ences on the subject with the leaders in congress.

Numerous reports which have come to the president of confusion over the issue in congress and uncertainty of the outcome prompted the step.

The president is said to be under-terred by the open opposition of the pacifists, including William J. Bryan, and differences among advocates of national defense over the exact plans to be adopted. He is said also to be convinced that the preparedness program is the best which can be offered at this time.

Plans for the speaking trips were going forward rapidly today. Hearings on the administration's plans for national preparedness were continued in congress today.

Major General Leonard Wood, former chief of staff of the army and now commander of the Department of the East, appeared before the senate military committee and was to be followed by Major General Carter, retired.

AUCTION SALE CLOSSES SATURDAY EVENING

The big Auction Sale at the Department Store of M. Fanger will positively close on Saturday evening, January 22, and this will be your last opportunity to secure goods at your own price. Remember the same will be held every afternoon at 2 and every evening at 7:30 o'clock up to and including Saturday evening. You are now buying up-to-date merchandise at your own price, but that opportunity will soon be over. What remains of this stock will be packed and moved from this city the fore part of next week. Saturday will sure be the big day, for we are confident the farmers of Cass county will take advantage of this golden opportunity before it is too late. Come in early, and stay for the close—you will find wonderful bargains.

THE MUTUAL INSURANCE COMPANY ELECT THEIR OFFICERS

One of the foremost insurance institutions of Cass county is the Farmers' Mutual Fire and Live Stock Insurance company, which is owned and controlled by Cass county men who have made it most successful by careful management and prompt and just settlement of all losses. The company now has in force \$1,500,000 worth of insurance and the business of the company is constantly growing, so that it ranks high among the mutual companies of the state and a feeling of satisfaction prevails among the policy-holders, as those who have suffered losses on their property have all had settlements made in full for the losses. The company at their annual meeting, held at the Taylor school house in Plattsmouth precinct, had their election of officers and the following were selected for the ensuing year:

President—Jacob Tritsch.
 Vice President—J. H. Becker.
 Treasurer—M. L. Friedrich.
 Secretary—J. P. Falter.

The office of the company is located in this city and the policies held by the company extend over almost the entire county among the leading farmers and residents of the country district and the business of the company last year was most satisfactory in every way and shows a splendid gain in the volume of insurance handled.

IN PLATTSMOUTH FORTY YEARS AGO.

Last Friday Hon. Lawson Sheldon was seriously injured by a fall from a horse. It seemed at one time to be a serious and permanent injury. He is somewhat better now.

Mr. Henry Dacis from down on the Weeping Water gave us a pleasant call Tuesday. Henry was an old time friend, and spent the time in talking over the incidents of early life in Nebraska, much to our gratification.

Miss M. Butterfield, formerly a teacher in the Plattsmouth high school, has been spending the last few weeks among her host of friends in Plattsmouth and leaves today for a couple of weeks sojourn with friends in Omaha, after which she returns to her school at Grand Island.

We understand that Mr. E. Buttery tired of waiting for something to turn up in the coroner's lines has purchased an extensive and variegated "Patent Right," extending over Oregon, Mexico, California, Sandwich Islands and Nebraska. In a few weeks he will start out on horseback to canvass this country, and anticipates it will pan out better than Black Hills gold dust. Success to Edward and the patent right.

At last the Weeping Water bridge question is to be decided. Mr. Foster was up here last week with a numerous signed petition asking that the Tucker bridge be put in repair, claiming it as the only bridge, on the only road that can be traveled, and the one altogether lovely. We hope Mr. Foster's petition will succeed. We hope they will all succeed. We can suggest a better plan yet. Build a culvert over the W. W. from Sheldon's to the mouth of the stream, then you can drive over it anywhere.

Remember the Fanger Auction Sale will close Saturday evening, January 22, and now is your last chance.

A Real Pleasure

when you use the VOSS ELECTRIC WASHER. You can't hardly realize the amount of hard work you can avoid by using the VOSS ELECTRIC until you have tried one of them.

If you are interested let us send one up for a trial washing. We know you will be convinced.

We are always pleased to demonstrate and show this excellent machine.

This book is sold for \$1.00 and one year's subscription to the DELINEATOR is given free with each order, and the same can only be secured while this special offer lasts—one week, beginning January 20th, at E. G. Dovey & Son's store.

Merely Assisting in Work.

W. P. Cook was engaged this morning in working in the barber shop of William Dubois, while that gentleman was in Omaha looking after some business matters, and this fact caused the starting of a wild-eyed rumor that Mr. Cook was again in charge of the shop, and this Mr. Cook desires to have placed right before the public, as he is merely assisting during the absence of the owner of the shop and has no part in the ownership of the establishment.

A want ad will bring what you want.

Card of Thanks.

To our many friends and neighbors and the lodges who offered words of sympathy and flowers in our recent bereavement, we wish to return our heartfelt thanks. Especially do we wish to thank the I. O. O. F. for their kindness to us.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.
