

A LIVELY TIME THURSDAY NIGHT OVER AT EAGLE

Made So By a Visit of Some Lincoln Parties, Who Evidently Desired to Have Things Their Own Way—Were Arrested.

From Saturday's Daily.

The village of Eagle seems to have been the scene of considerable excitement on Thursday evening, in which an auto party from Lincoln raised several assorted varieties of trouble for the marshal of the town, Fred Spanhle. The Lincoln visitors had reached Eagle and spent some little time there, making a disturbance that was very annoying, and made it necessary for the marshal to take a hand. While they were en route to jail the marshal was standing on the running board of the automobile conveying the prisoners when he was suddenly knocked off the car and the guilty parties made their escape Lincolnward. At a later hour one of the offending parties was located and again placed under arrest, and a determined search made for the second of the men who had violated the peace of our enterprising little west-side town. Sheriff C. D. Qunton and County Attorney A. G. Cole journeyed out to Eagle yesterday afternoon and looked over the situation, with a view to straightening out the affair.

The sheriff and county attorney returned last night with Joe Riley, the driver of the automobile in which the Lincoln joyriders were making their trip, and will hold him to face a complaint. It would seem from the facts in the case, as far as could be learned from the Eagle authorities, that Riley and a man named Henderson with two ladies were driving through Eagle at a rather high rate of speed when Marshal Spahle called to them to stop, which they did, and he placed the driver under arrest and ordered him to drive to the office of the justice of the peace, a short distance away. The driver, Riley, drove past the street where the marshal desired him to turn and continued on to the O street road, where the car was suddenly turned westward, headed for Lincoln, and it is here that it is claimed Spahle was pushed off the car by the driver. In the sudden turn the car escaped from the control of the driver and in a few seconds had headed for a ditch by the wayside, and the only thing that prevented the occupants being badly injured was the fact that the ditch was so narrow that it did not permit the car to overturn and it ran along in the ditch for quite a distance before it was stopped. The other members of the auto party will probably be here to testify in favor of the arrested man, Riley, as the ladies claim that he did not push the officer off the car. Henderson, the second man of the party, claims to know nothing of the officer being pushed or falling off the car until after the affair happened.

It is expected to file a complaint this afternoon against Riley, charging him with assault to do great bodily injury.

MUCH CORN IS REPLANTED.

From Saturday's Daily.

The visitors here from Elmwood today report that in their section of the county the corn in a great many places has been replanted, due to the cold and backward season, and this has put back the work considerably. The wheat crop in that section seems to be fair and will probably keep up to the usual amount.

Just received, a new assortment of ladies' and children's hats, at a very reasonable price. H. Waintraub.

MRS. SHALLENBERGER IN OMAHA HOSPITAL

From Saturday's Daily.

Reports from the bedside of Mrs. E. G. Shallenberger at the Immanuel hospital in Omaha, where she was operated on Thursday morning, states that she is not doing as well as had been expected, but the serious nature of the operation was such as to make it some time before a change for the better can be found. The friends here of this estimable lady will sincerely trust that the condition of the patient will improve and that she may soon be able to return to her home.

HEARING ON REMONSTRANCE AGAINST SCHOOL DISTRICT

From Saturday's Daily.

The hearing on the remonstrance of a large number of the residents of the territory near Elmwood against the changing of the district and placing them in district No. 95 was staged this morning in the district court room before County Superintendent Eda Marquardt, County Clerk Libershal and the board of county commissioners. There were a large number of the residents of that locality interested in the remonstrance present to present their side of the case and the large attendance made it necessary to hold the session in the court room as the commissioners' room was inadequate to accommodate the spectators. This is a case growing out of the request of district No. 95 to have the six sections of land which the law provides assigned to them, and the remonstrators desire to remain in their present school districts, which are much more convenient to them.

Those here from that locality were: Ed Bornemeier, C. D. Kunz, August Bornemeier, J. W. Mendenhall and wife, William Bornemeier, June Deles Dernier, Richard Deles Dernier, John G. Stark, George Oehlerking, Harry Marshall, Ed Earnest, Henry Voght, William Rosenow, Elmer Boyles, Albert Wallinger, John Gerdes, Miss Etta James, Herman Keer, Henry and William Hayes.

After hearing the representations of the gentlemen protesting against the change in the school districts, the board decided to postpone action until after the supreme court had passed on the test case from Thayer county that will determine the question of the law being constitutional. This case will soon be decided by the higher court.

RETURNS FROM HOSPITAL.

Mr. Maurer was in Omaha yesterday and accompanied his wife back home.

"IN A BAD WAY"

Many a Plattsmouth Reader Will Feel Grateful for This Information.

If your back gives out; Becomes lame, weak or aching; If urinary troubles set in; Perhaps your kidneys are "in a bad way."

Doan's Kidney Pills are for weak kidneys.

