

They Win in a Walk!

—Men are keen for style because they know the value of good appearance.
—Men are critical of quality because they know that the life of their clothes depend upon it.
—Men insist upon value because it makes a dollar go the full length of its duty.
—On all these points men have tested the celebrated

KUPPENHEIMER CLOTHES

—have compared them and inspected them; and they've invariably found that Kuppenheimer Clothes win in a walk.

—It isn't say-so that has given these clothes their leadership; its experience, paid for with dollars.

—That's the sort of standards we're upholding; that's the promise we hold out to you in the smart Spring and Summer models we're asking you to inspect now,

"THE WHOLE TRUTH"

Says Mrs. Eads, in Writing Her Praise For Cardui.

Circleville, Ohio.—"All I have said about Cardui, the woman's tonic, is the whole truth," says Mrs. Fannie Eads, of R. F. D. No. 6, this town.

"I suffered with womanly weakness, and pains in my back and limbs for two long years. I was so bad off, I could hardly walk at all.

My husband advised me to try Cardui, the woman's tonic, and I concluded to follow his advice. After taking Cardui according to directions, I now feel like a new woman, and can do all of my work.

Before taking Cardui, I was a walking skeleton; now I weigh 150 pounds. I recommend Cardui to every suffering woman, for I know what it did for me. My dresser is never without a bottle of Cardui on it."

There is no reason why Cardui won't help you, just as it has Mrs. Eads, as well as hundreds of thousands of other women in the past 50 years. So if you suffer from any of the many ailments so common to women, or need a good strengthening tonic for that tired, nervous, worn-out feeling, get a bottle of Cardui today. At all druggists. NCB7

The Pullford

is a simple attachment to go on Fords (or other cars) to convert them into practical tractors.

The price of the attachment is \$145 on Fords and \$155 on other cars, much cheaper than any other similar attachment.

The Pullford does the work of four horses and will do it in the hottest weather when horses can't stand the gaff.

The Pullford will do the work of four horses and does not eat when it is not working. If you could buy four good horses for \$145 you'd think they were mighty cheap.

For practical work on the average farm the Pullford is the very best investment the farmer can make.

It will pull your binder, do your plowing, discing, harrowing, pull your manure spreader, haul your heavily loaded wagons to town; in fact, it will do about all the work your horses will do except planting and cultivating your corn.

The Pullford will pull any load that your two best teams will pull and do it easy.

We will demonstrate the Pullford in a few days. Watch the Plattsmouth Journal for the Notice.
