Does Prohibition Save the Boy?

The Promise:

State Prohibition is being urged on the citizens of Nebraska on the plea that it will save the boy.

Let us see whether Prohibition has saved the boys of Kansas, where state Prohibition has been tried for 35 years.

The Actual Result:

KANSAS,	Sentenced boy inmates Oct. 1, 1915:
Reformatory	330
Boys' Industrial School	264
Total for Kansas	594
NEBRASKA,	Sentenced boy inmates Oct. 1, 1915:
(No Reformatory)	none
Boys' Industrial School	199
Total for Nebraska	199

[The figures for Kansas were compiled by Chas. M. Harger, Chairman of the Kansas State Board of Corrections, and the figures for Nebraska were compiled by the Board of Commissioners of State Institutions.]

Why Do Three Times as Many Boys Go Wrong in Kansas?

J. K. Coddling, warden of the Kansas penitentiary, lays the blame on "The Little Alley Joins" that exist all over Kansas, where, he says, men and boys congregate night after night to play poker, shoot craps, and indulge in debauchery.

[See the warden's report on page 42 of the Proceedings of the Kansas Conference of Charities and Corrections, held at Lawrence, Kansas, November, 1915.]

Judge Roy T. Osborne, of Independence, Kansas On page 13 of the same report, says:

"In the little more than ten years the juvenile court has been established in Kansas, children under sixteen years of age, in this state, have committed practically every crime in the calendar, including murder in the first degree. * * * It is astounding to observe the absolute indifference of many parents to the moral welfare of their offspring. * * * In nearly every community there are places and forms of amusement unwholesome for children." * * *

M. G. McKenzie, Chaplain of the Reformatory in Kansas Says on page 59 of the First Biennial Report, Kansas State Board of Corrections:

"Of these boys, 202 acknowledged they drank more or less; 275 used tobacco, 77 gambled. Most of these boys ran around considerable, and were away from home, when they got into trouble; 265 were from homes broken by death or divorce." * * *

THE ALLEY JOINT in Kansas is the corrupting influence that lands so many Kansas boys in the Reformatory and Industrial School.

Prohibition Breeds the Alley Joint.

ANNUAL PICNIC OF THE ORDER OF THE EASTERN STAR

The annual picnic of the order of Eastern Star was held last evening at the Masonic home and the attendance was quite large from the members of the order in the city as well as a number of those residing out of the city. The evening was given over to a very extensive program of music and several pleasing readings which the talented members of the Eastern Star gave and which added immensely to the delights of the event. Among the numbers on the program that proved especially enjoyable was the solo given by Mrs. J. W. Gamble of Omaha, who was a guest on the occasion and favored her friends with one of her always delightful numbers. The evening was spent very pleasantly in visiting as well as enjoying the picnic that had been so pleasantly arranged and everyone present felt that it was sure one of the most delightful treats of years to be together for the gathering that has grown to be such an important event in the Eastern Star circles.

The feast prepared for the delight of the members of the party was then served and it is needless to say that everyone of the jolly party appreciated to the fullest extent the opportunity of being present. Those from out of town participating in the picnic were: Mrs. J. W. Gamble, Omaha; Mrs. Agnes Chapman, Lincoln; Mrs. Isaac King, Superior; Mrs. Helen Koontz, Havelock; Mrs. Henry Tartsch, Sioux City; Miss Mary Becker, Union; Miss Marjorie Walker, Murray and Miss Gluck.

BACKACHE IS DISCOURAGING

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Plattsmouth people recommend Doan's Kidney Pills. Read this case:

Mrs. Adam Kurtz, 818 Avenue C, Plattsmouth, says: "I was suffering intensely from my back and kidneys and couldn't stoop or stand erect. When I was on my feet, there was a dull, nagging ache through the small of my back which robbed me of my energy. My sight became affected and dark spots appeared before my eyes. Doan's Kidney Pills, procured from the Crescent Pharmacy, relieved me of all these troubles in a short time." (Statement given April 19, 1912).

On February 23, 1916, Mrs. Kurtz said: "I couldn't recommend anything equal to Doan's Kidney Pills for kidney trouble. Whenever I need a kidney medicine, I take Doan's Kidney Pills for they always do me good."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kurtz has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
