> Grandma Colbert had an experience ast week that she will long remember. While she was fastening a loose shutter the window came down and caught her hand in a manner that she couldn't get loose, and it was only by pounding on the window to passers by for help that she was freed from her trap. Had no one happened along whom she could summon she might have remained trapped all night. As it was Grandma feels very fortunate to have been rescued and to get offwith a badly bruised finger.

PASSES IN HOUSE: MILD CENSORSHIP

Washington, D. C., May 4.-The espionage bill was passed by the house late today with a modified censorship open to meet any featherweight in provision after administration leaders had lost an insistent fight for retention of the original section aimed at the publication of news of value finish match in Lincoln on May 18, to the enemy. The final vote was 260

Consideration of a similar measure continued in the senate during the day and there, too, the administration suffered a defeat. An export embargo amendment, about which the fight in the senate has centered, was celebration of Mrs. Harrington's medified so as to substitute for the eneral authority proposed a provision Announcements were received in to empower the president to restrict exports in specific cases when Ameri-
