

# A Wolf in Sheep's Clothing

Very accurately describes state-wide prohibition. Be not deceived.

The claim that the proposed prohibition amendment will make Nebraska "dry" is a fraud.

Those who propose a law that is to be submitted to a vote of the people are expected to file with the Secretary of State an explanation of what the law undertakes to accomplish.

Over the signature of the Nebraska "Dry" Federation appears this explanation:

*"The proposed amendment does not attempt to deal with the habits and appetites of our citizens."*

This is the naked fraud that is put before the unsuspecting voters of Nebraska.

In plain language, addressed to the drunkard, the bootlegger, to the boy and to the young man, the actual promise of the amendment is:

*"Buy a money order. Mail-order any quantity of beverage from Chicago, St. Joseph, or Kansas City. Our so-called prohibition law permits you to be as intemperate as you like so long as you purchase outside of your own state."*

There can be no denial of the fact that these are the conditions offered Nebraska under the fraudulent prohibition law we are to vote on.

# The Yoke of Prohibition Is Heavy

For if this amendment is adopted, it will fasten on Nebraska the demoralizing conditions now prevailing in other prohibition states.

In Kansas this fraudulent brand of prohibition has prevailed for thirty-five years, and has made the vile, unspeakable alley-joint a fixture in nearly every community. In the past two years Kansas sent 85 murderers to prison, Nebraska, in comparison, sending only 29 in the same period. On June 30, 1916, the number of convicted felons confined in state prisons in Kansas was three times the number imprisoned in Nebraska. It cost Kansas taxpayers over \$701,000 in the two years to guard and maintain her convicted felons, as against a cost of \$325,000 in Nebraska.

This is what the fraudulent prohibitory amendment is offering Nebraska, instead of a Nebraska "dry." Look these facts square in the face and decide if you want these conditions to prevail in Nebraska. Think it over!

## PREPAREDNESS

Buy your bottle of Foley's Honey and Tar now, and quickly stop the coughs and colds of early fall. Early fall brings croup, bronchitis, asthmatic breathing, troublesome night coughs, whooping cough, and tickling, irritable throat. It aggravates the distressing cough of weak lungs, and the chronic coughs of elderly people. It gives "snuffles" to infants and children and provokes adenoids and sore, inflamed throats. Give Foley's Honey and Tar freely. It is so soothing and curative, relieves hoarseness and puts a healing coating on the inflamed mucous lining of the throat. It stops coughing easily and quickly and relieves croup before this dreaded thing has a chance to really harm the children or scare the parents. The last dose is just as good as the first, and a less amount is needed than of any other cough medicine. So see to it that you get only the original FOLEY'S HONEY AND TAR, for it is the only genuine, and contains no opiates. Sold Everywhere.

The affair was given in honor of the birthday anniversary of Mr. Lutz and was a complete surprise to him. Well filled baskets had been prepared by the visitors, and at the customary hour an excellent luncheon consisting of all the good things of the season was spread. There were quite a number of Murray people present.

Miss Leora Brown, who is attending Cotner college, came down Tuesday evening with a party of her classmates for the purpose of enjoying a Halloween party at the home of Miss Brown's parents, Mr. and Mrs. James Brown, south of Murray. ### Library Doings.

The Murray Library association met at the library rooms Tuesday evening to listen to the paper and talks given by Miss Verda Thorpe and O. A. Davis. The subject chosen by Miss Thorpe was "The Relation of the Library to the School." Her talk was certainly well worth the effort, and should have been heard by many more of our citizens. Mr. Davis' talk was also very interesting on the subject of "Relation of the Library to the Farmer," and pointed out the many advantages they both might gain with co-operation. The new books of the association are now on the shelves, all of which will have a seven-day limit on them for three months. In this way all members will have an opportunity of securing them as early as possible, all being able to read them during the winter. Miss Thorpe has very graciously condescended to act as librarian for the winter, and will catalog the library and put it on a basis with the larger towns. Mesdames Minford and Gopen and Miss Pauline Oldham served the refreshments.

### Birthday Anniversary Surprise.

Miss Anna Wagner, daughter of Mrs. George Wagner, was greatly surprised Saturday evening when a large number of her friends gathered at her home east of Murray to celebrate her birthday anniversary. This surely was a great surprise to Miss Wagner and the many gifts she received will always be a remembrance to her of her thoughtful friends.

The evening was passed very happily, which consisted in singing, dancing and music furnished by members of the party.

At a late hour a delicious luncheon was served and the many friends wished Miss Wagner many more such happy birthdays and they desired to again be able to celebrate them with her, and again have such a delightful time as they had on this evening.

### A MIGHTY GOOD RECORD.

From Wednesday's Daily. Another of the top notch records in the corn shucking line which has been reported is held by Louie Baumgart, who yesterday, at the farm of P. T. Becker, west of this city, shucked and cribbed 133 bushels of corn in ten hours. Louie not only got away with this splendid showing yesterday, but up to noon today had shucked sixty-six bushels and was in a fair way to beat his record of yesterday. This is the best one of the corn shucking records so far this season, and will be hard to beat.
