Remember the regular services at the Christian church next Sunday morning and evening. The text for the morning service will be "The Ascending Christ," and the evening service, "Paul at Athens." A cordial invitation is extended to all.

When you want anything in the paper line remember that it can be found at the Journal office, the Cass County Paper House, both plain and fancy stationery, box papers, tablets, pencils and inks. The prices are always the lowest.

Z. W. Shrader is sure going into the sheep business this fall on a big scale. He shipped 1,000 head down from South Omaha Wednesday that were unloaded at Murray and driven to his farm six miles northwest of town. He will also feed about 100 head of cattle this winter.

W. W. Hamilton has moved his family to Omaha, where they are comfortably located in their new home for the winter. Mr. Hamilton will remain in Murray for a few weeks in order to finish up the work that he has under way, after which he will go to Omaha to make his future home.

There is still a shortage of freight cars on the M. P. railroad at this time of the year, when in the greatest demand. The Farmers' Elevator have on hand at the present time 10,000 bushels of wheat; 5,000 bushels of corn and 4,000 bushels of oats and the bins are full and overflowing, simply held in waiting for cars.

Mrs. Wm. Rice and daughter, Mrs. Alva Long and children, were attending the Home Coming last Saturday. They were driven to the county seat by Harry Long in the car.

Mrs. A. D. Crunk and little daughter, Francis, left Sunday for Deep Water, Mo., where they will spend a few weeks visiting friends and relatives.

Several months ago the Murray Commercial club, through their representative, Mr. W. G. Boedker, took up the matter of the railroad company installing an electric bell at the crossing here at the east end of Main street, and this week Mr. Boedker receives word that the bell has been ordered, and will be installed just as soon as possible.

J. W. Berger and Jack Shaw went to Plattsmouth last Friday where they attended the home coming celebration, arriving in the county seat just in time to join in the big auto parade that was forming on Lincoln avenue. "Bee" as he is better known to every one in and around Murray, is one of the busy men of this community and this was his first visit to the county seat for many months, but being one of the old timers of Cass County he could hardly pass up the home coming day.

SAME OLD STORY TOLD OVER AGAIN

Automobile Attempts to Cross the Track in Front of Oncoming Engine. One Man Killed.

This afternoon another automobile accident was added to the long list of those in the past few weeks, when one man was killed and another injured at the Missouri Pacific crossing in Union. The man killed was C. W. Wilson, and a letter on his person gave his address as St. Louis. The injured man was William Shriner, who resides in the vicinity of Dunbar, in Otoe county. The two men were riding in a Ford car and Shriner was driving, and they came down the main street of Union about 1:30 this afternoon, at a rate of speed estimated at between forty and fifty miles an hour. While running at this rate of speed the car was rushed on the railroad crossing just as a freight engine which was engaged in switching came from the north and struck the car, demolishing it and mangling Wilson in such a manner that he died at 2:50 from the injuries. The engine had been switching at Union for some time when the accident occurred, and was in the north part of the yards coming down just as the automobile at its high rate of speed came onto the crossing, and struck the car with great force. Wilson was injured in a terrible manner, having his ribs broken and sustaining severe internal injuries, from which he died about an hour after the accident occurred. The dead man was apparently about 50 years of age, and a stranger in Union, and in the condition of Shriner it was impossible to learn much of his identity beyond the letter that was found on his person.

WESTLEY BURNETT TAKEN TO HOSPITAL AT OMAHA

Wesley Burnett, one of the old residents from south of the city was taken to Omaha this morning where he will be placed in one of the hospitals there for treatment and an operation if necessary. Mr. Burnett has been suffering from stomach trouble for sometime and his condition has become such that it was necessary to have him taken to the hospital. While the condition of Mr. Burnett is very serious it is hoped that the operation may be successful in giving him relief from his sufferings. County Commissioner Julius Pitz accompanied Mr. Burnett to the hospital and will see that he is placed in the hospital.