Local evidence proves their merit. Mrs. Hettie Cummings, Chicago avenue, Plattsmouth, says: "I suffered so from my back at times that I could hardly get about. When I got down, I had to take hold of something before I could straighten up. Sharp pains often caught me across my kidneys and for a minute I couldn't move, as they were so severe. I couldn't rest well nights, as my back ached so badly. I tried different remedies for kidney trouble, but nothing did me any good until I began using Doan's Kidney Pills. I took three boxes and they overcame that awful misery in my back and made me feel like a different person."

Price 50 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cummings had. Foster-Milburn Co., Props., Buffalo, N. Y.

FRIDAY AFTERNOON LARGELY DEVOTED VARIOUS REPORTS

From Saturday's Daily.

Friday afternoon the time of the session of the synod of the German Evangelical church was largely devoted to the discussion of the reports of the central mission board of the United States and Canada and at times resolutions regarding this field of work was brought before the conference and led to a very interesting debate. As far as the mission work in Nebraska was concerned the conference was pleased to learn that two new fields of work in the western part of the state, Chapel and Bayard, had been opened up, that promises a bright future. Up to the present time the mission work was chiefly limited to the eastern section of the state. Appropriations for this have been made and as soon as the proper men are found the field will be supplied.

Rev. J. Baltzer, general president, departed this morning for St. Louis. The conference took a vote of thanks for the valuable services rendered by this distinguished churchman in the conference work.

Last night preparatory services were held for the administration of the holy communion for next Sunday. Rev. E. Aleck preaching the sermon. In connection with this service a memorial service was conducted, led by Rev. J. Baltzer.

The election of the officers of the conference will be held this afternoon and will be followed by services this evening at the church, in connection with which the newly elected officers will be installed. The business session of the conference will close with the meeting today, and tomorrow will be purely the devotional services of the church.

WELL DESERVED TRIBUTE TO A BOY OF OUR OWN CITY

From Saturday's Daily.

The following from the State Journal of this morning gives the account of a recital given there last evening by Clarence V. Staats, son of Mr. and Mrs. G. K. Staats of this city, and the account is a well-deserved tribute to the ability of this young man:

"A large audience assembled last night at Plymouth Congregational church to hear an orsan recital by Clarence Staats. Mr. Staats is a student with J. Frank Frysinger and appeared in recital for graduation from the university school of music. His technic was excellent. He played musically, with dignity and with commendable lack of mannerisms. The Wagner-Kinder introduction to the third act of 'Lohengrin,' with the themes of the 'Pilgrims' chorus was particularly enjoyable. The program as a whole was poetical rather than brilliant, but closed with Mathews' 'Paeon,' a triumph song, in which Mr. Staats developed adequately big effects. The numbers follow:

"Guilment—Sonata in C minor; Allegro Maestoso a con fuoco, Adagio; "Mozart—Frysinger—Menuet in D; "Bach—Fugue a la Gigue. "Wagner-Kinder—Introduction to Act 3 'Lohengrin.' "Halling—Chanson De Joie. "Kinder—Meditation. "Wolstenholme—Allegretto in E flat. "Mathews—Paeon (a triumph song)."

A Symbol of Health.

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. SUNDAY RED LETTER DAY AT EVANGELICAL CONFERENCE

Sunday was a red letter day for the congregation of St. Paul's Evangelical church in this city and one long to be remembered. At the Sunday school hour Rev. Nottrott addressed the children, telling them the history of a number of gods worshipped in India, mentioning the god Krishna; Ganesh, Vishnu and others. At the morning service Rev. J. H. Steger served at the altar, while Rev. E. Holden of Gladstone, Neb., gave a very powerful sermon, using for his text John 6, verse 27, "Thou hast the words of eternal life." The sermon was well illustrated, proving that human laws as such never will give true spiritual as well as civil liberty, but that the ethics of Christ are the only true revolutionizing power. The choir rendered two beautiful hymns, being assisted by the Revs. Zwilling, Fischer and Able. The Lord's supper was administered after the morning service. Rev. Steger and Rev. Holden were the assistants.

The afternoon service was devoted to the mission work of the synod, and Rev. Nottrott gave a most interesting as well as instructive address about the mission work in the far east. A male choir, consisting of a number of ministers, rendered a num-

ber of beautiful hymns, which were well appreciated by the congregation. Rev. H. Krueger, president of the district, served at the altar.

Although the weather was very uncertain in the evening, the church was crowded. Rev. J. Deckinger of Tallmage, Neb., served at the altar. Rev. W. Mangelsdorf gave a very impressive address upon the text, "He that is not with me is against me." Rev. Deckinger then installed the officers of the district as follows: Rev. H. Krueger of Steinhauer, president, re-elected; Rev. J. Able of Cook, vice president, re-elected; Rev. A. Matzner of Lincoln, secretary, re-elected; Rev. C. Eller, treasurer, re-elected.

Rev. H. Krueger thanked the congregation for the hospitality shown by the people, and with a wonderful hymn, sang by the congregation, the twenty-seventh conference of the Nebraska district of the German Evangelical church concluded.

Fred Moldenhausen of Peoria, Ill., arrived this morning and will enjoy a short visit here with relatives and friends and look after the decorating of the graves in his family lot in the cemetery.
