MORE AMERICAN TROOPS RUSHED ACROSS BORDER

United States Soldiers Reported Being Hurried Into Mexico From Columbus as Fast as They Can Be Moved.

RESEVES SENT TO FORT BLISS

El Paso, Tex., April 10.—A civilian, who has just arrived here from Columbus, reported that additional troops are being hurried south into Mexico as fast as they can be provided with transportation and equipment.

Local officials in El Paso have made representations to the military authorities and two infantry battalions were sent from Fort Bliss Sunday night to act as reserves to the patrols who are on guard every night here in the principal streets. The police officials said they fear trouble from Mexicans in Juarez.

Wild Reports in Juarez. There is apprehension felt that a number of Villistas and a number of representatives of the anti-American faction in Mexico are spreading the wildest reports among the peons and soldiers in Juarez in the hopes of being able to cause an outbreak.

Juarez is seething with the weirdest stories of hostile nature, and rumors of great victories over the soldiers of the United States, won by Villa. The Carranza officials are doing their best to suppress these stories. Stories that alarmists are not receiving credence among the American refugees here is evidenced by the fact that the latter have already returned to Mexico, and others are desiring to do so. Two mining men who had left the country after the Santa

Office supplies at the Journal office.

Isabel massacre, left here for Chihuahua City yesterday.

Offer Use of the Wires.

San Antonio, Tex., April 10.—Cooperation to a limited extent by the Mexican military authorities in the work of the American punitive forces in Mexico was indicated by their offer to General Pershing of the use of the telephone and telegraph lines. This offer was made to the aviators who landed in Chihuahua last week, and was reported yesterday by General Pershing to General Funston.

General Pershing said that some supplies had been purchased in Chihuahua and that there appeared to be no disposition on the part of those with stores to withhold their goods, but that the limited amount of supplies at Chihuahua at present made it impossible to get provisions.

General Pershing himself is moving south along the trail to Satevo, personally directing, so far as possible, the pursuit of Villa and the search of mountains and plains adjacent to the trails being followed.

Have Friendly Discussion.

Before leaving his headquarters on the San Geronimo ranch, north of Guerrero, General Pershing and General Luis Herrera, the Carranza general whose defection was reported, discussed in a friendly manner the efforts being made by both governments to run down the common enemy.

The excellent work that has been done by the aeroplanes has been so marked that headquarters officials are anxiously awaiting reinforcements to that arm of the service.

NOTICE TO GARDENERS.

I will be able to look after all orders for plowing and putting your garden in proper shape and draying at a most reasonable price. Claus Boetel, jr., telephone 418-W.

NEBRASKA CITY MEN

CALL ON THE JOURNAL

This morning Senator John Mattes and A. P. Young came up from their home at Nebraska City enroute to Omaha and stopped here for a few minutes' visit at the Journal office and to chat with the editor. This is the first time the genial state senator has been able to get away from home as his business interests have kept him very busy. Senator Mattes is a candidate for re-election and will have no opposition at the primary election for the democratic nomination. His record in the last legislature when he represented Cass and Otoe counties was one that reflected great credit on the district and the senator made himself felt as one of the leaders in the upper house of the legislature and as a member of a number of the leading committees made his influence felt in shaping legislation.

HARRY. H. LEFFLER FILES

FOR COUNTY JUDGE OF CASS

Harry H. Leffler, who is engaged in the practice of law in the office of Attorney D. O. Dwyer in this city, has filed for the office of county judge on the non-partisan ballot. Mr. Leffler is a young man but has received a thorough education in the law in the schools of the state and the university and is well qualified for the office. A petition containing the required per cent of the voters of the county accompanied the filing and Mr. Leffler will try out the question at the polls next November with County Judge Beeson.

St. Louis Young People Wed.

This morning at the court house Judge Beeson united in marriage Mr. Joseph Cedeayo and Miss Martha LeGrand, both of St. Louis, Missouri. The young people were enroute to the western part of the state where they will visit with relatives of the bride, and reaching this city in their journey decided that it was an ideal place to have the nuptial knot tied, and accordingly were wedded in the usual pleasing manner which characterizes the ceremonies of Judge Beeson.

Busy Day With the Judge.

This afternoon Mr. Everett Williams and Miss Mable Miller were united in marriage at the court house by Judge Beeson, having come down from their home at Ashland in company with J. A. Miller, father of the bride.

A license to wed was also issued to Mr. Frank S. Boyle and Miss Mary F. Jones, both of Weeping Water, who will be wedded there later at the home of the bride's parents.

Distributing Election Supplies.

This morning County Clerk Frank J. Libershal departed for a trip over the county distributing the election supplies to the various precincts for the primary election on Tuesday, April 18.

Woodmen Circle Notice.

The Woodmen Circle lodge will meet in regular session at their lodge rooms tomorrow, Tuesday, evening at 8 o'clock. All members are requested to be present. 4-10-2td

MASON FAMILY RETURN

FROM WESTERN TRIP

Last evening Mr. and Mrs. Ed Mason and two little daughters returned home from an automobile trip of several days' duration out in the state, visiting at different points and enjoying very much the outing afforded them. The party left here Wednesday in the Ford of Mr. Mason and

from here made the run to Lincoln, where they enjoyed a very pleasant visit and left then for Shickley and Polk where short stops were made visiting with friends, and thence on to Central City for a short stay, returning from that city to Plattsmouth. Mr. Mason reports the roads as being excellent and the trip one that was most pleasant to the members of the party with good weather and good roads.

Buick Valve-in-Head Six-Cylinder Touring Car Model D-45

How Many Miles

Are There in a Gallon of Gasoline?

THAT depends upon the type of Motor in your Car.

WHEN you buy a BUICK six-cylinder valve-in-head motor car you not only get the last word in comfort, style, power and speed, but an automobile guaranteed to give you the highest gasoline milage.

IT IS AN admitted fact that the valve-in-head motor does give 15 per cent more power than any other type of gasoline motor, which means 15 per cent more mileage per gallon of gasoline.

THOUSANDS of users of BUICK valve-in-head six-cylinder cars give evidence daily that they are getting 20 miles or more per gallon of gasoline consumed while touring with full passenger load and many users report over 25 miles per gallon.

REMEMBER—cost of operating is a part of the cost of your Car.

WITH the price of gasoline going up, the proven economy of the BUICK valve-in-head should make it your preference.
