

A LOCAL LODGE ENJOYS VISIT TO NEBRASKA CITY

A Number of Local Sons of Herman Highly Entertained in Our Neighboring City.

Yesterday the members of the Sons of Herman lodge of Plattsburgh decided to show their fraternal spirit by a visit to the lodge at Nebraska City, and accordingly, several auto loads of the members left this city at 10:30 for the Otoe county metropolis. The auto trip through the finest part of Cass and Otoe counties was most enjoyable and the writer, who was in the car of G. H. Tams, which was in the lead, was permitted to enjoy to the fullest the fine prospective of the landscape, with the many fields of fine farms stretching on either side of the road. The corn looks as though the usual bumper crop was being secured and all the farm homes are in fine shape, and make a splendid appearance for the industry and prosperity of the residents throughout the route traveled. The roads, too, as a rule were excellent, with the exception of a small piece about two miles long south and west of Union in Otoe county, where the road is just about as poor as could be imagined, but with this exception the road is excellent and makes fine motoring. The Cass county roads are in good shape almost the entire distance from this city to the Otoe county line.

The expedition, under the direction of William Starkjohn as generalissimo, reached Nebraska City near the noon hour and the members of the party at once proceeded to enjoy dinner, preparatory to the pleasures of the day. The welcome extended by the Nebraska City members to their visitors was very enthusiastic and hearty and there was nothing that could add to their pleasure and enjoyment.

The Plattsburgh delegation was shown over the city by auto and made a complete tour of the Otoe county metropolis. The sightseeing party was in charge of Senator John Mattes and A. P. Young as the guides, and every point of interest in the city and vicinity was reached by the members of the party in the trip. Beautiful Morton park and Arbor Lodge, the home of the family, was visited, and this monument to the great man that had contributed so much to Nebraska City, was much admired. The visitors from this city were very much pleased with the trip and gratified at the treatment accorded them by their friends at the city.

At the Sons of Herman hall a number of addresses were given and the speakers, Mayor John P. Sattler, Senator Mattes, G. H. Tams and Max Pitzmeyer, all touched on the splendid enjoyment of the occasion and the gracious hospitality that had been shown the Plattsburgh delegation during their stay in Nebraska City. It was a very pleasant time for everyone and the large number in attendance felt that it was an occasion long to be remembered as one of the most pleasant in the history of the two lodges. Those who made the trip from this city were: Mayor J. P. Sattler, John Bauer, sr., Albert Sergun, Albert Lentz, William Starkjohn, Max Pries, August Rakow, Frank Steppatt, John Hirtz, G. H. Tams, Charles Ulrich, Max Pitzmeyer, Emil Hild and Frank Smith.

The trip was made in the former's car. They were east as far as New Hampshire and returned through New York. They report having had a delightful trip and that no trouble was had to speak of.—Newhawa News.

Catarrah Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube vented to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 15c.

THE HEAVIEST RAIN STORM OF THE SEASON LAST NIGHT

Last night one of the heaviest rain storms of the season visited this city and for several hours the downpour was intense, the water falling in sheets and in a very short time the streets were decidedly uncomfortable to cross owing to the depth of water. The rain seems to have been general throughout this section and for several miles south and as a result the roads are quite muddy and hard to travel. The rain lasted throughout the night but was the worst from 8:30 to 10 o'clock when the storm was at its height. The streets were cleaned off in fine shape by the rain and presented a fine appearance this morning. The lowering of the paving on Main street several years ago certainly has been one of the biggest benefits to the city that was ever carried out as despite the heavy rainfall and the immense volume of water that drained through the business part of the city, there was not the slightest damage done. The church attendants as well as others who were down town at the time the rain came up experienced discomfort in reaching their homes and the storm caused the automobile owners who were out to seek a place of refuge.

The beautiful home of Mr. and Mrs. A. S. SERIOUSLY BURNED IN SAVING HIS AUTOMOBILE

From Friday's Daily.
Leonard Meisinger is suffering from a very painful injury which he sustained as the result of his foresight in saving his fine Oakland automobile from destruction. It seems that one of the electric wires in the car had become short circuited while the car was in use, and as a result there was danger for a few minutes that the car might be burned up but Leonard, realizing the danger, tore out the wire and saved the car, but in doing so both his hands were badly burned and it was necessary to take an enforced layoff from his duties at the C. E. Wescott's Sons store while the injured hands are bandaged up. While the accident was one that was serious Leonard feels thankful that it was no worse and that his auto suffered no injury from the effects.

OWENS RELEASED ON BOND OF \$2,500

The young man waived a preliminary hearing and was bound over to the district court to await trial at the November term of the court. The bond being approved, Owens was released and allowed to go to his home.

MRS. ROY DODGE VERY ILL, BUT IS IMPROVING NOW

From Friday's Daily.
Reports from Omaha state that Mrs. Roy Dodge, who has been very sick at her home for the past several days, was showing much improvement, and this has greatly encouraged her family. It was thought at first that it might be necessary to have an operation performed in order to give the patient relief, but it is hoped now this will be avoided and that she will recover without the necessity of the operation. This will certainly be very pleasing to the relatives and friends in this city and they trust that Mrs. Dodge may continue to improve until she is once more able to be up and around.
