Farm Implements and Wagons and Harness!

With a large crop of corn to market many farmers are in need of a new wagon, extra box or harness, which we have in stock and invite your inspection before you buy. We pride ourselves in handling the "Birdsell" wagons and "Birdsell" extra boxes, built from genuine yellow poplar and hand painted with lead and oil, which insures your wagon against cracking and peeling when exposed to the elements. The "Birdsell" has many distinctive features not found in any other wagon and the boxes are the only "yellow poplar" sold in this territory. We carry a full line of Farm Machinery in our new 24x66 building and are prepared to fill your requirements for the Spring work. Call and give us a chance to demonstrate this fact to you. We'll appreciate the favor. Our Harness, Collars, Pads and Extra Parts to put your old harness in shape, "Eureka" Harness Oils, Curry Combs and Brushes are all ready for your inspection.

What to do when Backache comes on

"I found immediate relief in the use of Foley's Kidney Pills, have recommended them, and do not know of a single instance when they failed to give relief."
C. E. Landrum, a traveling salesman, writes from San Antonio, Texas: "Trying to cover rough roads and in all kinds of weather gave me acute pains in the back and suffered greatly. I found relief in the use of Foley's Kidney Pills, and before the first bottle was used, the pain in my back had entirely disappeared and I have had no recurrence of those pains which frequently amounted to almost neuritic proportions. When backache comes on, and it seems as if you can't stand the pain and pressure in your back, you will find quick and grateful relief comes with the use of Foley's Kidney Pills. They stop the cause of the pain, ease the stiff aching joints and muscles, and clear the poisons out of your system by helping your kidneys and bladder to normal healthy action."
