

As the last edition of the Pharmacopoeia of the United States does not recognize Whiskey or Brandy, they together with other liquors being deemed of insufficient medicinal value to merit such recognition, we have decided to put the following rule in force, from this date on

WHISKEY, BRANDY, WINES

or any other preparation containing alcohol, intended for internal use, will not be dispensed by us, upon prescription or otherwise, except when each fluid ounce contains at least the average U. S. P. adult dose of some drug or drugs of recognized therapeutic value, either singly or in compatible combination, thus rendering it impossible as a beverage.

ALCOHOL

will only be dispensed by us, upon prescription or otherwise, when rendered unfit for internal use, by mixing it with other substances, according to one of the formulae, approved by the government, and set forth in article 1, Treasury Decision No. 1731, copy of which may be seen at our store.

You will please note that this does not prevent the use of liquor in conjunction with other medicines, it makes it impossible however, to use mixtures prepared as above in larger than one ounce quantities without taking a double dose of medicine, as we must so prepare it. This rule will be absolute. Alcohol prepared as above cannot be used internally.

In effect November 1, 1916.

IN THE COUNTY COURT OF THE COUNTY OF CASS, NEBRASKA.

In the matter of the estate of William M. Standley, deceased. To all persons interested in said estate, creditors, and heirs, take notice that Ulysses G. Standley has filed his petition, alleging that William M. Standley, died intestate in Cass County, Nebraska, on or about the 14th day of October, 1895, being a resident and inhabitant of Cass County, Nebraska, and the owner of the following described real estate, to-wit:

Southwest quarter of section thirty (30) township ten (10) range nine (9) east 6th P. M. Cass county, Nebraska. Leaving as his sole and only heirs at law the following named persons, to-wit: his widow, Laura Standley, and the following named children: Effie J. Standley, now Effie J. Dillon; daughter; Eltha M. Standley, son; Florence H. Standley, now Florence H. Shaw, daughter; Dick H. Standley, son; Ulysses G. Standley, son; all of whom are now of lawful age, and praying for a decree barring claims.

That said decedent died intestate; that no application for administration has been made, and the estate of said decedent has not been administered in the State of Nebraska, and that the heirs at law of said decedent as herein set forth should be decreed to be the owners in fee simple of the above described real estate, which has been set for hearing on the 4th day of December, 1916.

By the Court: ALLEN J. BEESON, County Judge. First publication, 11-12-1916. 3 successive weeks.

Milk in Winter.

Why do your cows give less milk in winter than they do in summer? Just because nature does not supply them with grasses and green food. But we have come to the assistance of Dame Nature with B. A. Thomas' Stock Remedy which contains the very ingredients that the green feed supplies in season, only, of course, in a more highly concentrated form. We guarantee that this remedy will make your cows give more milk, and better milk with the same feed.

LIBRARY BUILDING SOLD.

The building that was formerly occupied by the Plattsmouth public library was sold today to J. V. Hatt. Mr. Hatt will have the building remodelled into a residence, which will make a very cozy home for Mr. Hatt and family. The building and location are very desirable, lying right in the heart of the business section of the city.

Physical Insolvency Awaits For Those Who Abuse Stomachs.

MEALS SHOULD PAY DIVIDENDS

Tanlac Health Expert Chats in Novel Way of Bodily Problems and Describes New Treatment Which Has Proved Tremendous Success Everywhere Introduced—"Tired Feeling" No Joke.

"Are your meals paying you dividends?" "Or are they plunging you into physical bankruptcy?" These were novel questions the Tanlac health expert recently asked. He continued:

"Every meal you eat should give you more than mere satisfaction of your hunger. It should add to your supply of blood, bone and muscle. It should give you more strength, more vigor, more vitality to carry you pleasantly and profitably through life.