NO FEAR OF THE THREATENED FAMINE IN PAPER

The American Newspaper Publishers' association sent, three weeks ago, to all its members, a telegram asking them to reduce the number of pages of their newspapers. Should this crisis grow worse and worse and even make the greatest reduction a necessity, one remedy will endure quietly such calamity. One line would be sufficient for it in any newspaper: Triner's American Elixir of Bitter Wine. A world of people know that this remedy gives the most reliable and quick relief for constipation, flatulence, belching, headache, loss of energy, weakness, malodorous of the stomach and the intestines, etc., and those who had convinced themselves of the effects of Triner's American Elixir of Bitter Wine are its best boosters. At drug stores. Price \$1.00.

The renown of Triner's Liniment is the same. Have it always at hand for rheumatism, neuralgia, pains in the back and neck, strains, swellings, etc. Price 25 and 50c, at drug stores; 35c and 60c by mail. Jos. Triner, Manufacturing Chemist, 1333-1339 South Ashland Ave., Chicago, Ill.

WM. HINER WILL MOVE TO TOWN

From Tuesday's Daily. William Hiner and family who have been residing in the vicinity of Murray for the past year have decided to once more locate in Plattsmouth for the coming winter and accordingly are moving their household effects to this city. The friends of Mr. and Mrs. Hiner will be very pleased to see them back in this city.

PIANO TEACHING.

Now that Fall is near it's time to think of that new Range. Don't put it off another year, you can't afford to. Of course the old range will hang together another year but what's the use? It's eating its head off every day that you continue to use it. Its stove putty is gone long ago—its joints are open and that means waste. Suppose you could cut your fuel bills in half—how long would it take to pay for a new range with what you save? Well, that's just what a MONARCH Range would do. That is a fact and the reason is because a MONARCH Range is air-tight in every joint. But it's not made tight with stove putty like your present range was when new. MONARCH Ranges are riveted tight. The iron is Malleable Iron, that means unbreakable. That's how these joints can be riveted—while the hammering that builds a MONARCH would smash the grey iron castings of a common range into a thousand pieces. It's all a question of Rivets vs. Stove Putty. Which kind of Tightness do you want in your Range? Get the booklet "Rivets vs. Stove Putty" and learn why the MONARCH is superior to other ranges. Come in and let us show you.

MR. AND MRS. FRITZ TIGNER ENTERTAIN FRIENDS

Mr. and Mrs. Fritz Tigner, residing four and a half miles west of Murray, entertained a number of relatives and friends in a most delightful manner at their pleasant country home, Sunday, August 27th. The occasion was in honor of Mrs. Laura C. Garrean and daughter, Miss Carmen, mother and sister of Mrs. Tigner, and Miss Nora Peeler, all of Bartlett, Ia., who have been visiting at the Tigner home for the past few days. At the noon hour the jolly company were invited to the dining room, where a most excellent three-course dinner, and one which the hostess only, knows best how to prepare, was served and to which all did ample justice. The afternoon hours were very pleasantly spent in social conversation, interspersed with music and various other amusements, there being a number of pictures taken of the guests. At a late hour the guests bid their hostess goodbye and departed for their homes, declaring them to be splendid entertainers. Those in attendance were: Mr. and Mrs. Henry Tigner, Miss Matilda Brandt of Plattsmouth, Mr. and Mrs. J. D. Tigner, James Tigner, Mary and John West, Mrs. Laura C. Garrean and daughter, Miss Carmen, and Miss Nora Peeler of Bartlett, Ia.

ANOTHER OLD PIONEER OF CASS COUNTY HERE

From Wednesday's Daily. Among the old pioneers of Cass county to visit in Plattsmouth during last week was William Leesley, of Greenwood. Mr. Leesley came to Cass county on June 8, 1850, and for a number of years was engaged in freighting across the plains, which occupation was then beset with many dangers and perils from the Indians, and the experiences of this splendid old citizen during these years was at times very startling. After four years of the freighting business Mr. Leesley engaged in other occupations, and in 1868 located on a homestead near Greenwood, where he has since resided. He enjoys his visits to Plattsmouth very much and was greatly pleased with the Home Coming and fall festival during his stay in the city. He met a number of the other old residents of this locality while here and this brought many reminders of the good old days.
