FUNERAL OF LITTLE ONE.

Yesterday afternoon the funeral of the infant son of Mr. and Mrs. Claus Boetel, jr., was held from the home in the northwest part of the city. The little one was born Friday evening and after a few hours' stay with the parents the spirit of the babe was called home by the Master, sparing its life from the suffering and woe of the world. The death has come as a bitter loss to the parents and relatives who for so short a time had held the little one so dear, but in their loss they are consoled by the tender mercy of the Living Father who suffers none of His little ones to stray from out His tender arms.

Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address E. CHECKING UP COUNTY TREASURER OF CASS COUNTY COMPLETED

Mr. R. L. Willis, of Lincoln, county treasurer examiner in the office of the state auditor of Nebraska, Saturday completed the work of checking up the office of County Treasurer Mike Tritsch and returned to his home in the capital city. Mr. Willis states that Cass county is one of the best counties in the state to handle and the affairs of the treasurer's office are handled better than in any of the counties of the state so far as efficiency and accuracy are concerned, and gives but little trouble to the examiners, as everything is right up to the minute in the way of records and greatly simplifies the work of checking. Mr. Willis is himself a former Cass county man, having been born near Nehawka, and received his education in the public schools of Weeping Water.

Cass county has been most favored in the selection of men for the position of county treasurer, as they have had the best men in the county in this position for a long period of years and the records and accounts are kept in the most businesslike method. The efficient force of assistants of the office have been a great help in the work and added to the splendid showing made by the county.

FORMER BUSINESS MAN OF WEEPING WATER DEAD

The remains of Mr. S. F. Girardet, who died at Aurora, Ill., Tuesday night, will be brought here on the 10:30 train Friday morning. Funeral services will be held at the Congregational church immediately after the train arrives. Services will be in charge of the order of the Odd Fellows, of which deceased was a member. The sermon will be preached by Rev. W. M. Elledge, and the remains laid to rest in beautiful Oakwood cemetery. While the news of the death of our former townsman was a shock to the community, it was not entirely unexpected, as Mr. Girardet had been in poor health for some time and recently underwent an operation at a hospital where he passed away.

Ralph Girardet, son of deceased, arrived this (Thursday) morning to make the arrangements for the funeral. Other members of the family will accompany the body Friday morning.—Weeping Water Republican.
