JUNIOR AUXILIARY MEETS WITH MRS. C. W. BAYLOR

The Junior Auxiliary of St. Luke's parish was entertained Friday afternoon at a most interesting meeting at the home of Mrs. C. W. Baylor, and a very large number of the little folks were in attendance to take part in the pleasant event. The rooms of the Baylor home were very prettily arranged with decorations of apple blossoms, which made a pleasing feature of the event. The little folks spent some time in their business session and then proceeded to spend a few hours in games of all kinds, that served to pass the time most delightfully. At a suitable hour dainty and delicious refreshments were served by the hostess, assisted by Mrs. J. F. Gorder and daughter, which added much to the pleasure of everyone in attendance at the gathering, and it was with the greatest regret that the members of the party saw the shadows of evening approaching, which brought the day's pleasure to a close.

MISS HANSEN VERY ILL.

The many friends of Miss Henrietta Hansen will regret very much to learn that she is in very serious condition at her home in the north part of the city. Miss Hansen has been suffering for some time with inflammatory rheumatism and this has been complicated with an attack of heart trouble that has made her condition very serious and causes her family a great deal of apprehension as to her recovery from the attack.

Road to Happiness.

Be amiable, cheerful and good natured and you are much more likely to be happy. You will find this difficult, if not impossible, however, when you are constantly troubled with constipation. Take Chamberlain's Tablets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

MOTHERS' DAY IN PLATTSMOUTH GENERALLY OBSERVED

"Mothers' Day" was observed very generally throughout the city yesterday, both in the homes and in the church services, which were very largely attended. At the churches the services were laid along the lines of a tribute to "mother," and this lovable subject formed the topic for the sermons in almost all of the churches. To further observe the day the beautiful flowers of spring-time were distributed at the morning services and at the meetings of the young men's Bible classes in the different churches. It was a fitting day for the observance of the tribute to the memory of the dearest of human friends, with balmy spring weather and bright sunshine to permit all to get out and enjoy the day.

In the homes of the city the day had its fullest observance, as all who could possibly be present were gathered around the parental fireside to pay their tribute to the mother who had been spared to them, while to those that had been compelled to part from mother the day was given over to one of recollection of a loved one gone for a short time from their midst.

Taken as a whole, "Mothers' Day" was observed in a much larger scope than in the years gone by, and the wealth of flowers worn and presented to the mothers spoke of the sacred feeling that is felt by all on this day.

Proper Food for Weak Stomachs.

The proper food for one man may be all wrong for another. Every one should adopt a diet suited to his age and occupation. Those who have weak stomachs need to be especially careful and should eat slowly and masticate their food thoroughly. It is also important that they keep their bowels regular. When they become constipated or when they feel dull and stupid after eating, they should take Chamberlain's Tablets to strengthen the stomach and move the bowels. They are easy to take and pleasant in effect.

Theodore Miller and wife of Ord, Neb., arrived Saturday evening and will visit here for a short time at the Henry Steinhauer and J. B. Tipton homes. Mr. and Mrs. Miller, Mrs. Tipton and Mr. Steinhauer were in Omaha yesterday to visit Mr. Tipton at the hospital.

Henry Eikenbary was a passenger this morning for Lincoln, where he will visit his nephew, Elmer Eikenbary of Memphis, who is at the St. Elizabeth hospital in that city in quite serious condition.

Mrs. Wade Windham an dechilren returned this morning to their home at Lincoln after a few days' visit with relatives and friends.

MR. FARMER!

A half million dollars' worth of perfectly good farm machinery is thrown in the scrap pile every year in Nebraska.

Farm work is the hardest work there is on machinery.

Castings break, bearings wear out, shafts bend and break. Things get dull and pill hard, gears rattle, smash, bang and crash, paint gets dull.

Many farmers throw away machinery and buy new, because they are not aware that we can in nearly every case remake such machinery equal and in many respects better than new.

We do not care how bad your machinery is smashed or worn, they all look alike to us; we remake them as good as new and save you money.

