H S JUMP EARER FIFTEEN DOLLARS

T $14 20 Reached in Omaha, h Market Wild and Demand Steady.

s made another long jump to- $15 yesterday.

Omaha market was topped by l of fifty-four head, averaging ounds, which "Web" Mills of urke-Rickley firm sold for $2.- 1, or at the rate of $14.20 per- ed, the highest price ever paid gs in Omaha.

Chicago top quotations were 0, and Kansas City gave a top nts lower. St. Louis quoted op at $14.45. Receipts were on- oderate, and the big demand was for heavy hogs. Packers and pers alike have been competing the big hogs for weeks, and the e has steadily been climbing. n, a few days ago it was suggest- ted the $15 mark would soon be reached, some commission men thought the mark was set a little high, as they looked on the $12.65 figure then quoted as about the limit.

None of the wise men undertake to account for the conditions that govern in the hog market today. It has gone "wild," and the men who handle the business are as much at sea now as ever. Heavier offerings in December, January and February were absorbed, with the price steadily going up, and now that the run has slacked off a little the demand seems to be as urgent. For example, the market closed at $13.80 top on Monday. Just about day break Tuesday morning the first sale was made at the Omaha yards, $14 being the price, a 20-cent raise to open on.

Sheep and lambs have felt the excitement, too and are going up in price, while the beef market is responding slightly to the impulse.

SALE OF ROADS CONFIRMED.

St. Louis, March 6.—The sale of the St. Louis, Iron Mountain & Southern and the Missouri Pacific railroads at foreclosure on February 21, was confirmed by United States Circuit Judge Hook here today. The court referred to a special master the claims of several hundred shippers that the sale be set aside. These shippers claimed that the railroads were indebted to them for overcharges during the period the Missouri Pacific rate laws were in litigation. The master was directed to report on April 15, whether the shippers are to be considered as preferred creditors. The two railroads were bought by the reorganization committee and the property is to be turned over to the new Missouri Pacific company, which was incorporated under Missouri laws, yesterday. It is understood that B. F. Bush, now receiver, will be elected president of the new company, which will absorb all the Missouri Pacific and Iron Mountain lines.

Heap big mileage!

Mileage Makers

Every Savage mileage maker gets full credit for good work because all work is "keyed" to the serial numbers on the tires. We know in every case just who is responsible for "Heap big mileage."

This plan creates a strong sense of personal responsibility and pride among our workmen, and there is keenest rivalry to see who can produce most mileage per tire.

You can help us to produce even greater mileage for you if you will send us full details of all Savages that run over 7000 miles

Please be sure to give Serial Number, size of tire, date of purchase, name of dealer, and actual number of miles run.

To help show our appreciation for this co-operation, we will send an inner tube patch free of charge to all who report, "Heap Big Mileage."

ODD FELLOWS ENJOY A FINE MEETING

From Wednesday's Daily.

The members of the Odd Fellows' lodge of this city held one of the most interesting meetings in the history of the order last evening and the rooms of the order were filled by a very large attendance of the members of the local lodge, as well as visitors from Nehawka, Weeping Water, Louisville, Cedar Creek and other of the nearby towns to witness the degree work as exemplified by a team from the Omaha lodge of the order. The work was pronounced very impressive by the members and the beautiful lessons of the Odd Fellows were given in a manner that could not but be impressive to every one of the members present. The members of the degree team arrived on No. 14 at 9:30, and were met by an escort at the Burlington station and escorted to the rooms of the I. O. O. F., where the session of the lodge was opened. The work of the degrees consumed several hours and it was past the midnight hour when the work was completed and the members permitted to enjoy a luncheon. The meeting was one that was very inspiring in every way to the membership of the order in this city and the greatest of interest was manifested in the work of the degree team.

SON ARRESTED AS THE SLAYER OF PARENTS

William Becker, Charged With Murder of Parents at Mason City, Ill., Last December.

From Wednesday's Daily.

Another chapter in the murder mystery of the death of Mr. and Mrs. J. P. Becker, at Mason City, Illinois, has been brought fourth by the grand jury in that city who have been investigating the story of the crime, as the grand jury ordered the arrest of William Becker, a son of the aged couple, charging him with a part in the crime, that will go down as one of the most brutal in the state of Illinois. The aged couple were murdered in their home near Mason City on the night of December 17th, and the person committing the crime attempted to burn the house. The husband and wife had been shot and beaten to death. The crime aroused the entire country where the old people had resided for years and the most skillful detectives from the large cities have been on the ground seeking to fix the crime. Two young men residing in the vicinity of the Becker home were arrested for the murder but the investigation by the grand jury has resulted in the son of the murdered couple being held. William Becker who has been arrested was the confidential secretary of his parents and handled hundreds of thousand of dollars for them in the last few years when their feebleness did not permit them to look after the business themselves. As soon as the news of the arrest was learned at Mason City a great mob gathered determined to lynch the son and it was only by the clever ruse of Sheriff Close of Mason county, that it was prevented. The sheriff was enroute to Havanna, Illinois, with the prisoner to place him in jail when he learned of the comingfi of the mob who were determined to visit swift justice on the prisoner. He turned his automobile toward Pekin but a messenger warned him of the approach of another part of the mob. The sheriff then backed his car into the brush along the roadway and thus concealed, the mob failed to locate the sheriff and after they had passed in automobiles he was able to reach Lincoln where the prisoner was lodged in the Logan county jail under special guar and being held for trial without bond.

As will be remembered the murder of Mr. and Mrs. Becker attracted a great deal of attention in this county where a large number of their relatives reside and where they have considerable property interest.
