

ANDY ZOZ CLEARED IN DAMAGE SUIT IN DISTRICT COURT

From Saturday's Daily.

The case of John Duerr, et al., vs. Andy Zoz, which was on trial yesterday in the district court before a jury composed of Jacob Frohlich, George Kaffenberger, J. W. Magney, T. J. Marshall, George Horn, J. J. Hill, George W. Snyder, W. N. Minford, Mont Robb, Will T. Adams, C. A. Mathis and A. S. Boyle, resulted in a verdict last night shortly after 9 o'clock for the defendant, Mr. Zoz, and against the plaintiffs in the cause of action.

The case was for damages as the result of what the plaintiff, John Duerr, claimed was an assault to beat and wound on the part of the defendant, Mr. Zoz, upon the person of the plaintiff, John Duerr, who is a minor, had the suit brought by his father, Philip Duerr. The alleged assault occurred on July 31, 1916, at a farm near Murdock, where both parties in the case were working, and was occasioned by young Duerr pouring some water on the person of the defendant, who had then struck him with a pitchfork. There were quite a number of witnesses examined on both sides and the question of the extent of the injuries received by the plaintiff carefully entered into by both sides. The jury received the case at 6 o'clock and after the supper hour retired to their room to debate the question, reporting some two hours later with a verdict for the defendant.

THE TEACHERS OF THE CITY SCHOOLS ENJOY VERY PLEASANT TIME

From Saturday's Daily.

The teachers of the city schools enjoyed a very pleasant time on Thursday at the campus of the high school and Central building, when they gathered to spend a few brief hours together for the last time during the closing of the school term of 1917. The occasion was made very pleasant by a most enjoyable picnic dinner and a wicker roast that the members had prepared and most thoroughly entered into the spirit of the event. The event was such an unquestioned success that the teachers are looking forward to holding another treat of this nature on the opening of school next fall when they prepare to take up their duties. Teachers from every grade and ward of the city schools, as well as the faculty of the high school, were present to take part in the pleasant event.

DAVID PITMAN WISE- MAN KILLED IN AN AUTO ACCIDENT

From Saturday's Daily.

The remains of David Pittman Wiseman, who was instantly killed in an automobile accident at Hillsdale, Wyoming, was brought to Nehawka Monday morning for burial in Mt. Pleasant cemetery. The funeral was held at the U. B. church at 2 o'clock in the afternoon, Rev. W. S. Lynde, the pastor, holding the services.

Mr. Wiseman, in company with B. F. Moore, left Nehawka early this spring in a Ford car for the latter's home in Hillsdale, where Mr. Wiseman intended to make his home with his daughter, Mrs. Moore, and family, he being past 70 years of age.

The family had driven to Cheyenne in the car on May 19, and it was while on the return home in the evening the fatal accident occurred by overturning while descending a hill three miles east of Cheyenne. Mr. Moore was seriously injured also, but may recover.

The remains were accompanied to Nehawka by Sammy Moore, a son of Mr. and Mrs. B. F. Moore, and other relatives.

The Wiseman and Moore families were old residents of Nehawka and this part of the country, only leaving here a few years since to live on a homestead in Wyoming. The accident has brought sorrow to many living here, who are intimately acquainted with these people.—Nehawka News.

VERY PLEASANT LUNCHEON IS GIVEN BY MISS GAPEN

From Saturday's Daily.

The domestic science luncheon given at the home of Mrs. Meyers, at Avoca, by Miss Villa Gapen and class, was surely a successful demonstration of the work they have been doing along this line the past year.

The invited guests were the mothers of the girls in the class, the mothers of the teachers, the ladies who demonstrated and members of the school board.

At 2:30 p. m. the guests were received by Miss Gapen and her class, who, as requested in the invitations, brought their needlework and enjoyed a pleasant chat with old friends and made the acquaintance of new ones, until the short program was rendered. Among the numbers were a piano solo by Miss Nita Francis, a reading by Mabel Diller, and a vocal solo by Miss Mattie Nutzman, after which a splendid three-course luncheon was served in a very graceful manner by the D. S. girls. After this the guests departed, all proclaiming the luncheon a wonderful success in every way.

Due credit was given to the D. S. teacher, Miss Villa Gapen, whom they all regret greatly to lose at the end of this year, but who will probably find broader fields in her work at University Place, where she will have charge of the Ward school.

We all join in wishing her the best of success after her three successful terms at Avoca, Neb.

A TWICE - TOLD TALE

One of Interest to Our Readers.

Good news bears repeating, and when it is confirmed after a long lapse of time, even if I hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Plattsmouth man is confirmed after ten years.

E. M. Buttery, stationary engineer, Tenth and Walnut streets, Plattsmouth, says: "Pains caught me in my hips so that I could hardly raise a shovel of coal. At times, there was lameness across my loins. I had reason to believe that the trouble was caused by disordered kidneys, and I got Doan's Kidney Pills from the Crescent Pharmacy. I got quick relief." (Statement given June 11, 1916.)

On February 22, 1916, Mr. Buttery said: "It has been two years since I have had any trouble with my kidneys and I have enjoyed good health in every way. I recommend Doan's Kidney Pills at every opportunity."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Buttery has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
