university won from Peru a hard fought base ball game. The score was tied at 4 to 4 in the fourth inning and remained at those figures until the thirteenth inning when Wesleyan succeeded in getting two splendid hits and running in three men. On Friday afternoon the two teams met again in one of the closest games yet played on the Peru field. Again the score was tied early in the game, and again Wesleyan broke the tie, the game ending in the eleventh inning with a score of 4 to 3. Selement pitched for the Normal on Thursday and Long on Friday.

On Saturday evening the Dramatic club will give their annual play, presenting "The New Lady Bantock" by Jerome K. Jerome.

FROM PERU NORMAL.

The annual band and orchestra concert, one of the most enjoyable events of the year, was held on Tuesday evening. This splendid entertainment was given by the Normal band, the Normal orchestra and the bid band, made up entirely of boys less than sixteen years of age. The three organizations comprise seventy-two pieces. Professor F. C. Smith, who is the director, deserves hearty commendation for the quality of the work rendered by these young people.

Under the auspices of the Young Men's Christian association and the Young Women's Christian association a sunrise prayer meeting was held at 6 o'clock Easter morning. Mrs. Dalzell was the leader. The two associations had a joint meeting in the afternoon and were addressed by Rev. Lawler.

Professor Beck, who recently underwent an operation at an Omaha hospital, resumed his classwork Monday. He is quite improved in health but has not yet regained his normal strength.

Miss Katherine Woods, who was for several years a teacher in the English department of the Normal, and who is now proprietor of the

Fine Arts Shop in Lincoln, spent Sunday with Miss Ellis.

The citizens of Peru are engaged in a campaign for civic improvement and individuals are vying with one another in their efforts to improve their yards. In co-operation with this enterprise the students volunteered to clean the Normal grounds. Accordingly there were no recitations Friday afternoon and the students, armed with the necessary implements, lay siege to the campus which was soon greatly improved in appearance. Dean E. L. Rouse spent a few days in Hastings last week where he addressed the teachers in the city institute.
