## GORE'S

## HOG WORM CREAM

Concentrated.

All Hogs are Wormy: By the very nature of the hog, his way of living and what he eats, he is bound to be wormy.

There is no market for hog worms, and they sap the life blood and your money from the hog. Hog worms stunt young hogs, and a stunted hog is a money loser in the fattening pen. The greatest menace to the health and thrift of the hog is worms. A wormless hog will be a choicest hog.

Gore's Hog Worm Cream is certain death to hog worms. It is the cheapest insurance and the best investment for hog raisers. It costs you less than 3c per dose, "Each Dose," and if fed once each 30 days will keep them free from worms.

## No Waste and Proper Dose.

Gore's Hog Worm Cream is not like any other medicine, it is a heavily concentrated cream preparation containing an absolute anthelmintic "Worm Killer," and if the directions are followed, each hog is certain to receive the proper dose.

You simply mix or stir Gore's Hog Worm Cream in swill. It mixes perfectly and evenly. Put your swill in the trough and there you are.

Gore's Hog Worm Cream is put up in the following sizes with full directions for mixing in swill or water and sold at the following prices:

Small size, enough for one dose for 25 hogs, price	.....\$ 1.50
½ gallon, enough for one dose for 60 hogs, price	.....\$ 3.00
1 gallon, enough for one dose for 120 hogs, price	.....\$ 5.00
3 gallons, enough for one dose for 360 hogs, price	.....\$10.00
5 gallons, enough for one dose for 600 hogs, price	.....\$15.00
10 gallons, enough for one dose for 1,200 hogs, price	.....\$25.00

Gore's Hog Worm Cream should be fed at least once a month.
