## HOSTILE LEGIONS MARKING TIME ON BANKS OF SOMME

The Heavy Fighting That Has Been Going on for Days Has Dwindled Perceptibly in Intensity

London, July 16.—The heavy fighting that has been going on for days in the region of the Somme has dwindled perceptibly in intensity, Sunday witnessing merely heavy bombardments on the British front and comparative calm on the line held by the French. In the region of Verdun the French to the northwest of the fortress have captured German positions and southwest of Thiaumont, on the east bank of the Meuse, have penetrated German first line trenches.

In the eastern theater, in the region of Lutsk, heavy fighting has commenced again, with the Russians on the aggressive. According to Vienna, all attacks have been repulsed here. Neither the Vienna nor Petrograd official communication touches upon the operations in the Carpathians region, but Petrograd reports the capture from the Turks by the Russians of the important town of Baidurt, in Turkish Armenia sixty miles south of the Black Sea port of Trebizond.

The Italians are still making headway against the Austrians, according to Rome dispatches, especially on Posonia, and have repulsed violent counter attacks with heavy losses to the Austrians.

To the south of the Somme, the Germans Saturday night in strong attacks under the cover of fog, captured La Maisonnette and the Village of Biaches, while further south they penetrated first line French trenches. From all these places they were driven out later by the French in heavy counter attacks.

In the Champagne region there is again great activity by the French troops, who are being aided in their maneuvers by the Russians, who recently came to France. Berlin tells of the repulse of four British attacks Saturday afternoon in the region of Ovilles and Bazentin Le Petit, while the London war office admits the withdrawal of the British main line of a force that had been thrown forward to the Fourreaux wood and was engaged in improving the new British positions.

Five British patrol trawlers and five British steamers are reported to have been sunk by German submarines.

On February 22, 1916, Mr. Barclay said: "I have taken Doan's Kidney Pills for years and they have never failed to do the work whenever I have had occasion to take a kidney medicine."

Heavy Fighting Resumed in Lutsk Region—Russians Gain in Caucasus.

## TWO FORMER PLATTSMOUTH BOYS ARE NOW VISITING FRIENDS

Charley and William Bell, two former Plattsmouth boys, now residing at Davenport, Ia., came in yesterday morning to visit for a few days here with their old friends and enjoy a short stay in the old home. The boys are members of the team of the Davenport Woodmen of the World which has been taking part in the encampment of the uniform rank at Lake Manawa the past week. William Bell is captain of the company and is well pleased over the fact that his team secured the second prize in the competitive drill over several other of the crack teams of Iowa and Nebraska. There were 200 in attendance at the encampment and the Davenport team numbered twenty of the fine appearing young men of that city. The young men report their father and mother as being in good health and Mr. Bell has a very fine position as foreman in the machine shops of the Davenport Locomotive works where Charley and Will are both employed at present. While here the boys are visiting at the Henry Steinhauer home and will depart for home in time to attend a big reception that is to be given in Burlington by the Woodmen of the World lodge for the members of the prize winning Davenport team. The friends of the young men were certainly well pleased to see them and to learn that they are meeting with such success. While here they were callers at the Journal office to visit with the force.

## DEATH OF YOUNG BABE OF MR. AND MRS. JENNINGS SEIVERS

Saturday afternoon at 5 o'clock, June, the little four-weeks-old babe of Mr. and Mrs. Jennings Seivers passed away at the home on West Marble street. The little one has not been strong from birth and gradually faded away and was called home to rest from suffering, to dwell in the realms of the blessed, under the protecting wing of the kindly Father. The death came as a great blow to the parents, who have devoted every care to save their beloved little one, but in vain. The funeral services were held yesterday from the home conducted by Rev. F. M. Druliner of the First Methodist church and the little one was laid to rest in Oak Hill cemetery. The deepest sympathy of everyone in the community goes out to the family in their hour of grief at the loss of the beloved little one who for a short time has been the sunshine of the home and the idol of the family circle. The funeral services were attended by a large number of the relatives and friends to express their feelings of sympathy and grief at the misfortune that had befallen their friends.
