Resolutions of Sympathy.

Whereas, after several months of suffering, God, the all-wise Father, has seen fit to call from her labors on earth to her home in heaven, Sister Anna Van Kirk, and

Whereas, Our Heavenly Father has taken her to dwell in the sunlight of that home of many, and while we deeply mourn our loss, we bow in humble submission to His divine will; Therefore, Be It Resolved, That we, the members of Campbell lodge No. 164, D. of H., extend to the bereaved husband and children our heartfelt sympathy in their hour of sorrow and commend them to look to Him who was her comfort in health and sickness;

And Be It Further Resolved, That in memory of our departed sister our charter be draped in mourning for thirty days, that a copy of these resolutions be sent to the family, a copy sent to the D. of H. Journal and a copy placed on the records of this lodge.

NO SIGN APPEARS THAT U. S. TROOPS TO LEAVE MEXICO

American Generals at Border Await Word From Washington Before Continuing Negotiations With Obregon.

El Paso, Tex., May 1.—Mexican and American conferees over the disposition of the American forces in Mexico are marking time while Generals Hugh Scott and Frederick Funston await word from Washington as to the next step to be taken in the negotiations with General Obregon.

The report of the American representatives on the first conference went forward by wire to Washington. On the answer of President Wilson and Secretaries Lansing and Baker to its recommendations depends the future status of the conference.

In the meantime the following facts developed: That to date the apparent intention of the Washington government to keep General Pershing's columns in Mexico have not been changed.

That General Obregon in Saturday's conference served no sort of notice on Generals Scott and Funston that could be construed as an ultimatum demanding immediate withdrawal. That the desire of the de facto government for withdrawal was again stated, but that the only discussion along this line was regarding the advisability of an American retirement.

That there was considerable discussion of the possibility of effective American and Mexican co-operation in the eradication of scattered Villa bandit groups.

That there is a strong possibility there will be only one more conference held, that depending on the wishes of the Washington government.

Supplies Going to Front.

That while the present negotiations are proceeding, shipments of supplies to the American expedition's front are being forward uninterrupted, nine truck loads of ordnance, among other things, going forward from the base.
