## SESSION OF EAGLES AT NEBRASKA CITY ENJOY BIG MEETING

The Eagles' state aerie, which is meeting at Nebraska City this week, will close today, after one of the most largely attended and interesting sessions in the history of the order in the state. The state officers selected were as follows: Worthy president, Ernest Hahn, Fremont; vice president, George F. Freeman, Hastings; state chaplain, F. H. Rueter, Syracuse; secretary, M. V. Every, Norfolk; treasurer, C. Christianson, Omaha; William P. Frank, Nebraska City; inside guard, William Barclay, Plattsmouth; outside guard, Phil Arkeman; trustees, Fred G. Mower, E. B. Decker and J. B. Jondro; delegate to grand aerie, C. L. Meyers, Lincoln.

The state aerie voted to hold the 1918 session at Fremont.

The Eagles at their session Wednesday morning sent greetings to President Wilson and the pledge of this great fraternal organization to the support of the country in the present crisis. The resolutions were signed by R. E. Landes, president, and M. V. Avery, secretary, and wired to Washington, as follows:

"In the present national peril we pledge to the president of the United States our unqualified loyalty, and the unqualified loyalty of every member of the order, and assure him that in the impending struggle every Eagle will do his patriotic duty whatever his task may be, to the end that the honor of our flag remain unscathed, and the safety of our great nation and the lofty ideals of the American people be made secure, and that democratic governments throughout the world be made permanent."

The selection of Mr. Barclay as one of the grand lodge officers was a very pleasing compliment to one of the enthusiastic boosters of the order in the state and one that his friends will be pleased to learn of as it advances him one station in the lodge and gives him opportunity for greater good in the order.

### DEATH IN SOLDIERS' CAMP.

One of the soldiers belonging to Company C of the Fourth Nebraska, who has been stationed at the Burlington bridge near this city, passed away this morning after a short illness due to a complication of ailments. This is the first death to occur in the company and brings a great regret among the members of the company, who have been associated with Mr. Peters for some time. Arrangements for the funeral of Mr. Peters have not as yet been completed, word being awaited from the commanding officers of the company.

## NEHAWKA GREATLY INTERESTED IN SCHOOL CONSOLIDATION

The residents of Nehawka and vicinity seem to be getting greatly interested in the question of school consolidation in that community, as a step toward bettering the conditions of the schools in that locality, and it seems that ere long that town and vicinity will take up the work of preparing the way for bigger and better schools. It is stated that something like \$35,000 would be available for the use of the district under the consolidation plan, and this would go far toward helping to make this district one of the best equipped for school work in the county. We are glad to learn through press dispatches that this step is being planned by the citizens of Nehawka, for when they put their shoulder to a proposition they make it a winner, as Nehawka has as good and lively a bunch of boosters as any town of its size in the whole state of Nebraska.
