## FARM RESIDENCE DESTROYED BY FIRE SATURDAY

The Home of Fred H. Ramge, Two Miles Northeast of Murray, Destroyed Saturday Afternoon.

Saturday afternoon the farm home of Fred H. Ramge, situated some two miles northeast of Murray, was destroyed by fire, which thoroughly gutted the house and finally resulted in the utter destruction of the building and a greater part of the household goods.

The fire occurred while Mr. Ramge was in this city looking after his trading, and only the children were present at the home when the fire was discovered, but their cries and the appearance of the flames soon attracted a number of the neighbors, but it was impossible to do anything to check the flames to any extent and it was with the greatest difficulty that there was any household goods saved from the building. The children, with the greatest presence of mind, as soon as the fire was discovered hastened to begin to carry out what articles they could, with the result that some of the furniture was saved in this way, although the house itself is a total loss and will be quite a blow to Mr. Ramge, who is a young man just getting started in his career as a farmer, and who only a few months ago suffered the loss of his wife.

The fire was caused by a defective flue which permitted sparks to ignite the rafters of the upper portion of the house, and fanned by a brisk breeze, the whole structure was soon wrapped in flames and burning briskly, with the result that it was not long until the house was apparently doomed, as it was impossible to do anything toward fighting the flames successfully. There was a small amount of insurance.

## A SUCCESSFUL MASQUERADE BALL SATURDAY NIGHT

T. J. Sokol Hall the Scene of One of the Merriest Crowds That Ever Assembled for Merriment.

The masquerade ball given Saturday evening at the T. J. Sokol hall was one of the most pleasant events of its kind given in the city and also one of the most largely attended of any that has been held in the past season. The ball was filled to its utmost capacity and everyone present enjoyed themselves to the limit in the pleasures of the dance while those who were not dancing watched the procession of grotesque figures which were on the floor representing the different characters ranging from the brawny policeman to the dainty and coy Japanese lady. The Holly orchestra was chosen to furnish the music for the event and in a most pleasing manner carried out this part of the program which brought forth the warmest approval from everyone.

The judges of the masquerade were selected with great care and consisted of Vincent Pilney, Julius Pitz and A. J. Snyder, who spent some time in examining the different costumes as they appeared on the ball room floor, and after a great deal of deliberation awarded the first ladies' prize to Mrs. Frank Janda, Jr., while Mr. Janda captured the first gent's prize, Mrs. Broy Crist was given the second ladies' prize, while Frank Crejci succeeded in carrying off the honors of the second gent's prize.

After the unmasking the general public were allowed to dance and the floor was packed with the merry crowd of maskers until a late hour when the strains of "Home Sweet Home" warned the members of the dancing party that the hour for parting had come. It was an event filled with great pleasure for everyone and there was nothing to mar the rare pleasures of the event.

## A LATTER DAY SAINTS CHURCH FOR PLATTSMOUTH

It has been hoped to place a new church or place of worship on the corner east of Garfield park, the property of Mrs. M. B. Duxbury for the past eight or nine years, and having purchased the W. M. Warga property last August, she now makes the proposition to the Latter Day Saints church or bishop of that faith that she has held the property for sale for \$1,000, but if they wish to locate a church here and will raise \$500 toward a place of worship for the Latter Day Saints people here at Plattsmouth and the same to be erected on this lot or property, she will donate the rest she has held the property worth. If there is any who wish to help with the erection of the church for the Latter Day Saints people, which we hope will be a benefit to the church and her people, or if there is any offering, kindly hand it to Brother J. R. Jones of this faith.

### Racing on Roller Skates.

There was quite a good deal of interest displayed at the Crystal Star roller rink on Saturday evening when a race on roller skates was staged by Ted Renner and Jim Higley, and for a short time the race was kept on in good earnest, but at the finish of the half mile race Ted was found to be the winner, having covered the distance in one minute and twenty seconds. Teddy is sure some racer and has issued a challenge to anyone in the city to race against him.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
