THE STUDEBAKER AUTO

Sunday the firm of Wolff & Ault delivered one of the fine large Studebaker Six cars to J. J. Meisinger of near Cedar Creek. Mr. Meisinger is among the last of his neighbors to purchase a car and as usual looked carefully into the various makes of cars and was very enthusiastic in expressing his opinion that the Studebaker Six was by far the quietest, most powerful motor he had examined, besides it had the room and finish and the fenders are in a class by themselves. Mr. Meisinger has also erected a fine large garage on his modern farm which reminds us again that he does not do things by halves but believes in doing them right while at it.

Mr. Wolff ran onto a prospect while in Plattsmouth Saturday and succeeded in the sale and delivery of a Super Six Hudson which he had in his garage for sale. He is to be recognized by the buying public as a salesman of marked ability, principally through the clean forward business judgment which has marked the success he has attained in his mercantile establishment at Cedar Creek. He has made a study of the automobile business and especially is he an expert on Studebaker cars, which brings to your mind the more forcibly the fact that should you buy a car from him you will get the benefit of his experience and naturally will get splendid service from the product he sells. Should you wish a demonstration you have only to drop a post card to his firm and a date will be arranged when you can see the car of "power" perform and hear its quiet motor and learn the many good points about the Studebaker.

Don't forget the dance in Cedar Creek Saturday night.

I have from this date closed my account books, and will in the future conduct my business on a cash basis. S. J. Reames.

There will be preaching at the church in Cedar Creek on next Sunday.

W. SCHNEIDER'S BIRTHDAY.

Last Sunday was Walter Schneider's thirty-fourth birthday anniversary, and in honor of the occasion, Mrs. Schneider had planned a gathering of friends and relatives. OLD LADY FEELING FINE

After Taking Four Bottles Of Cardui, The Woman's Tonic.

Cobden, Ill.—"Having used Cardui, the woman's tonic, in my family, for a number of years," writes Mrs. Kate Metz, of this town, "and always with such good results, I feel it my duty to write you about it, so that you may publish my letter.

My mother is living with me, and she is 52 years old. For the last three or four years, she has been troubled a great deal with cramping spells, and for days at a time, she would have a severe headache.

She read of how much Cardui has helped other women who were sick and ailing, and decided to give it a trial. She began taking it three times a day, and since then has been getting along simply fine.

Mother only used four bottles of Cardui, but she is no longer troubled with the severe headaches, and her stomach is so much stronger that she can eat most anything.

We both feel that any lady who is not strong and well, would be greatly benefited by the use of Cardui.

Try Cardui.—NCB 3

HEARS HUGHES SPEAK, NOW IS FOR WILSON

New York, Sept. 12.—Former Senator H. C. Hansbrough of North Dakota, who served eighteen years in the United States senate as a republican, announced that he intends to support President Wilson for re-election. He reached this decision after hearing one of Charles E. Hughes' speeches.

"I am going to support the president as a Wilson republican," the ex-senator told National Chairman V. C. McCormick.

Former Senator Hansbrough, who was three times elected to the United States senate by the republicans of North Dakota, said that he was enroute to his home at Devil's Lake and intended to enter the campaign actively in behalf of the democratic national ticket.

"One of the reasons that I cannot vote for Mr. Hughes, is that I cannot conscientiously take orders from Theodore Roosevelt and George W. Perkins," continued the ex-senator.

"I know them of old."

"After hearing the Grand Forks address of Mr. Hughes and noting the fact that this tour of the northwest was stimulated by the active presence of the president of the Great Northern railway. I've been wondering how many members of the non-partisan league, when they vote in November, will take account of the real issue in this campaign.

"I am for Wilson, a Wilson republican, because I believe in the principles of Abraham Lincoln rather than a man who represents the special interests and privileged classes as distinguished from the true democracy of the country."