"Tired Feeling" No Joke. "You will notice that some people never get plump. No matter how much or how little they eat, they remain scrawny and thin. They are weak, anemic, easily exhausted, and afflicted with 'that tired feeling,' which is no joke, but a symptom of dangerous illness on the way. Such people are seldom happy. They are always weary, and often nervous and irritable.

"They don't sleep well. Their stomach is a source of constant distress and discomfort. Belching and bloating from gas, headaches, dizziness, indigestion, dyspepsia, pains in the back, and other ailments keep them almost constantly miserable.

"Tanlac Great Success. "Tanlac, the new tonic which has been having such wonderful success everywhere it has been introduced, is designed to relieve disorders which have their origin in a run down condition of the digestive and assimilative organs. Its success as a reconstructive tonic, appetizer, invigorant and revitalizer depends in large part upon its having aided digestion and promoted assimilation, so that food taken into the system becomes a benefit. When the stomach and other digestive organs are in good condition, the foundation of health has been laid.

Tanlac is being specially introduced in Plattsmouth at the Mauzey Drug Company.

Tanlac may also be obtained in Springfield, at H. Feigenbaum's store, and in Weeping Water at the Meier Drug Company.

DR. JOHN L. BROWN OF MYNARD PASSED AWAY

From Wednesday's Daily. Yesterday morning Dr. John L. Brown, who has been ill at his home at Mynard for the past few months, passed away at 7:15, despite all that skill and the loving ministrations of the members of the family could do to check the ravages of the malady from which the doctor has been a sufferer for the past few years. Dr. J. L. Brown was a native of New York, where he was born sixty years ago, and came to Nebraska thirty-seven years ago, locating first at Auburn, where he was for a number of years engaged in the practice of his profession of veterinarian. Some six years ago he came to Mynard with his family and located, where he was very successful in the practice of his profession. The years of his actual service in the veterinarian line covered of thirty years, and he won the reputation of being one of the ablest men in his line in this section of the state.

Two years ago, the Brown home was stricken when the wife and mother was taken away by death, and later, in 1915, Dr. Brown was married for the second time. Four children, the result of his first marriage, and the widow are left to mourn his death. The children are Nellie, Della and Ruth Brown of Mynard, and Louis Brown of Seward. At the time of the death of Mr. Brown all of the daughters and the wife were at his bedside.

Republicans Reported Unofficially to Be Ahead and Insist Will Lead in House.

Washington, D. C., Nov. 14.—Champ Clark, speaker of the house, reached Washington today and conferred with democratic leaders regarding the congressional election which, according to the latest unofficial returns, leaves control of the next house in doubt. The speaker first conferred with Representative Doremus of Michigan, chairman of the democratic congressional committee, who predicted despite unofficial returns indicating the election of five more republicans than democrats, that the final canvass would give the democrats control and the speaker would be re-elected.

On the other hand Representative Woods of Iowa, chairman of the republican congressional committee, was insisting that complete returns would show gains instead of losses and that republicans will dictate the organization of the house.

Representative Doremus claimed early in the day at the White House that 212 democrats and only 211 republicans surely had been elected and that there were nine doubtful districts. He reiterated this later to Speaker Clark, Senator Stone of Missouri and other democratic leaders, enumerating districts which he believed would show democratic victories on the official count. During the day, however, there were no changes in the unofficial results, now indicating the election of 217 republicans, 212 democrats and two progressives, one progressive-protectionist, one independent, one socialist and one prohibitionist.

Doremus' Claim.

Representative Doremus in his statement of doubtful districts at the informal conference of party leaders, claimed that official returns would reverse the result and show the election of W. O. Martin, democrat, over W. P. Martin, progressive-protectionist, in Louisiana; Sebulon Weaver, democrat, over James J. Britt, republican, in North Carolina; Thomas J. Scully, democrat, over Robert Carson, republican, in Michigan; T. J. Steele, democrat, over G. C. Scott, republican, in Iowa, and M. C. Kelly, progressive, over William H. Coleman, republican, in Pennsylvania.

