Does Prohibition Reduce Crime?

The Statistics of the U. S. Government for the year 1910 shows:

In Nebraska, with saloons:	
Persons committed to prison.....	5,888
In Kansas, with prohibition:	
Persons committed to prison.....	3,594

Prohibition and Higher Land Values!

The U. S. Government "Monthly Crop Report" for April, 1916, (the same one from which "The Nebraska Prosperity (saloon) League" quoted) shows:

In Nebraska, with saloons:	
Farm Lands average value per acre.....	\$ 76
In Iowa, with prohibition:	
Farm Lands average value per acre.....	\$153

According to the logic of "The Nebraska Prosperity (saloon) League" VOTE DRY AND DOUBLE THE VALUE OF YOUR LAND.

The Nebraska Prosperity (saloon) League" tried to show that "After Prohibition" property sold in Nashville, Tennessee, at less than its assessed value.

In Plattsmouth, Nebraska, with seven saloons, A. L. Tidd, of this city, about 3 years ago, purchased a THREE STORY BRICK BLOCK, on Main Street, for \$1, 200.00, which was valued for assessment purposes at \$2,500.00.

Thus with saloons town property sold for less than one-half the value put on it for assessment purposes.

CHARLES KEIL'S FORD CAR WAS STOLEN IN OMAHA

Charles Keil of near Cedar Creek has been mourning the loss of his Ford car for the past few days, having suffered the loss of it in Omaha, and not a sign of the missing car has been heard of, although there is a reward of \$100 offered for its return. Mr. Keil was in Omaha Saturday, where he was called on a few business affairs, and not realizing the danger, left his machine for a short time on one of the prominent streets of the city and spent a short time looking after his business affairs, and on his return, lo and behold, the car was gone and has not been heard of since. The list of automobiles that have disappeared in the metropolis is constantly growing and the vast number of machines in use make it difficult to locate the thieves.

MRS. JOHN FASSBENDER IS SERIOUSLY SICK

The many old friends here of Mrs. John Fassbender will regret greatly to learn of her serious illness at her home in Nebraska City and as a result of which she was compelled to undergo a surgical operation at her home in that city yesterday morning. The operation was performed by Drs. Fegers and Watson of Nebraska City and at last reports the patient is getting along nicely and showing signs of improvement although it is too soon after the operation to fully determine the outcome of the case. A trained nurse from the Clarkson hospital in Omaha is attending Mrs. Fassbender. It is certainly to be hoped that future reports from the bedside of this estimable lady will tell of her continued improvement. The Fassbender family were residents of this city for a number of years before moving to Nebraska City and are held in high esteem by the large number of friends in this city.

The funeral of Mrs. Green will be held tomorrow afternoon at 3 o'clock from the county farm and interment will be in Oak Hill cemetery. Mrs. Green leaves to mourn her death the husband, and one son, Jesse Green.
