IRREVERSIBLE WORM Steering Gear for Ford Cars

Jack Mulford who represent Pickons & Co., traveling his acrifory in an automobile met with a peculiar and distressing accident about five miles east of Bradford. It seems that a sudden gust of wind blew off his hat and in attempting to catch it he let go of the steering wheel. Unfortunately at that moment the wheels struck a rut, the car turned

+ IN PLATTSMOUTH FORTY YEARS AGO. 4

Mrs. O'Keefe and daughter left their Plattsmouth home last week to 3. & M. railroad.

We are very sorry to learn that sheriff Hver's bright little boy is lead. The funeral took place at Weeping Water Monday.

Miss Alice Pollock returned from Decatur, Ili., last Thursday, where she has been studying music for some Address time, but had to refurn home on account of poor health.

Mr. John Bauer called last Monday and ordered his paper sent to Germany, where he goes for a two months' visit. The Herald wishes him idence, where he now lies crippled a pleasant visit and a safe return. George LaRue of Union Mills, a or four months, good republican and postmaster at Union Mills, called yesterday.

Thomas Jefferson Thomas has forty head of cattel brought in lately t feed, by the Todds and Thomasas, H. J. Streight and son, Eddie, of South Bend, called on the Herald yes-

Mr. and Mes. A. W. Melaughlin, Mrs. John R. Chark, Mrs. Charles Mr. Wm. Graves, who has been very Vates, Mrs. H. C. Parmele, Mrs. R. R. sick with lung fever. We are now Livingston and Miss Anna started for glad to be able to state, that he is now they will remain a couple of weeks. | thought very doubtful at first.

ELCO-LIGHT is a compact, efficient and economical electric plant for farm, village and suburban homes.

Delco-Light furnishes electricity for lighting the house and other buildings—it has a capacity of 40 to 50 lights.

Delco-Light also furnishes power to operate small machinery.

It does the washing. It pumps the water.

It operates the cream separator. It churns the butter.

It drives the sewing machine and the vacuum cleaner. It brings city comforts and conveniences to the farm and

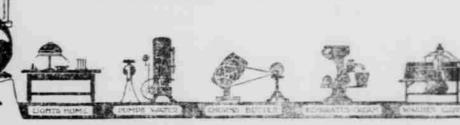

takes away much of the drudgery of farm life. It is so simple that a child can operate it. It has been developed by the same engineering and manufac-