In addition, Mr. Doremus insisted that Clyde H. Tavenner, Fourteenth Illinois; Harry B. Mitchell, Montana, at large, and Thomas G. Patten, Eighteenth, New York, all apparently defeated by republicans, had excellent chances of ultimate success.

Unofficial returns in disputed districts show the election of W. P. Martin of Louisiana by 19 votes; Britt, North Carolina, by 13; Carson, New Jersey, by 11; Bacon, Michigan, by 100; Scott, Iowa, by 73; Coleman, Pennsylvania, by 27; Francis, Eighteenth, New York, by 2,626, and Graham, Fourteenth, Illinois, by 1,522.

Claim of Republicans. Republican leaders are claiming that final results will show the election of A. J. Barchfeld, republican, over Guy C. Campbell, democrat, in the Thirty-second Pennsylvania district, and Robert F. Duer, republican, over Jesse D. Price, democrat, in the First district of Maryland.

Announcement of a contest in the Maryland district was made today. In the Thirty-second Pennsylvania district, on the official count today, Campbell, democrat, had made a net gain of twenty-three votes in two Pittsburg wards.

Speaker Clark evinced great interest in the claims of the democratic congressional chairman and announced that the situation was "very interesting."

"The only thing to be done," said the speaker, "is to watch the official count in all the districts and wait for the final results. Three times in the history of the government there have been prolonged contests over the election of a speaker. Twice it took three months and once it required two months and a half to elect the speaker."

BOARD REFUSES LICENSE.

From Wednesday's Daily. The board of county commissioners at its session yesterday afternoon passed upon the application of Hans Schroeder to conduct a pool hall at Cedar Creek, and decided not to issue the license.

CARD OF APPRECIATION.

I desire to thank my friends, both democrats and republicans, for the handsome vote given me as road overseer in Plattsmouth precinct, and assure them that I will strive to see that the district will receive the best possible service I can give them. C. F. VALLERY.

BURLINGTON FILES SUIT TO TEST THE ADAMSON ACT

Lincoln, Neb., Nov. 14.—The Chicago, Burlington & Quincy railway today filed suit in federal court here to test the Adamson eight-hour law. United States District Attorney Allen and several railroad men are named as defendants. A temporary injunction is asked to restrain Allen and the others from enforcing the law.

Chicago, Nov. 14.—Another attack on the constitutionality of the Adamson law was made here today when suit similar to those of other roads was filed by the Illinois Central.

Just how these suits, which have been filed in a number of federal jurisdictions shall be tried lies within the discretion of the judges. District attorneys may recommend test cases, but it is said to rest with the judges whether to lump the cases or to try each complaint separately. District attorneys, it is said, will receive instructions as to procedure from Attorney General Gregory.

St. Paul, Minn., Nov. 14.—The Great Northern railway today asked the federal district court here for an order to prevent the enforcement of the Adamson law. The suit is the first filed by a road in this territory.

A NECESSITY

Mrs. Collier Says Could Not Keep House Without Black-Draught.

Hardin, Mo.—Mrs. J. W. Collier, of this town, who knows from experience of the merit of Black-Draught Liver Medicine, has following to say for publication: "I want to let everybody know that I have used Theodor's Black-Draught for many years, and it is just what is claimed for it. I am never without Black-Draught, and really I couldn't keep house without it. Whenever I feel bad, I take a small dose, and feel better right away. I advise everybody who suffers from liver or stomach trouble to use Black-Draught Liver Medicine."

For three-quarters of a century (75 years), Theodor's Black-Draught has been regulating irregularities of the liver, stomach and bowels, and has long been recognized as the standard remedy. It is a fixture in thousands of homes as the main stay of the family medicine chest. If you have not tried it, get a package from your nearest dealer, today. He sells it in 25c and \$1.00 packages, making it cost you only one cent a dose. NCB
