STUDEBAKER! STUDEBAKER! STUDEBAKER!

We have just received a car load of Studebaker automobiles and are in a position to make your delivery at once which is certainly gratifying to a purchaser to not have to do the monotonous task of waiting for delivery.

We can show you a car that can not be surpassed in finish, room, seating capacity and "power" for any where near the price.
Our 4-cylinder, 40-horse power, 7-passenger body, 34x4 wheels, 112 inch wheel base at

\$875.00 f. o. b. Detroit

—and—

Our Six Cylinder, 50-horse power 7-passenger body, 122 inch wheel base, 34x4 wheels at

\$1085.00 f. o. b. Detroit

are values which no one can match. Our representative will be at Plattsmouth during the Home Coming week and anyone wishing a demonstration with either the four or six are invited to call at Amick garage at 6th and Vine where Wolf & Ault have opened temporary sales quarters.

The buying public are not doing themselves a justice without first seeing our product and seeing the performance of these cars built by the soundest corporation in the U. S. A.

We have just closed a contract with the Studebaker corporation of America for new territory. To eight mile Grove precinct we have been fortunate in adding Plattsmouth precinct, including Plattsmouth city and Rock Bluff precinct, also including Murray. Any person wishing a demonstration other than on Saturday can bring a 4 or 6 to their door by dropping a post card to Wolf & Ault at Cedar Creek, Neb.

You are not in any way obligated to us by reason of a request to call at your home for a demonstration. All we can ask is to "show you" even though you are not from Missouri. If we can not convince you in our efforts to prove the "power," "room" and finish as we claim them we have at least done our part.

COULD NOT WALK

And For Four Years, Could Not Stand Without Support.

Chillicothe, Ohio—"Nothing pleases me more than to speak a word of praise for Cardui, the woman's tonic," says Mrs. Ed Davis, of this town, "for I firmly believe that it snatched me from the grave.

I have been married 14 years, and had two children. After the youngest was born, I was not able to walk, and for four years, I was not strong enough to stand on my feet five minutes at the time, without something to support me.

Nothing seemed to do me any good, until, finally, I commenced using Cardui, the woman's tonic. I only used about four bottles, but, today I am well, can do my work, and walk as far as I want to.

I can never praise Cardui enough, and my neighbors cannot get done wondering at the change in me.

You, too, can depend on Cardui, because Cardui is a gentle, harmless, vegetable tonic, that can do you nothing but good.

Prepared from vegetable herbs, Cardui has a specific effect on the womanly constitution, and puts strength where it is needed.

Try Cardui.
