theater-goers.

MISS BERNICE NEWELL ENTERTAINS FEW OF HER LADY FRIENDS

From Tuesday's Daily.
The pretty home of Mr. and Mrs. W. H. Newell, on West Marble street, was the scene of much merriment last evening when their daughter, Miss Bernese, entertained a few of her lady friends at a delightful evening kensington in honor of Miss Elva Dougllass of Bassett, Neb., who is visiting at the Newell home for a few days. Most of the young ladies brought their fancy work and proceeded to spend the evening plying the needle and crotchet hook in a very industrious manner, as they listened to selections rendered by the Victrola and engaged in pleasant social conversation. During the evening a dainty two-course luncheon was served, which was likewise most thoroughly enjoyed by the guests. A few more moments devoted to a little further social time and then the guests, noting that it was getting very late, after thanking the hostess for her kind hospitality and expressing much pleasure in having had the opportunity of meeting Miss Dougllass, they departed for their homes, declaring Miss Bernese a splendid entertainer.

REVIVAL MEETINGS BEGIN SUNDAY AT METHODIST CHURCH

From Tuesday's Daily.
Our annual revival meetings will begin next Sunday, October 24th. It will be a time of blessing. Our attitude and action will say how much. Suppose we settle it to sacrifice for three weeks. The subjects are work-day ones. There will be no evangelist, but the pastor. He is no longer new. We have the best musical talent to be found anywhere to assist us. We will use the best song book published. The results are in the hands of the members. What will we do? May I suggest? Pray, expecting something. Do it much. Come every single night. Settle that. Invite some one every day to become an open disciple. Write personal letters. Attend stocked with pointed remarks on the subject. Push every possible thing aside and do this one thing. I know you will. God is expecting it. Here is a definite goal: Fifty accessions to the church. Fifty new members for the Sunday school. Fifty regular attendants at the mid-week service. Fifty regular attendants in each of the men's bible classes. Together we go to victory in the King's name. A community well-wisher. Frank M. Druliner, Minister.

Gortz of this city against Sam Stuart, a wealthy property owner of Van Buren and Fort Smith, wherein the plaintiff sought \$5,000 damages on the grounds that Stuart attempted to kiss her. Mrs. Gortz told the jury Stuart's advances caused her to lose her reason temporarily, and she further charged she suffered great physical disfigurement. Stuart, who is 71 years of age, alleged he had paid Mrs. Gortz \$700, and that she signed a waiver of all damages against him. The jury deliberated seven minutes, and held that Stuart had paid enough.

AN OLD TIMER GETS INTO THE CLUTCHES OF THE POLICE

Yesterday Chief Barclay gathered in an old-timer who claimed to be a harness-maker, and who has drifted in here several times in the past few months and made considerable trouble for the police by his warfare on the rum demon, and just as it was thought that the city was well rid of the man he would drift back and proceed to get in bad again. Yesterday the man, who is a cripple physically, got into another encounter with John Barleycorn and just as he about had the old devil down, Barleycorn flipped him, and as a result the harness-maker was soon in the hands of the police, and is about the same as a white elephant on their hands, as it is some job to get rid of him, and if anyone has a good plan to do this they should lose no time in calling on the guardians of the law.

The matter seems to have been temporarily settled, as the man was given a ticket this morning and sent over into our neighboring state of Iowa, and it may be possible that the city is well rid of him.

WISE MOVEMENT OF THE SUNDAY SCHOOL COMMITTEE

SEVERAL BASKET BALL GAMES CONTEMPLATED

The students in the High school are busy these days stirring up the sentiment in favor of basket ball and the prospects for the organization of several teams from the student body now looks good and in a very few weeks the boys should get down to practice and be ready for the opening of the season with a good, fast aggregation of the exponents of this game. The rivalry between the members of the different classes has been most intense and the prospects are good for the organization of teams in all the classes of the school at once. Last season the team had a good, fast organization, and while they have lost a few of the stars, still they have a formidable squad from which to pick their line-up for the varsity team, as well as material for the different class teams. It is expected that it may be possible to play the games this season either in the Crystal Star rink or in Coates' hall, where the seating capacity is much more favorable for handling the crowds that may assemble there and give the boys the advantage of better gate receipts than heretofore. This is a good, clean sport and one that is of great benefit to the youth of the schools, both the boys and girls, and should be encouraged.
