## TO HOLD CONVENTION IN OMAHA

The Meeting Will be Held in the Brandeis Theater November 2, 3, 4 and 5, Inclusive.

The thirtieth anniversary Christian Endeavor convention will be held in Omaha at the Brandeis theater November 2d to 5th, inclusive, and the Christian Endeavor societies of Omaha are making every effort to make this one of the greatest Christian Endeavor conventions Nebraska has ever known. They had planned on holding this convention in the auditorium of the new Presbyterian church, but as this building will not be completed before the first of the year, arrangements were made for holding this convention at the Brandeis theater as there was not another church building large enough to accommodate the large number expected to be in attendance. They have prepared a very interesting program, with some very strong speakers on it, such as C. C. Hamilton, national field secretary; A. J. Shartel, united society treasurer; William Bell of Los Angeles, who is bishop of the United Brethren church for the Pacific coast, India and the Philippines; Frank Lowe, jr., international Young People's secretary of the Christian church; President C. A. Mock of the United Evangelical college of Lemars, Ia.; Daniel Poling and others. On Saturday evening, November 4th, a 200-voice choir will sing the "Hallelujah Chorus," "The Heavens Are Telling," and there will be two other choruses, accompanied by the Omaha Christian Endeavor orchestra. They will also be favored with solos and quartets from some of the best professional talent in that city. On Saturday evening, November 4th, Madame Laure de Vilmar will sing. On Saturday afternoon, November 4th, at 3 o'clock, an automobile parade consisting of 200 cars decorated with their home society pennants will take place. Arrangements have also been made for a reception committee to meet all incoming trains and direct all delegates to convention headquarters. A number of the Christian Endeavor workers of this city are planning on attending a number of the sessions.

## WANTS BANKERS TO AID RAILROADS

Great Western Head Asks Them to Use Influence With Legislators.

President S. M. Felton of the Great Western railroad Tuesday afternoon advised members of the Nebraska Bankers' association, in convention in Omaha, to influence legislators to be easier on railroads.

"Persuade them," he said, "that they are squeezing the life-blood out of railroads by their 2-cent fare laws."

Mr. Felton recited figures showing that railroad passenger revenues have decreased on account of automobiles and electric road business. He said the railroads, by their tax payments, help to build automobile roads.
