MRS. LOUISE KISSLING PASSED AWAY MONDAY AFTERNOON

Yesterday, at her home in this city where for the past thirty-one years she has spent many years of happiness, Mrs. Louise Kissling passed away after an illness of some duration, suffering from a complication of sickness which all the care and attention of her family and attending physicians were unable to check and the patient bore with patience and Christian fortitude her suffering, awaiting the voice of the Master that would bring her release from suffering and rest from the cares and troubles which mark this world. Mrs. Kissling was held in the highest esteem by those who knew her best and her life was devoted to the care and rearing of her family and to the home where she will be so greatly missed from the family circle.

Mrs. Kissling was born in Germany December 15, 1856, and there spent her years of girlhood amid the scenes of the old home. In 1885 she came to America to make her future home in the United States, and located at Plattsmouth, where in March, 1885, she was united in marriage, and during these years these two estimable people have spent a perfect and happy wedded life. Six children are left with the bereaved husband to mourn the death of this good woman, Mrs. Louise Granger, Alliance; Louis Kissling, jr., Fred Kissling, Mrs. Carrie Bonahaver, and Misses Minnie and Nettie Kissling, all of this city.

During her life time Mrs. Kissling was a devoted member of the German Evangelical church and with her husband was among those that assisted in the work of making possible the erection of the beautiful St. Paul's church in this city, where they have been constant attendants and faithful members.

Of a quiet and unassuming nature, the departed lady has won many friends by her life devoted to the home and those she loved best, and in the years to come the memory of the mother will live with the family and friends as an example of a sturdy Christian faith and a useful life.

The funeral will be held Wednesday afternoon at 2 o'clock from the St. Paul's church.

Now in Omaha Hospital.

Albert Kneee, a former Plattsmouth boy, was in the city yesterday for a short visit with his old friends for the first time in twenty-eight years. Mr. Kneee is now located in Detroit and was called west by the illness of his mother, Mrs. A. H. Kneee, who is at the Methodist hospital in Omaha taking treatment, and he reports that his mother is doing nicely and it is hoped that she will soon be on the highway to recovery. Mr. Kneee notes the many changes made here since he was here last and the general spirit of improvement.

DEATH OF WILLIAM TIGHE NEAR BANCROFT, NEBRASKA

The Deceased Was a Former Citizen of Cass County and Was Sheriff For Four Years.

William Tighe, one of the pioneer residents of the county and for a great many years one of the prominent democratic leaders of this section of the state, passed away Sunday at his home near Bancroft, Nebraska. Mr. Tighe, although well advanced in years, was apparently in the best of health up to the time of his death and his death came very suddenly. On Sunday Mr. Tighe had walked to the home of his son, Thomas Tighe, and on arriving there had complained of being tired. He sat down to rest and expired before medical aid could reach him.

William Tighe was born in Ontario, Canada, March 31, 1840, and resided there until he reached twenty-eight years of age and then removed to Cass county, Nebraska, where he resided for a great many years until his removal to Bancroft in 1899. Mr. Tighe while residing in this county made his home on a farm a few miles east of Manley, where the Tighe family has been very prominent for the last fifty years in the life of the community and has been numbered among the leading families of the county and active in the public life of this county to a great extent. In 1889 Mr. Tighe was elected to the office of sheriff of Cass county and served in that capacity for two years with great credit to himself and the citizens of the county. In 1899 Mr. Tighe purchased a large farm southeast of Bancroft and has since made his home there with his family and has taken an active part in the public affairs of that section. Besides his widow, three sons, John O., Thomas J. and Edward J., and two daughters, Mrs. S. Moseley of Allamooosa, Colo., and Mrs. E. Peterson of Lyons, survive him. John Tighe of Manley and Joseph Tighe of Havelock, two brothers, are also left to mourn the death of Mr. Tighe.

The funeral of Mr. Tighe was held this morning at 10 o'clock at the Catholic church at Bancroft, the mass being celebrated by Rev. Father O'Donohue, rector of the church.

