the court to unite them as one. The party of newlyweds departed on the evening train for their home in Iowa.

### HAVE A NEW STATE AUTOMOBILE LAW

Changes in Statute With Reference to Use of Lights and Brakes.

Among the changes made by the legislature in the motor vehicle law are certain ones which are aimed to regulate the use of lights and brakes. That section of the law now reads:

Every motor vehicle while in use on public highways shall be provided with good and sufficient brakes and also with a suitable bell, horn or other signal, and shall have exhibited during the period from one hour after sunset one or more lamps showing WHITE LIGHTS visible from a reasonable distance from the direction toward which such vehicle is proceeding and a red light visible from the reverse direction, provided further, it shall be unlawful to use on a vehicle of any kind operated on the public highways of this state, any lighting device of over four candlepower fitted with a reflector, unless the same shall be so designed, deflected or arranged that no portion of the beam of reflected light, when measured seventy-five feet or more ahead of the lamps, shall rise above 42 inches from the level on which the vehicle stands under all conditions of the road. Spot lights shall not be used except when projecting their rays directly on the ground and at a distance not exceeding thirty feet in front of the vehicle.

### BROTHERHOODS WILLING TO SUSPEND ORGANIZATION LAW

Philadelphia, Pa., June 10.—Pledges of loyalty to the nation were renewed by officials of the railroad brotherhoods in addresses at their annual memorial services here today. Members of the Brotherhood of Locomotive Engineers, the Order of Railway Conductors, Brotherhood of Locomotive Firemen and Enginemen, Brotherhood of Railway Trainmen and the Order of Railway Telegraphers from all sections of the east attended the services.

J. C. McDonald, representing the trainmen, said the brotherhoods were a unit in their eagerness to assist the government in any way in their power.

"We will gladly suspend any law of our organization if President Wilson requests it," he declared, "in order that all the instrumentalities of this nation may be used for the common cause, that of universal freedom."

### THE PLAIN TRUTH

What More Can Plattsmouth People Ask?

When well-known residents and highly respected people of Plattsmouth make such statements as the following, it must carry conviction to every reader:

Louis Kroehler, proprietor hardware store, 521 Main street, Plattsmouth, says: "About a year ago, I had a pain in my back. I was so lame I couldn't stoop. My kidneys were weak and I had a tired, languid feeling nearly all the time. Headaches were common. I bought Doan's Kidney Pills from Edward Rynott & Co.'s store and they soon relieved me." (Statement given April 10, 1912.)

On February 22, 1916, Mr. Kroehler said: "I still hold the same high estimation of Doan's Kidney Pills as when I first endorsed them. It has been several years since I have had to take a kidney medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kroehler has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

### Sour Stomach.

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking and medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.

### SOLDIERS MAKE LAST DEMAND THIS DONE

Crews at Helsingfors Want Hiw Under Guard of Revolutionists Warship.

Petrograd (Via London) June 10.—The demand of the revolutionaries for the trial and condign punishment of Nicholas Romanoff, the former emperor, and in the meantime his subjection to restraint in prison, which at first was made only by a handful of irresponsible extremists, is growing daily.

All Petrograd laughed at the resolution of Bolsheviks, the faction led by Nikolai Lenine, two days ago demanding the transfer of Nicholas to Kronstadt or even to the Siberian mines.

But today comes official news that the crews of the battleships Republic and Ganget and the cruiser Diana, stationed at Helsingfors, had adopted a resolution requiring the imprisonment of the former emperor at Kronstadt until he is placed on trial. The sailors declared that if the demand was rejected the warships would apply force.

The resolution demands the immediate transfer of former Emperor Nicholas to Kronstadt to be placed under guard of "true revolutionary troops until final judgment has been passed on him.

The resolution concludes: "This is our third and last resolution."

Display Red Placards. On Thursday Saratov was placarded with red proclamations having the same import and today there are being sold in the streets of Petrograd thousands of leaflets inscribed "Trial for Nicholas II."

As a result of renewed defiance by the council of workmen's and soldiers' delegates in Kronstadt, which yesterday declared that its resolution deposing the Petrograd government still holds good, the situation is again aggravated.

### Must Obey Orders.

The cabinet is informed that the fourth fleet at Kronstadt is entirely reliable and attached to the provisional government and that the whole trouble is due to the civil and military population of Kronstadt.

