

### MISS GASS' CLASS IN MUSIC GIVES MOST DELIGHTFUL RECITAL

From Saturday's Daily.  
Yesterday afternoon the pupils of Miss Olive Gass gave a most delightful recital at her home on west Marble street, that was quite largely attended by the parents and friends of the young people, and the recital proved most interesting in every way and a delight to the lovers of music.

The rooms of the Gass home were very attractively arranged with the spring flowers and decorations of the American flag, making a gala setting for the delightful event. In spite of the unfavorable weather conditions the rooms were well filled by a well pleased audience. The program was carried out in a splendid manner and gave the young people participating an opportunity of displaying their skill and the splendid training they had received at the hands of their instructor and each number was given with the most skillful rendition demonstrating the adeptness of the young people on the piano. ### TWO PLATTSMOUTH MEN ENLIST IN NATIONAL GUARD

From Saturday's Daily.

Two Plattsmouth young men, John D. Schwartz and Frank Hilbert have heard the call of their country, and taking advantage of the opportunity afforded to join the ranks of the Nebraska troops, have enlisted in Company C of the Fourth regiment at the recruiting station which has been in charge of Lieutenant Kimbrell. Those who embrace the opportunity of volunteering into the ranks of the national guard will be allowed the selection of their regiment and company instead of being joined in the army of 500,000 which will be raised by the conscription act, and will not be compelled to undergo the severe drilling and training that the raw army will have to be put through. The two Plattsmouth boys are showing the proper spirit and are all ready and willing to do their share toward the defence of the country. The recruiting office will be closed tonight, but there are a few days remaining for those who want to volunteer in the guard to escape being drafted for the service.

### THE OPPOSITION TO THE SELECTIVE CONSCRIPTION

The campaign that seems to have been started in some sections of the country against the selective conscription is being nipped in the bud by the government authorities and a number of the persons who have been urging the young men not to register or who have been circulating the anti-conscription literature will be given a punishment fitting to their treasonable offense. So far there has been but little heard here in regard to opposition to the registration, although some literature of a rather mild nature has been shoved around quietly by a few persons.

### AUTOMOBILE ACCIDENT CAUSES THE DEATH OF GEORGE HUGHES

A message was received in this city today announcing the death at the hospital in Council Bluffs of George Hughes of that city, as the result of an automobile accident Tuesday night just this side of South Omaha. Mr. Hughes in company with Harry House, Herman Hart, Allen Garner and Clarence Darlow had been to Plattsmouth in attendance at the dance at Coates' hall Tuesday night, and were enroute home when the accident occurred. The car in which the young men were riding was a light Ford machine, and as they were nearing South Omaha a large touring car ran them down. The car that caused the accident was on the wrong side of the road and the young men in the Ford expected that the other car would turn out to let them pass, but instead, it crashed into them. Mr. Hughes sustained concussion of the brain and internal injuries, from which he died, while Mr. Hart suffered a severe strain of the muscles of the right arm and shoulder, but is now showing some improvement. The friends of the young men in this city will regret greatly to learn of the sad ending of the affair in the death of Mr. Hughes. The parties in the car that caused the accident have been held at Omaha for investigation.
