**AMERICAN AVIATORS
DEFEAT GERMANS IN
BATTLE IN CLOUDS**

Paris, April 20.—American aviators again have merged victorious from a battle in the clouds with German airmen, it was learned here today. The heroes of the encounter were Willis Haviland of Minneapolis and Charles C. Johnson of St. Louis, who are under the command of Lieutenant Thaw.

Flying together in separate machines, the Americans encountered a group of German airplanes. Haviland forced one enemy craft to an altitude of 4,000 feet, where he engaged it in combat.

After a spirited fight the German machine, riddled by machine gun fire, collapsed and fell.

Almost at the same time Johnson had a desperate battle with another German machine, which he put to flight in distress. Its fate is not determined. Several other German aircraft refused battle and escaped.

**EXPLAINS MEANING
OF 'BONE DRY' LAW**

Definitions Given of Points Apt to Cause Confusion of Misunderstanding.

Lincoln, Neb., April 28.—Because of the widespread demand for information covering the newly enacted Nebraska bone dry prohibition law, the following extracts are given, covering the points most likely to cause confusion or misunderstanding.

Under the definitions given, drinks for any purposes other than mechanical, sacramental or medicinal purposes are apt to get the drinker and drinker into lots of trouble.

The words "intoxicating liquor," are construed to cover all malt, fermented, vinous or spirituous liquors, wines, porter, beer, ale or any intoxicating drink, all malt or brewed drinks, which will produce intoxication, and all other liquors capable of use as a beverage containing more than one-half of 1 per cent alcohol.

Dwelling House Defined.
The term, "private dwelling house," construed to include separate dwellings, room or suite of rooms in apartment house or block.

It is made unlawful to sell, keep for sale or barter, give away, barter, exchange, transport, purchase any intoxicating liquors except for medicinal, mechanical, scientific or sacramental purposes. It is lawful to keep or sell sweet cider, unfermented wine, wood alcohol, denatured alcohol or vinegar.

It is unlawful to be found in an intoxicated condition, to drink in public places, solicit orders or sell any-

one where liquor may be secured, to advertise, or for any club to have liquors in its possession.

Keep Ethyl Alcohol Only.
It is lawful for licensed druggists to keep ethyl alcohol. It is unlawful for any person to have more in his private dwelling "than a reasonable amount for his personal use and needs." The possession of liquor at any place is prima facie evidence of violation of the law.

It is unlawful for any person or common carrier to transport or deliver any intoxicating liquor to any person except pure ethyl alcohol to druggists or wine for sacramental purposes.

Injunctions and penalties: Any building used for the unlawful manufacture, use or sale of intoxicating liquors are declared to be common nuisances. Violation punishable by a fine of not less than \$200 or more than \$1,000, or imprisonment of three to six months or both.

Governor is Responsible.
It is made the duty of the governor of the state to enforce all the provisions of the act.

Any citizen may file complaint against any delinquent officer in the enforcement of the act and if he is found guilty shall be ousted from office.

For the first offense of violations of the act the penalty is a fine of \$100 or imprisonment in the county jail not less than thirty days or more than sixty; for the second offense, imprisonment of sixty to ninety days and for subsequent offenses, imprisonment in the penitentiary for six months to two years.

The sum of \$50,000 is appropriated for use in carrying out the enforcement of the act during the biennium ending March 1, 1919.

Coughing Tires the Old

Hard winter coughs are very trying to elderly people. They mean loss of sleep, and they deplete the strength, lower vitality, weaken and wear out the system.

Foley's Honey and Tar stops coughs quickly. It is a standard family medicine that contains no opiates, and is noted for its quick effect on coughs, colds, croup, bronchial and la grippe coughs, and the chronic coughs of elderly people.

J. B. Williams, Trenton, Ga., over 73 years old says: "I have used Foley's Honey and Tar for years with the best and surest results."

**DRAFT BILL IS
PASSED SATUR-
DAY IN CONGRESS**

Senate Vote, 81 to 8, and House Vote is 397 to 24 for Conscription Force.

THE AGE LIMIT IS FIXED

Soldiers' Pay Nearly Double—Conference Will Rush Bill to President for His Signature.

Washington, D. C., April 29.—By overwhelming majorities both the senate and house passed late last night the administration bill to raise a war army by selective draft.

The final roll call brought into line behind the bill many senators and representatives who had fought for the volunteer system until ousted by decisive defeat of volunteer amendments earlier in the day in both houses.

The senate, which had voted down the volunteer plan, 69 to 18, passed the bill by a vote of 81 to 8. In the house the vote against the volunteer plan was 313 to 109, and that by which the bill itself was passed was 397 to 24.

As passed by the senate the measure provides for the draft of men between the ages of 21 and 27 years, while in the house measure the age limits are fixed at 21 and 40.

This and lesser discrepancies will be thrashed out in conference early this week, so that the bill may be in the hands of the president as quickly as possible.

The war department already has completed plans for carrying it into effect.

Raise Pay of Enlisted Soldiers.
Both senate and house adopted amendments just before the final roll call which would greatly increase the pay of enlisted men during the war. The house provision would make their pay \$30 a month, and that approved by the senate would fix it at \$29 a month. The present pay is only \$15.

In the house at the last moment Chairman Fitzgerald of the appropriations committee objected vigorously to the appropriation of \$3,000,000 carried in the bill for the purpose of the new army, and the section finally was eliminated.

Mr. Fitzgerald declared that to place this vast sum in the hands of the secretary of war would make of congress a "mere automaton," and promised that if the section were voted down, the committee would provide funds promptly in a separate measure.

Speaker Clark Votes for Draft.
Among the amendments adopted in the senate was one which would permit Colonel Roosevelt to recruit a volunteer force for service in France. A similar proposal had been rejected by the house.

Speaker Clark, Democratic Leader Kitchin and Chairman Dent of the military committee, who had favored the volunteer system, all voted for the draft bill on the final roll call. Republican Leader Mann also was recorded in the affirmative, as was Miss Rankin, who previously had voted with the volunteer advocates.

Constipation and Indigestion.

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person.

NOTICE TO PUBLIC.

I desire to notify all persons that my wife has left my bed and board and that I will not in the future be responsible for any debts contracted by her.

Comfort

A ride in any of the Willys-Overland models will enable you to understand the luxurious riding qualities of these cars.

All details having bearing on the comfort of these cars have been harmoniously balanced.

- ample wheelbase and large tires
- shock-absorbing cantilever rear springs
- deep soft upholstery
- roomy body with side seats
- proper balance in construction

Each one of these features does its important part in absorbing the jolts of rough roads. You ride smoothly in solid comfort.

Every model in the comprehensive Willys-Overland line is built to a rigid standard of performance, appearance and comfort. Each car is, we believe, the dominant value among cars of its kind.
