

Bulletin No. 1

A Mistake in the Policy of the Bethlehem Steel Company

To the People:

The Senate of the United States has passed a bill to spend \$11,000,000 of the People's money to build a government armor plant. The measure is now before the House of Representatives.

It is said that manufacturers of armor have "gouged" the country in the past, and that a government plant is necessary to secure armor more cheaply.

The mistake of the Bethlehem Steel Company has been that it has kept quiet.

We have allowed irresponsible assertions to be made for so long without denial, that many people now believe them to be proven facts.

We shall make the mistake of silence no longer.

Henceforth we shall pursue a policy of publicity. Misinformation will not be permitted to go uncorrected.

It is and has been the policy of our Company to deal with the American Government fairly and squarely.

We shall henceforth place the details of our relations with the Government before the American People.

The United States has for twenty years obtained the highest grade of armor and has paid a lower price for it than has any other great naval power.

Figures officially compiled for the Senate Committee on Naval Affairs from the Naval Year Book show that under conditions prevailing just before the European war, the chief naval powers of the world were paying these prices for armor:

England, \$503 per ton; France, \$460; Germany, \$490; Japan, \$490; UNITED STATES, \$425.

A government plant cannot make armor any cheaper than we can do it; and—

We are prepared to manufacture armor at any price which the Government itself shall name as fair. THAT BEING SO, SHOULD \$11,000,000 OF THE PEOPLE'S MONEY BE WASTED TO BUILD A GOVERNMENT PLANT?

MARRIED AT LINCOLN.

The marriage of Miss Ethel May Magee, daughter of Mr. and Mrs. O. N. Magee, and Noel Homer Foreman of Alvo, Neb., took place at 8:30 o'clock Wednesday evening at the home of the bride's parents, Forty-fifth and Holdrege streets. Rev. G. H. Phillips performed the ceremony, which took place in the presence of a group of relatives and intimate friends. The bride and groom, who entered the parlor together, were preceded by Rev. Mr. Phillips and followed by the little sister of Miss Magee, Helen, as flower girl, and her young brother, Woodrow, as ring-bearer. Preceding the entrance of the bridal party Mrs. Grace Thurston sang "O Promise Me," and Miss Hazel Babbitt gave a bridal song. Both vocalists were accompanied by Mrs. Harold Magee. An orchestra played the wedding march and soft music during the service. An arch of bridal wreath, smilax and snow-balls, with a background of palms and ferns, had been arranged in the vestibule, and the members of the party grouped themselves before it. The colors, green and white, were carried out with flowers in all the rooms. The bride's gown was of georgette crepe, trimmed with silk. Her veil, which was short, was held in place with a circlet of pearl beads and did not cover her hair. The bouquet was a shower of roses and lilies of the valley. Woodrow Magee was in dark blue velvet and the ring in a Dresden basket. His sister, Helen, wore white.

A reception was held following the wedding. Mr. and Mrs. Magee and Mr. and Mrs. G. P. Foreman, parents of the bridegroom, were in the receiving line. The guests were received and introduced by Mrs. W. H. England and Mrs. S. E. Babbitt. A buffet luncheon was served. Punch was

served to the guests by the Misses Marie Prouty and Hazel Babbitt.

Mr. and Mrs. Foreman have gone to housekeeping on their farm, adjoining Alvo, and are planning to take a trip later. They will be home to their friends after June 1.

Mrs. Foreman attended the University Place high school and the State farm, at which she was graduated this spring. Mr. Foreman also attended the State farm.

Among the out-of-town guests were Mr. and Mrs. E. G. Magee of Omaha, Mr. and Mrs. G. P. Foreman, parents of the groom, and family.

The many friends of Mr. and Mrs. Foreman in this vicinity extend their heartiest congratulations.

ARE YOU READY?

The secret of success is to do the right thing at the right time and make use of every opportunity whenever it presents itself. For that purpose it is essential to keep both the body and the mind in proper condition. As soon as the functions of the body are hampered by some ailment, improper conditions, insufficient nourishment, etc., the mind is compelled to exert more energy to overcome the difficulties, and being over-taxed may not be able to stand the strain, and complete breaking down in body and spirit follows, and failure in place of desired success. As soon as you notice the slightest irregularities of your system, take Triner's American Elixir of Bitter Wine. It will get you well and keep you well. This reliable remedy aids digestion, prevents constipation, headache, dizziness, bloating, depression; regulates the work of the digestive apparatus in a mild, natural way. Keep it on hand and be ready for any emergency. At drug stores. Price, \$1.00. Jos. Triner, Manufacturer, 1333-1339 S. Ashland Ave., Chicago, Ill.

Be prepared and keep Triner's Liniment handy to apply whenever any external pains appear. It will save you a lot of pain and suffering. At drug stores, 25c and 50c; by mail, 35c and 60c.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P.
