FUNERAL SERVICES OF MRS. ED THRALL THIS MORNING

The funeral services of the late Mrs. Ed Thrall was held this morning at 10 o'clock from the St. John's Catholic church, of which she had been a member for years. The services were attended by a large number of the friends of the family who gathered to pay their last tribute of love and respect to this estimable lady, who had been taken so suddenly from their midst. The wealth of floral tributes spoke of the deep feeling of regret that the death of this lady had occasioned. The beautiful and impressive mass of the church was celebrated by Rev. Father M. A. Shine, rector of St. John's church, and in his sermon Father Shine paid a tribute to the devotion and earnestness of the departed in her life and in her duties to her family and to her faith. At the conclusion of the service the body was conveyed to the Catholic cemetery, where it was laid to rest in the family lot.

NURSE RELIEVES MUCH SUFFERING

The Patient She Helped Makes Interesting Statement.

Madison, Wis.—Mrs. Oscar Day, of 1606 Monona Ave., Fair Oaks, this town, says: "Before my baby was born, I suffered terribly with womanly troubles and nervousness, and was living in a state of fear all the time. One day, an old friend of mine, who, by the way, is a nurse, and goes around to all cases, brought me a bottle of Cardui, the woman's tonic, and told me to keep on taking it right along. I did, and felt much better after the first bottle. I kept on taking it, and had as little trouble as anybody could wish for. Feeling very good now.

There never was a better medicine for women than Cardui, and I will recommend it to any one who is in need of it. This nurse uses Cardui with her patients, so it is well known all around here.

I am never without a bottle of Cardui in my home."

We urge you to try Cardui, the woman's tonic, for your troubles. It will help you over the hard places, just as it has thousands of other women.

Don't delay. Begin taking Cardui today. You won't regret it.

The short courses, which are of nine weeks' duration, will begin November 16, at the opening of the second quarter. These will include courses in commerce, manual training, domestic science and agriculture, besides a number of advanced lectures and the review of certified branches.

On last Wednesday the Budget Committee had charge of the convocation period and presented the budget system, by which it is made possible for students and citizens of Peru to receive, at a great saving in expense, a budget ticket which admits the holder to all school events which require paid admission. This system has been used very successfully for the past three years.
