

KEITH NEVILLE

NORTH PLATTE

Democracy's Favorite for Governor

A sterling democrat, Nebraska born and bred, a brainy young man of courage, education and ability; a citizen of exemplary character, and a successful business man of proved experience.

He is his own boss, running on his own platform, and a more clean-cut statement was never given to the public by a candidate. Here are salient points:

"I am for President Wilson without apology or explanation; my support of him is actual, not nominal."

"I do not subscribe to the issue that every candidate must evolve some startling and unheard of theory."

"I am opposed to the enactment of impractical, experimental and needless legislation."

"I have no hobbies, but I would have good roads; would aid irrigation legislation, and would establish a publicity bureau to herald to the world Nebraska's wonderful resources."

Every voter should read Mr. Neville's platform.

THE FUNERAL OF MRS. J. M. JOHNS SUNDAY AFTERNOON

The funeral services of the late Mrs. J. M. Johns was held yesterday afternoon from the family residence on Main street but owing to the fact that several members of the family were quarantined for scarlet fever it was necessary to have the services at the grave instead of the home. A large number of the old friends of the family as well as members of the Woodman Circle assembled on the lawn at the residence and were permitted to take a last farewell of the friend gone from them for all time. At the Oak Hill cemetery, Father W. S. Leete of St. Luke's church celebrated the beautiful and impressive funeral service of the Episcopal church as the body was consigned to its last earthly resting place in the family lot. The death of Mrs. Johns has been a severe shock to her host of friends as it was unexpected and the unfortunate circumstance of the family being in quarantine prevented them from joining in the grief of the family and performing the little acts of kindness which might soften the harshness of the blow that had taken wife and mother from the home. At the services at the cemetery a large number of old friends were present.

Mary Frances Morton, daughter of Mr. and Mrs. L. P. Morton, was born at Morrilstown, Illinois, August 19, 1857, and resided there until three years of age, when her parents removed to Huntington, Indiana, where the family resided in 1873 when they moved to Lincoln, Nebraska, to make their future home and resided there until the death of the parents, the mother passing away forty years ago and Mr. Morton twenty years ago at Lincoln. The subject of our sketch resided at Lincoln with her parents until her marriage to J. M. Johns which was celebrated at Maxburg, Ia., on August 18, 1878. Mr. and Mrs. Johns made their home at Maxburg for two years following their marriage, later moving to Red Oak, Ia., where they resided for three years and then came to Plattsmouth, where they have made their home for the past thirty years. Those who were here from out of the city to attend the funeral were Mr. and Mrs. F. M. Stennat of Red Oak, Iowa, Mrs. Stennat being a sister of Mrs. Johns; Mr. and Mrs. Harry Rowe, sister and brother-in-law of Mr. Johns, Maxburg, Iowa; Mr. and Mrs. Horace Beardsley, Red Oak; Mr. and Mrs. Jesse Elliott, Red Oak.

To the many kind friends who so generously offered their aid and sympathy in the hour of trouble and sorrow as well as those who gave the beautiful floral remembrances, the family desire to express their gratitude and appreciation and will ever retain the remembrance of these kindly acts as long as life lasts.

MAYOR CHARLES W. BRYAN
Democratic Candidate for Governor

Mayor Bryan favors the re-election of President Wilson.

Endorses business administration of Governor Morehead.

Mayor Bryan is urging a reduction of telephone rates. He defeated fire insurance combine bill in last legislature, saving five policy-holders probably \$800,000.00 annually, and will continue to favor competition in rates. Favors scientific good roads building under supervision of state and county engineers. Favors rural credits system for farmers. Favors state hail insurance. Urges public development of water power to furnish cheap electric current to light home and operate machines on farms and in factories to supply heat and to operate interurban railroads.

These practical and constructive measures are in operation in other parts of the country, but impossible in Nebraska on account of interference of special interests and their lobbyists. Help drive them out and legislate for Nebraska people the same as has been done for Lincoln people. Free the party and party machinery from interference of the special interests, and elect all county and state officers under the leadership of Mayor Bryan as candidate for governor, who has had experience in executive affairs and who has a record of achievement in Lincoln. *Primaries April 18.*

BACKACHE IS DISCOURAGING

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicate bad kidneys. Plattsmouth people recommend Doan's Kidney Pills. Read this case:

Mrs. Adam Kurtz, 818 Avenue C, Plattsmouth, says: "I was suffering intensely from my back and kidneys and couldn't stoop or stand erect. When I was on my feet, there was a dull, nagging ache through the small of my back which robbed me of my energy. My sight became affected and dark spots appeared before my eyes. Doan's Kidney Pills, procured from the Crescent Pharmacy, relieved me of all these troubles in a short time." (Statement given April 19, 1912).

On February 23, 1916, Mrs. Kurtz said: "I couldn't recommend anything equal to Doan's Kidney Pills for kidney trouble. Whenever I need a kidney medicine, I take Doan's Kidney Pills for they always do me good."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kurtz has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