A dollar saved is a dollar earned; keep your money at home and you may get it back again, besides it helps us to employ home labor.

Put your machinery troubles up to us; we have the best equipped machine shop in the country; if you don't believe it, call and see us. Visitors are always welcome.

We make everything in metal. Now is a good time to overhaul things for the spring rush.

BIG PATRIOTIC MEETING AT PARMELE THEATER ON THURSDAY NIGHT

The arrangements for the great patriotic meeting on Thursday evening at the Parmele theater are being rapidly brought into shape to make the gathering a great success and to give everyone an opportunity of hearing one of the leading men of the state, Hon. Richard L. Metcalfe of Omaha, on the leading question of the day, that of the selective conscription act. The meeting is one that should be attended by every citizen, as the questions discussed will be vital to the interest of the state and nation.

The gathering will be presided over by Mayor John P. Sattler as chairman and aside from the patriotic musical numbers, will be devoted entirely to the address of Mr. Metcalfe, and this is going to be a message well worth hearing. The Burlington band will be present to give a short concert preceding the meeting at the theater, demonstrating their patriotic spirit.

The members of the Grand Army as well as the Woman's Relief corps, the living survivors of the great conflict, will be given seats on the stage, where they will have ample opportunity to hear the able and eloquent address of Mr. Metcalfe on the needs of the hour.

The committee are requesting every business house in the city to decorate in a patriotic manner for the occasion and to place Old Glory to the breeze, where the flag can bid welcome to the visitors, as there will be large delegations present from the neighboring towns to attend the meeting.

Mark the date down in red letters, Thursday evening, May 17, and be on hand early to secure a seat for the address.

It has been reported that the meeting was to be held at the Presbyterian church but this is an error, as the Parmele theater has been secured for the event.

DINNER PARTY AT THE WOOLLEY HOME MOTHERS' DAY

Yesterday the home of Mr. and Mrs. Harvey Woolley was the scene of a very pleasant dinner party, tendered to Mr. H. S. Thompson of Santa Monica, Calif., who is a week end guest at the Woolley home. Mr. Thompson, who is 86 years of age, made the trip from his California home to Omaha alone, and despite his advanced years greatly enjoyed the trip. The decorations of the table at the dinner party were in pink carnations, making a pleasing feature of the dainty six-course repast. After the dinner the members of the party were entertained by an auto trip over the surrounding country for a few hours. Those participating in the pleasant occasion were, Mr. and Mrs. L. N. Carson, Miss Dorothy Merziam, Mr. Leon Carson, Omaha; Mr. H. S. Thompson, Cal., and Miss Elva Hartford of this city.

Keep Down Clothing Costs—

To occupy the important place that the merchant does in relation to the public's needs, imposes responsibility of far-reaching importance. And in these times of high costs—higher than any of us have ever known, it is only fair to the people of our community that they should know how fully we realize these responsibilities.

Today

we all realize that the community is one, not many. That a waste at anyone point makes a loss to all. This new movement is showing itself in our co-operative watchfulness over children, in our civic betterment associations and in our community, state and national institutions of which we are all a part.

Just as the Stage Coach

owned and driven by one man, has given way to the railroad, owned and operated by a hundred thousand men, so the individual clothing merchant must give way to the needs of the times and co-operate with hundreds of other clothing merchants to secure more efficient results. It was for this reason that we became members of the United National Clothiers.

The United National Clothiers

is a united effort on the part of many clothing merchants in 14 states in the Middle-West to buy together, so as to get quantity prices—thus eliminating the costly middleman and his profits, and giving the public the benefit of these savings.

As Members

of this association and as public servants, it is our aim to provide the Men and Boys of our city and community with their clothing, at a marked saving over that of the individual store that buys alone.

Quantity Buying

is but one of the many ways in which the United National Clothiers strive to keep down costs. Once these facts are better understood, you will more fully realize the efforts our store is making in keeping prices down to the lowest level.

Buying

from a United National Clothiers store means that you are doing your part in the nation's great thrift movement.
