#### Road to Happiness.

Be amiable, cheerful and good natured and you are much more likely to be happy. You will find this difficult, if not impossible, however, when you are constantly troubled with constipation. Take Chamberlain's Tablets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

Owners of Ford cars are advised to be aware of "counterfeit parts." If your car needs adjustment bring it here where you will find reliable service with the complete mechanical equipment to give the highest quality of Ford service obtainable. All the Ford parts used are supplied by the Ford Motor Company. You can not expect your Ford car to give the service and endurance you demand unless you have it cared for by men experienced in Ford methods. ## EVIDENCE OF CAMPAIGN ON AGAINST LOAN

Council for Defense Finds Where Bankers Warned Against Buying.

Lincoln, Neb., May 26.—Evidence of a widespread campaign in sections of Nebraska to prevent subscriptions to the Liberty loan is being gathered by the Nebraska Council of Defense, according to a statement made public today over the signature of the chairman, Robert M. Joyce.

Letters have been received by the league, Mr. Joyce states, indicating that in communities out over the state bankers have been warned that subscriptions to the Liberty loan will mean the loss of patronage of wealthy citizens.

Proof of such a campaign will be regarded as treason, the Nebraska council says that it has full power to mete out punishment to the full extent of the law and it says that there will be no leniency shown in dealing with the individual cases reported.

"Reports from several sections of the state have been made to the Nebraska State Council for Defense to the effect that pro-German depositors have threatened bankers that if these bankers invest in Liberty loan bonds these pro-German sympathizers will withdraw their deposits.

"Some of these threats may have been made thoughtlessly, but whether they were thoughtlessly made or were intended seriously they are distinctly acts of treason and will be treated as such. Please notify every member of your county council of defense to this effect. Have thorough investigation made in order to determine whether similar threats have been made in your county. In the event you discover any such case, please call upon the party making the threat and try to show him the great mistake he is making. If he persists in his threat report the case to the State Council for Defense at once.

"It must be made clear that such threats will not be tolerated in Nebraska and the State Council for Defense depends upon the county council to press this fact upon every individual who may be inclined to interfere in any way with the effort to put Nebraska and all its resources squarely behind the federal government for the speedy and successful conclusion of the war."

## WOMAN FARMER TO PLANT 450-ACRE RANCH IN BEANS

An Omaha woman, Mrs. T. R. Lackey, 5900 North Twenty-fourth street, is doing her "bit" to provide food in the nation-wide campaign for food conservation, by planting over 5,000 pounds of beans on the 450-acre ranch which her husband recently purchased near Shappel, Neb. This ranch is the largest bean ranch in the middle west.

Mrs. Lackey left Omaha Saturday morning for the ranch. Her husband, T. R. Lackey, is a salesman for M. F. Shafer and company. Since he was too busy to develop the land, Mrs. Lackey pleaded with him for permission to do the work herself.

Two tractors are working night and day on the ranch, plowing, harrowing, packing and seeding all at once. Mrs. Lackey intends to run one of the tractors herself during the day shift as soon as she arrived on the scene. Five thousand pounds of pinto beans and 500 pounds of navy beans will be planted.—World-Herald.

## MR. FARMER!

A half million dollars' worth of perfectly good farm machinery is thrown in the scrap pile every year in Nebraska.

Farm work is the hardest work there is on machinery.

Castings break, bearings wear out, shafts bend and break. Things get dull and pill hard, gears rattle, smash, bang and crash, paint gets dull.

Many farmers throw away machinery and buy new, because they are not aware that we can in nearly every case re-make such machinery equal and in many respects better than new.

We do not care how bad your machinery is smashed or worn, they all look alike to us; we re-make them as good as new and save you money.

A dollar saved is a dollar earned; keep your money at home and you may get it back again, besides it helps us to employ home labor.

Put your machinery troubles up to us; we have the best equipped machine shop in the country; if you don't believe it, call and see us. Visitors are always welcome.

We make everything in metal. Now is a good time to overhaul things for the spring rush.

#### TAKEN TO HOSPITAL.

This morning Mrs. Joseph Sebatka was taken to Omaha, where she will enter the Immanuel hospital to be operated on for appendicitis. Mrs. Sebatka was taken violently ill last night shortly after midnight, and medical aid being called it was found that she was suffering from a very severe case of appendicitis, and her condition being so acute it was found necessary to take her to the hospital as soon as possible in order to give her relief. She was accompanied to Omaha by Mr. Sebatka and Mrs. Frank Sebatka, jr., who will remain with her until after the operation.

#### Proper Food for Weak Stomachs.

The proper food for one man may be all wrong for another. Every one should adopt a diet suited to his age and occupation. Those who have weak stomachs need to be especially careful and should eat slowly and masticate their food thoroughly. It is also important that they keep their bowels regular. When they become constipated or when they feel dull and stupid after eating, they should take Chamberlain's Tablets to strengthen the stomach and move the bowels. They are easy to take and pleasant in effect.

G. L. Kreager and family from west of Mynard, came in this morning and departed on the early Burlington train for Omaha, where they will visit for the day in that city looking after some business matters.

Judge Jesse L. Root of Omaha was in the city yesterday and today visiting with friends and looking after a few legal matters.

Mrs. Anna Nickels, who has been visiting her daughter, Mrs. George B. Mann, for a time, departed this morning for her home near Kearney. She was accompanied as far as Omaha by Mrs. Mann.

#### Best Remedy for Whooping Cough.

"Last winter when my little boy had the whooping cough I gave him Chamberlain's Cough Remedy," writes Mrs. J. B. Roberts, East St. Louis, Ill. "It kept his cough loose and relieved him of those dreadful coughing spells. It is the only cough medicine I keep in the house because I have the most confidence in it." This remedy is also good for colds and croup.

## Comfort

A ride in any of the Willys-Overland models will enable you to understand the luxurious riding qualities of these cars.

All details having bearing on the comfort of these cars have been harmoniously balanced.

- ample wheelbase and large tires
- shock-absorbing cantilever rear springs
- deep soft upholstery
- roomy body with wide side seats
- proper balance in construction

Each one of these features does its important part in absorbing the jolts of rough roads. You ride smoothly in solid comfort.

Every model in the comprehensive Willys-Overland line is built to a rigid standard of performance, appearance and comfort. Each car is, we believe, the dominant value among cars of its kind.
