Does Prohibition Solve the Crime Problem?

Prohibition has not solved the crime problem in Kansas. The best evidence on this point is found in the First Biennial Report of the State Board of Corrections of Kansas. (The Latest available printed official report.)

We reproduce herewith from page 25 of the Kansas report the list of new prisoners (605) received at the Kansas State Penitentiary during the two-year period ending June 30, 1914, and the character of crimes committed.

Table 8. For Biennial Period, Ending June 30, 1914

Table with 4 columns: Character of Crime, No. Committed, Character of Crime, No. Committed. Lists various crimes such as Arson, Abduction, Assault, Burglary, etc., with their respective counts.

Local Option and High License Mean Regulation. Prohibition breeds the unregulated alley joint. The alley joint breeds criminals.