Convinced of its strength, the cabinet late today issued a warning to all citizens of Kronstadt that its decrees must be obeyed without qualification.

In this disease it is important that the cough be kept loose and expectation easy, which can be done by giving Chamberlain's Cough Remedy. Mrs. P. H. Martin, Peru, Ind., writes: "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy and it worked like a charm."

### MUNICIPAL CARNIVAL WILL HAVE A GALA OPENING TONIGHT

The Firemen's Municipal Carnival will open tonight, beginning at 7 o'clock, and lasting all week. The Tom W. Allen Shows, which are to furnish amusement for the events arrived here from Nebraska City, via the Burlington, yesterday afternoon at 3 o'clock. The shows come here very highly recommended by both press and public, and have every evidence of being just what they are reputed to be—clean, new, novel and varied. The attractions are largely musical, mechanical and electrical, and are said to be second to none en route. The show carries three hundred and fifty people, a goodly number of shows and three of the finest amusement riding devices ever built, including the latest Coney Island craze, the Whip. Another enjoyable and popular feature with the shows is Strout's Military Concert Band, which gave a sacred concert in the business district last evening. There will be daily concerts every day throughout the ensuing week, commencing at 1 and 7 o'clock p. m. It is well to bear in mind that this event is being given for the benefit of the fire department and that they need your support. Hurry down town tonight in time for the first number of the band. It will be worth while.

### MEN OF MEANS TO BUY IF LIBERTY BONDS ARE TAKEN

Little Fellows Are Doing Their Share, But Big Ones Will Have to Save Big War Loan.

Washington, June 10.—Totals of subscriptions to the Liberty loan, aggregating \$1,300,000,000, as announced Friday by Secretary McAdoo, were made public tonight by the treasury department, showing that not one of the twelve reserve districts has subscribed to its minimum allotment, although New York, with the most favorable showing, has nearly reached the minimum. The allotment for the Kansas City district was \$100,000,000; subscriptions to date \$34,000,000.

### Middle West Does Well.

The middle west will probably reach its full quota in Liberty bond subscriptions if hard, intensive campaign work is continued this week and men of means come forward with reasonably large subscriptions, in the opinion of William H. Hodge, who has been representing the Federal Reserve Bank of Chicago in organization work in Iowa for two weeks.

Mr. Hodge, who was formerly with The Bee, spent Sunday in Omaha and Council Bluffs, and will continue his work in Iowa up to Thursday, when subscriptions will close, as they must be in the Federal bank's hands by noon Friday in order to be considered.

"The wage earners, many of the small farmers and the banks are doing their part in the initial financing of the war," said Mr. Hodge, "but the individual of means is either holding off until the last minute, or is willing to let his safety and prosperity be

protected with other men's dollars. There are plenty of instances of people putting all they have in the world in \$50 and \$100 bonds; of old farmers driving for miles through rain and mud to put all they have in Liberty Bonds; of children investing their savings—but mighty few subscriptions of \$5,000 and upwards outside of the large cities.

### Iowa Coming Through.

"If Iowa comes in for its full quota of \$50,000,000 bonds, as it no doubt will, it will mean less than 5 per cent of the annual value of farm products in that state. Most of the folks with whom I talked seemed to think that this was little enough.

"I came across little places having but one bank and not more than three or four hundred people where individual subscriptions had been received from as many as 125 persons. Certain communities largely settled by Germans were doing well, such as that of Mineola, for example, where \$27,000 had been subscribed up to last Friday."

### DELIGHTFUL SOCIAL ENTERTAINMENT GIVEN BY MISS EDITH RAMGE

One of the delightful social entertainments of the season was the 1916 class reunion which was held at the home of one of the members of the class, Miss Edith Ramge, Saturday evening. For the occasion the cozy rooms of the Ramge home had been very appropriately decorated in the class colors, lavender and white. Various plans had been made for the evening entertainment and which were entered into with much enthusiasm and merriment and made the occasion most enjoyable to the members of the class who were fortunate enough to be able to attend this reunion. Several moments were also devoted in recalling and relating the many good times they had had while attending high school as members of the 1916 class. A pleasing program consisting of vocal and instrumental music, and remarks from the members, was likewise thoroughly enjoyed. At a suitable hour a dainty luncheon was served, the class colors, lavender and white, being carried out in the service. There were some twenty-seven

members of the class in attendance and the occasion was very much enjoyed by them and they are hoping they may be able to hold another reunion June 9th, 1918.