STEAL WHEELS OFF OF A CORN STALK CUTTER

Yesterday afternoon A. C. Tulene, who is engaged in farming in the west part of the city had occasion to visit a tract of land where he had been engaged a few days before in cutting stalks and discovered that some party had visited the place and removed the wheels from the stalk cutter which he had left setting in the field when he quit work. He at once started in to investigate the matter and recalled that while driving home he had passed a team and wagon and in the box of the wagon was a number of wheels which answered the description of those which had formerly adorned his stalk cutter. Mr. Tulene came to town and getting in touch with Sheriff Quinton and Chief Barclay, these gentlemen proceeded to start in to discover where the missing wheels had been taken, with the result that they were discovered in a pile of junk, having been sold by the party taking them. The matter was then placed in the hands of the county attorney and it is thought that the gentleman who purloined the wheels will be given a chance to explain the matter to the authorities. While the value of the wheels was not great they were of a type which is not greatly used now and it would have been hard for the owner of the stalk cutter to replace them and he feels very fortunate in getting them back.

Mr. and Mrs. August C. Pautsch and Miss Lydia Pautsch, daughter of Ernest Pautsch, of the vicinity of Manley, were visitors in this city today, attending to various business matters and visiting county seat friends. They were pleasant callers at this office.

John A. Maguire in Town.

Former Congressman John A. Maguire of Lincoln, was in the city today visiting with his political friends and looking over the situation, prior to the primaries. Mr. Maguire is a candidate for re-nomination to congress on the democratic ticket and is preparing to make a thorough canvass of the district to land the nomination. While here Mr. Maguire called at the Journal and states that he is standing strictly on his own record made during the three terms he represented the first district at Washington and is a staunch supporter of the policies of President Wilson, from start to finish.

FUNERAL OF THE LATE MARVIN EDWARD TYLER YESTERDAY

The funeral of the late Marvin Edward Tyler was held yesterday afternoon from the home of his parents on West Rock street and was attended by a large number of the old friends and neighbors who gathered to pay their tribute of respect to the highly esteemed gentleman who had been called away while yet in the first flush of manhood. The services at the home were in charge of Rev. C. E. PerLee of the Christian church, who spoke words of comfort to the sorrowing relatives and friends while a choir from that church gave a number of the old well loved hymns. At the grave the members of Evergreen comp, Woodmen of the World, held their ritual services as the body of their well beloved brother was consigned to his last earthly resting place. Mr. Tyler, to those who knew him best, was held in the highest esteem, and his death was universally regretted both in this city and in Omaha, where he had resided for the past few years, and especially was he held in the highest personal regard by the members of the W. O. W., of which he was a member, belonging to the Omaha camp of that order and was insured in that order for \$2,000. The body of the young man was laid to rest in Oak Hill cemetery in the family lot there.

EXCITING BASKET BALL GAMES PLAYED LAST EVENING

The last game in the series of games in the city basket ball league last evening drew out a large and enthusiastic crowd to root for their favorites in the fray. In the opening game there was considerable delay due to the fact that Arthur White, who had played on the Methodist team on last Tuesday was placed on the lineup of the Christian church and this was objected to by the Cosmopolitans and a conference of the managers of the different teams decided that he was ineligible but the followers of the Christians refused to take him out and the game proceeded despite the ruling of the officials. The contest was one full of more than the usual roughness and several of the players were banged up, particularly Neal of the Cosmos, who received a rather bad bruise on the head as the result of having his head banged on the floor by one of the Christians and also received a severe gash over the left eye when he was thrown into the iron pipes by one of his opponents. The star of the contest was Noble, who secured the greater part of the scores for the Cosmos, and was ably assisted by Beal and Edwards in this line. For the Christians, Howe was the main feature and was able to carry off the bacon for the religious representatives by a score of 23 to 15. This game with that which follows leaves the Cosmopolitans and the Presbyterians tied for first place and the Methodists and Christians for the cellar as they have only won one game apiece while the leaders each have two victories to their credit.

