JULIUS PEPPERBURG ENJOYS REMINDERS OF FORMER DAYS

The Journal has received a letter from our friend, Mr. Julius Pepperburg of Lincoln, enclosing his renewal for The Journal, and in this communication he speaks of the enjoyment he derives from reading the paper and particularly the "Forty Years Ago" column, as it brings back to him the recollection of the many happy days spent in this city, where Mr. Pepperburg first made his residence when coming to Nebraska. The thoughts of the dear old friends that these little items brings back to Mr. Pepperburg is greatly enjoyed and he often finds incidents that he is perfectly familiar with. One item relating to a wreck on the Burlington near South Bend Mr. Pepperburg has sent to Con O'Connor, now a resident of Lincoln and who was the engineer on the train. Mr. Pepperburg will in all probability be able to spare a few days during the Home Coming once more to mingle with old Plattsmouth friends, and be able to meet a great many who now reside elsewhere but who will be here for this happy event. Every old resident who in the early days assisted in the development of the city, will find a hearty welcome from the present generation, who are now carrying forward the work of progress and making the city one of the best in the state.

MRS. JOHN LOHNES, AN OLD PIONEER, IS LAID TO REST

The funeral services of Mrs. Katherine Lohnes was held Tuesday afternoon at 2 o'clock from the Glendale chapel near Cedar Creek, and near the old home of this estimable lady where she had spent so many happy hours, and in the church where the last services were held, the departed had often ministered in worship. The attendance at the funeral was quite large as the old friends from all over the county gathered to pay their last tribute of love and esteem to the friend they would know no more save in memory. Rev. August W. Reinhard of Omaha conducted the services, in both the German and English languages, and the choir of the Methodist church of Louisville gave several appropriate hymns during the services. The interment was held in the Glendale cemetery.

Mrs. Katherine Lohnes was born in Ober-Klinzow, Hesse-Darmstadt, Germany, July 6, 1842, and came to America at the age of 18. The year following her arrival in the United States she was united in marriage to Mr. John Lohnes, at Pekin, Ill., who with the children, five sons and two daughters, are left to mourn the death of this good and loving wife and mother. The family settled in Cass county in 1871, where they now reside on the old home farm. Mrs. Lohnes was a woman of fine Christian character, well known for her charity and respected and beloved by those who knew her best.

Mrs. Lohnes had been in poor health for the past two years, and in her weakened condition was unable to stand the intense heat and succumbed as a result. From out of the twenty-seven grandchildren she selected six grandsons for pall bearers, a touching feature of the funeral services. The large concourse of friends, the profuse display of beautiful flowers, the deep sympathy shown the family, expressed the high esteem in which the departed wife and mother and friend was held in the community where she had spent so many happy years.

Walter Hesseflow went to Omaha last Friday and returned with his oldest child, who has been in a hospital for the past two weeks.

A NECESSITY

Mrs. Collier Says Could Not Keep House Without Black-Draught.

Hardin, Mo.—Mrs. J. W. Collier, of this town, who knows from experience of the merit of Black-Draught Liver Medicine, has following to say for publication: "I want to let everybody know that I have used Theodor's Black-Draught for many years, and it is just what is claimed for it. I am never without Black-Draught, and really I couldn't keep house without it. Whenever I feel bad, I take a small dose, and feel better right away."

I advise everybody who suffers from liver or stomach trouble to use Black-Draught Liver Medicine. For three-quarters of a century (75 years), Theodor's Black-Draught has been regulating irregularities of the liver, stomach, and bowels, and has long been recognized as the standard remedy. It is a figure in thousands of homes as the main stay of the family medicine chest. If you have not tried it, get a package from your nearest dealer, today. He sells it in 25c and \$1.00 packages, making it cost you only one cent a dose. NCB3

SARPY COUNTY TO BE SUED FOR AUTO ACCIDENT

Sarpy county has inherited a damage suit as the result of the automobile accident on July 30 when the automobile with six persons in it plunged into the waters of the Missouri river, due to it is said to the fact that the dangerous roadway had not been closed off from the travel of the public. The suit for damages will be started by Mrs. Clara Larson, mother of Harold Larson, who was killed when the auto crashed into the river, and who has just been appointed special administratrix of the estate of her son.

County Judge Risser at Lincoln, the home of the Larson family, has appointed the mother as special administratrix of the estate in order that she could start suit before it was barred by the statute of limitations, thirty days after July 30th.

Young Larson who was taken to such an untimely death was only seventeen years old. It is alleged that Sarpy county was to blame for failing to provide protection for the road which ended at the river bank.

CLASS OF 1902 OF P. H. S. GETS BUSY ON ALUMNI REUNION

The class of 1902 of the Platts-mouth High school held a very interesting meeting last evening to take up the work of arranging for the participation of the members of the class in the Home Coming festivities when the reunion of the alumni of the school will be held. This class has a large membership residing in the city and immediate vicinity that will give them a very strong representation among the classes of the school, and a large number of the non-resident members of the class will be here to take part in the gathering. The class will take part in the parade of the alumni, as well as hold a picnic dinner on the high school campus with the members of the classes that have in years gone by passed from the Platts-mouth schools as graduates. There will be no more pleasant feature of the festival than this reunion of the old graduates of the school and each class should take up the task of seeing that they are properly represented at the gathering on Friday, September 1st, on the high school grounds, where once more, for the day, the men and women will become the boys and girls of yesterday. If you are a member of any of the graduating classes of the Platts-mouth school, get busy and get in touch with other old students and have your class properly represented at the big reunion to be held here. It will be the chance of a life time to meet with the old school friends.
