

A Distinctive Reason

What is the chief reason for the superiority of Royal Baking Powder?

There are several good reasons, but there is one which distinguishes Royal from other baking powders.

This reason, which every woman should know, is that Royal Baking Powder is made from cream of tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in other baking powders.

There is no alum nor phosphate in Royal Baking Powder

Californian Had Kidney Trouble

Jack Mullen, Copperopolis, Calif., says: "I had such a severe case of kidney trouble that I nearly had to quit my business. I took three bottles of Foley's Kidney Pills which entirely relieved me and I have had no recurrence of kidney trouble since." Some days it seems as if you can no longer bear the pain and misery you suffer from kidney and bladder trouble. The pills remove your kidney waste, with every move you make and every breath you take. It just seems to rob you of all strength and energy. Your head aches, you are nervous and worn out, sleep poorly and have no appetite. Foley's is up and down the scale. It gives strength and tone to the kidneys—makes them strong, active, their action becomes regular and normal again, and your health grows better each day you take this great healing medicine.

"The road has been built through an Indian country with all the tribes banded together and hostile."—From speech of Gen. G. M. Dodge in Congress, 1898.

The men who built this road fought and worked by turn—inspired with a great ideal. They spanned a continent with a trail of blood and iron—for the sake of the Union—and their road is the Union Pacific.

The spirit of the builders is alive today in the hearts of the men who labor to improve this railroad and to conduct its operations. They work together for this great property as for a national institution. This esprit de corps affects favorably everyone who comes in contact with the Union Pacific—as traveler or shipper.

Farm Lands will never again be as cheap as now. Buy Land! Buy Land somewhere, but Buy Land and you are sure to make money. You can't lose.