In the second game the Presbyterians were able to get away with the grapes by the score of 30 to 15 in a spirited contest which was a reminder of the days of the Roman gladiators. For the Presbyterians Frank Marshall and Larson were the stars of the game.

THOMAS J. PENCE DIES AT CAPITAL

Was Secretary of Democratic Committee and a Close Friend of the President.

Washington, March 28.—Thomas J. Pence, secretary of the democratic committee, who had been ill for several months as a result of pneumonia, died at his home here early Monday morning.

Mr. Pence probably had an extensive acquaintance among democratic politicians throughout the country as any man who ever occupied an official position with the national committee. He was one of the "original Wilson men" and after the last election was offered several important government posts. He declined them all, however and became assistant to the chairman of the national committee in charge of the permanent headquarters here. At the meeting of the national committee here last December Mr. Pence was chosen its secretary.

Mr. Pence was a friend of President Wilson and was the daily companion of the president's secretary, J. P. Tumulty, and of several prominent administration senators. For many years he was Washington correspondent of the Raleigh, N. C., News and Observer, which is owned by Secretary Daniels of the navy department.

Because of Mr. Pence's protracted illness, W. H. Hollister, secretary of Senator Stone, recently was appointed assistant secretary of the national committee and was designated by Mr. Pence as acting secretary.

MISS ELSIE TIEKOTTER SURPRISED ON HER BIRTHDAY

Last evening there was a rousing surprise party given on Miss Elsie Tiekotter at her home by Miss Irene Pendt. The proof of the success of the surprise was the way it affected Miss Elsie when returning home and entering a darkened room which being suddenly lighted showed the room filled with a jolly crowd of her friends. The evening was carefully planned and the entertainments were of the most appropriate kind, in which all took part and had a jolly good time. Luncheon was served at 11:30 o'clock in a most charming manner by Mrs. Tiekotter, Mrs. Miller and Mrs. Stanley, who were ably assisted by Mrs. Henry Tiekotter.

The most pleasing feature of the evening was when the happy throng had all assembled at the table which was lighted only by the golden flickering lights of the thirteen candles that guarded the precious birthday cake. It was thus that the toast was given for the hostess in elegant and inspiring language that held in eager suspense until closed.

When the luncheon was over the candles burned low throwing dancing shadows that could only be surpassed by the merry chatter and laughter that filled the room. It was at a late hour that the guests went out into the quiet starlight night to journey to their homes. Those attending were Ernest and Ellwood Buttery, Edythe Kelly, Delores McCarty, Pauline Long, Anna Vejvoda, Edythe Rebal, Dorothy Speck, Freda Sattler, Irene Pendt, Fern Lair, Gilbert and Harold Hull, Elmer and Albert Miller, Carl and Louie Tiekotter, Mike Hula, Ellery Vroman and Fred Speck.

Mrs. Spangler Very Sick.

Mrs. Charles Spangler, who was injured several weeks ago by falling while at the home of her son, Frank Spangler, and dislocating her hip, is reported as being in very serious condition at her home near Weeping Water. Mrs. Spangler in addition to suffering from her former injury is suffering from a severe attack of pneumonia which is hard to overcome owing to her age and weakened condition due to her fall. The friends of this estimable lady will regret greatly to learn of her sickness but are hopeful that she may recover from her illness. Fred Spangler, a son of the lady, was in the city today and reports his mother as being quite low.

THE WOODMAN CIRCLE ENJOY FINE MEETING LAST NIGHT

From Wednesday's Daily. Last evening the members of the Woodmen Circle held a most enjoyable meeting at their lodge rooms in the A. O. U. W. building which was attended by a large number of the members. The drill team of the lodge, assisted by the officers, conducted four new candidates into the mysteries of the order in a most impressive manner giving the ritual work of the order. The lodge also elected Dr. P. J. Flynn as the grove physician for the year. The meeting was one that was thoroughly enjoyed by all those present, although great regret was expressed that Mrs. Joseph Droeger, the deputy of the local grove, was not able to be present with them owing to sickness in her family at this time.

