THE HOLDERS OF SEED WHEAT TO SUFFER FOR IT

Shorthill Tells Hoover Elevator Operators Stored Wheat at \$3. in Order to Aid Farmers.

A FAVOR WHICH HE FEELS IS NOT DULY APPRECIATED

Bought It at Cost for Farmers of Nebraska but Will Now Have to "Hold the Sack."

Washington, D. C., Aug. 31.—J. W. Shorthill, of York, a member of the committee which fixed a price of \$2.20 a bushel for No. 1 northern spring wheat, yesterday called upon Herbert Hoover to discuss the winter seed wheat situation in Nebraska. At the instance of the state council of defense, elevator operators in Nebraska filled spare space with local seed wheat which was bought around \$3 a bushel. It was intended that this should be handled for the farmers without profit, but unless some special arrangements can be made the men who have stored this wheat will be penalized. That wouldn't be just. The shipping problem can be dealt with but unless the winter seed wheat is moved immediately it will be too late for planting.

Mr. Shorthill, who will discuss the winter wheat situation at the Nebraska state fair next Thursday and Friday, is apprehensive lest the efforts to increase wheat acreage fail, due to the high price of wheat seed, the relatively small area of available stubble and the possibility of farmers being able to place their dependence on corn. Mr. Shorthill voted for a price of \$2.50 for wheat. He said he did this because if wheat is made the cheapest of foods, its consumption will be increased and a new crisis will shortly confront the country. The price fixed for No. 1 northern spring wheat will mean about \$2 or \$2.10 for wheat in Nebraska at the elevator, he said.

POPE DISAPPOINTED IN WILSON'S ANSWER

Rome, Aug. 31.—It is stated at the Vatican that Pope Benedict on receiving President Wilson's reply to his peace proposals did not attempt to conceal his bitter disappointment and that he regards the president's answer as leaving little room for further peace efforts at present. It has been no secret here that the pope hoped for a more favorable response from the United States than from anywhere else.

Before President Wilson's reply was read it was said at the Vatican that the responses from the various governments were expected to be more favorable than the tone of press comment. At the same time the pope was reported to have signified his intention of issuing a reply after receiving the answers of all the belligerents, pointing out questions in regard to which all the nations at war might be in agreement and others concerning which it would be necessary to hold discussions.

CLAIM KELLY ASSERTED HE 'DID THE JOB'

Prisoner's Attorney Says Havner Sweated Suspect Until He Confessed.

IOWA LEGAL HEAD SAYS NO GRAND JURY FRAUD

Declares Has Evidence Against Preacher Defense Knows Nothing About.

Des Moines, Ia., Aug. 31.—H. M. Havner, attorney general of Iowa, late tonight announced that he had received verification of the report that Lynn George J. Kelly, an itinerant clergyman, had confessed to the murder of eight persons at Villisca, Ia., in 1912, in connection with which he has been under indictment since last spring.

Havner says that he was not present when the confession was made and declares that it was made to the sheriff and county attorney of Harrison county, at Logan, where Kelly is confined.

After a "sweating" lasting from 8 o'clock Thursday night until 4 o'clock Friday morning, the Rev. Lynn George J. Kelly, who is imprisoned in Logan, Ia., for complicity in the Villisca, Ia., ax murders, asserted that he "did the job," according to A. L. Sutton, Kelly's attorney.

Attorney General Havner and five deputies, says Sutton, were given permission by the Logan sheriff to see Kelly Thursday night. In the course of the conversation with Kelly they read him the "evidence" of eighty-five people, in which evidence his guilt was certain. They also told him that 90 per cent of the people of Red Oak, Ia., had banded together and were going to hang Kelly when he was brought there for trial next Tuesday.

Next they outlined his course if he should admit the crime. They told him he would be sent at once, without trial, to an asylum, and at the end of six months would be freed, the attorney declared.