ENTERTAINED IN HONOR OF MISS FRANCES KOUBEK

From Wednesday's Daily. Yesterday afternoon Mrs. Ed Cotner entertained very pleasantly at her home in honor of Miss Frances Koubeke, whose marriage to Mr. Floyd McCarty will occur soon. The event was in the nature of a shower in which the friends of the bride presented her with a great many articles which will be treasured in the years to come as tokens from the friends of years gone by. During the afternoon Mrs. E. F. Setz gave a number of most pleasing musical numbers which were most thoroughly enjoyed by the members of the jolly party, but by far the most exciting feature of the afternoon was the mock wedding which the ladies gave for the benefit of the bride-to-be. The role of groom was taken by Mrs. William Hale, while Mrs. Albert Murray acted as bride and Mrs. George Stone as the mother of the bride. As the minister, Mrs. James Ault was very effective and her words of advice to the bride produced much merriment among the members of the party. Marie Stokes served as ring bearer. The married ladies in the party were requested to write out their favorite recipes, all of which added to the pleasure of the afternoon. At a suitable hour a very delectable three-course luncheon was served which was enjoyed to the utmost, and on taking their departure every one wishes the bride-to-be many years of happiness. Those who were present were Mesdames J. B. Cotner, George Haynie of Tabor, Iowa, Mrs. E. F. Setz, Mrs. Will Hale, Mrs. Albert Stokes, Mrs. James Ault, Mrs. Mollie Hanson, Mrs. George Stone, Mrs. Albert Murray, Misses Florence Hanson and Marie Stokes.

INTERIOR OF THOMAS & CO.'S MARKET BEING RENOVATED

From Wednesday's Daily. The interior of the meat market of George Thomas & Co. is being thoroughly redecorated and placed in such shape where it will be one of the most attractive store rooms in the city and one which certainly adds very much to the appearance of the business section. The walls of the room are being decorated in a shade of green which is set off by the painting of the woodwork which is done in the white enamel to harmonize with the general appearance of the room. This refrigerator has a capacity of ten tons of ice and its space for the storage of meats is 12 by 14, making it ample for all the uses that it may be put to. These changes and improvements are to be commended and add their part to the general splendid appearance of the business section of the city.

Issues Marriage License.

From Wednesday's Daily. County Judge Allen J. Beeson today issued a marriage license to Mr. John Thierolf, aged 23, and Miss Eva Dasher, aged 16. Mr. Thierolf is a young farmer residing near Cullom, a son of John D. Thierolf, while the bride is a daughter of Charles Dasher of LaPlatte. The young people will be married here later by the judge.

"DRESS UP" SEASON FULL OF IMPORTANCE

Everybody Prepares to Dress Up in a New Suit in Spring Time When Styles Reign Supreme.

From Wednesday's Daily. The spirit of the springtime with its keen sensing of the rejuvenation of life and the taking on of all nature with its beautiful garb of newness and freshness brings to us the full importance of the "dress up" movement which in the last two years has grown to the extent of becoming a nationwide institution. There is nothing that adds to the feeling of confidence and self-reliance in man or woman more than does the feeling of being dressed in a manner that commands the respect of others. The garments need not be of rich fabric or costly but if neat and attractive affords man an opportunity that otherwise would be closed to him. The dress up and clean up time is with us and from now until the 8th of April throughout the United States there is a demand for more attention being paid to personal appearance as well as to the appearance of property, all of which adds very much to the welfare of a community, however small. There is nothing in the world that is a better advertisement of a town than a neat, well dressed citizen, and a community made up of these is one of the greatest factors in determining the impression of a town upon a stranger. The movement here has been taken up by the clothing stores and they are offering every inducement to the man to get busy and prepare himself for the spring time with a freshness that will be of benefit to him as well as to his city. Get in the procession and dress up and clean up.
