

## THREE BALL GAMES AT THE RED SOX PARK

One Sunday Afternoon, and Two on Labor Day—One Between Havelock and Plattsmouth and De Vols and Red Sox.

From Tuesday's Daily.

### SUNDAY AFTERNOON GAME.

De Vols Victors at the bat, nothing doing with the Sox. Beal got first on a single and by good work, earned his run, getting around before Stimpson lost on third. In the second Jones of visitors got to first, nothing else. In the fourth, Guinness saw second, and in the last half of the fifth, Grassman, Beal and Smith added their mite, and the score was four to nothing, nothing more doing with the exception of Young of the Iowa team got to see third.

Innings ---1 2 3 4 5 6 7 8 9  
De Vols  
Victors ---0 0 0 0 0 0 0 0 0  
Red Sox ---1 0 0 0 3 0 0 0 4

### HAVELOCK VS. PLATTS.

To a small crowd yesterday morning the Havelock and Plattsmouth shops teams played a fairly good game of ball at time and then there were soft spots in the execution, that distracted from the science but added to its mirth. Robertson, the third baseman of the visitors was the first man up, and he swatted the ball, working his way around to third, when Smith their second baseman, gave it a two bagger, and Robertson was home. Smith died trying to make third, and Tighe and Egan were fanned out. With our boys Noble got to third, but died there, while Dalton was able to make a run, Hula saw second, Boggs first, and Long was grounded. With the visitors it was at bat and out until the seventh inning, when Egan got to second, but no farther. Koll got to second on the eighth and Tighe in the ninth, was accorded third, with nothing else doing in their line. In the third Noble, Dalton and Hula, each tallied, and Winger in the fourth, while Hula added another in the fifth, that was all. Nice clean game, all agreeable, both side. Score below:

Innings ---1 2 3 4 5 6 7 8 9  
Plattsmouth 1 0 3 1 1 0 0 0 6  
Havelock ---1 0 0 0 0 0 0 0 1

### YESTERDAY AFTERNOON.

This game was a hummer, and good ball was played almost all the time, but with a little of bad tactics, on the part of some of the visitors, so much so that the game was lost to the home team on account of it. During the first five innings of the visitors they did not see first base, but in the sixth, they slipped Young and Rice over the home plate, did it nicely, they both getting two baggers. Ford, was fanned in the beginning, and Jones grounder out, but on a single by Kennedy, the second run was made. Then Guinness grounded out. This gave them a little more pep, but they never was any where near the home plate again, for second was as far as they got.

With our boys, the two first innings were barren of results, even on reaching first, but in the third, Edwards was hit by a ball, and when he stole second, lost it by being off his guard. Poissall was given a walk, and got to second to die there, while Grassman and Beal were not allowed to see first. In the fourth, Smith got a single and worked his way to third, Jeff was fanned, and Herold on a single got to second, Stimpson grounded out, and Mason flew out, leaving Smith on third.

In the fifth and sixth they drew a blank, nothing in sight, not even first. In the seventh was the interest developed, and the excitement ran high with Herold struck out, Stimpson got a single and by a narrow margin got to first, while Mason was at the bat, made second, Mason was hit by the ball, and given first. Edwards got a walk, which filled the

bases. Poissall got a slap at the ball, bringing Stimpson in and Mason to third easily, but Haller the short stop for the visitors ran into Mason on the line fouling him in the stomach, which made him unable to get to the home plate and had to lie down on third, this unknown to Edwards caused him to run up on third, and was put out between bases. This was a dirty trick, and in aiming to be fair, the Ump was more than fair or less than fair, and would not allow what would have been given the Sox the run for the one fouled and advanced the following player to third, which would have made the game a tie. Nothing happened afterwards and the visitors carried off the credit, and the extra 20 per cent.

While this was Labor Day, a holiday, and nothing else to do but see the game it was not attended as well as it should have been, considering what the association here and the boys who play, are doing to turnish some clean wholesome sport to the public.

Innings ---1 2 3 4 5 6 7 8 9  
De Vols  
Victors ---0 0 0 0 0 2 0 0 0 2  
Red Sox ---0 0 0 0 0 0 1 0 0 1

### MAKES A LONG TRIP ALONE.

Last evening Leon T. Corey, aged five years, arrived from Los Angeles, having left his home last Friday, and met his father, Leon T. Cory, Sr., at Omaha last evening. They came down to Plattsmouth on a later train, and visited at the Perkins Hotel with the Cory's here over night, and yesterday morning departed for Sac City, Iowa, their old home, where the little fellow is anxious to see his grandmother, whom he has not seen for over a year. The father says you may guess that he was glad to see me when the train rolled in last night at Omaha. Little Leon is a fine little chap, and made a host of friends on the train in his trip across the country.

### SUNDAY SCHOOL PICNIC.

Yesterday, at the grove of Mr. A. C. Harvey, in the northwestern portion of the city, was held the annual picnic of the Christian Sunday school. There were a large number of the scholars of the school present. For the children excellent swings had been provided and they hastened to avail themselves of this pleasure. There were games of all kinds, and at the appointed hour all gathered around the festive board, which, in this case was the green sward, each having contributed his bit to the general fund, and all partaking of the sumptuous dinner, thereby provided. Last Sunday was the closing day of the contest which had been going on for the past few months. The honors of the contest went to John Standres' class, and Superintendent Hudson presented the class with a fine watermelon. The school will also give a present to this class during the Sunday school hour next Sunday.

### BALL FOR NEXT SUNDAY.

The Breslins of Omaha, a team which played good ball here about a month ago, and which walloped the Red Sox, are coming back for another try with us. You who like a good game come and see this one. There has been a large number of seats vacant for the last few games, and the boys are trying to put up a good game and furnish amusement for the citizens. Why not come out and encourage them with your presence and what other support you can give them. The citizens have a part in making the base ball games here a success, as well as the boys who play. Remember the Breslins and the Red Sox game next Sunday.

### GEORGE SUPERCEDES CARL.

Carl Renner, the young man, who has so faithfully looked after the business of checking baggage, keeping the Burlington passenger station clean, and who has been general handy man, has thought that there was more money and a better opportunity for advancement in the shops, and accordingly made the change thereunto. George Becker, who can do anything from driving a hearse, to collecting bad accounts, has accepted the position and we are sure he will make good in the position.

## DRAFTED MEN MUST TAKE BUT FEW THINGS

Washington, D. C., Sept. 3.—All drafted men of the first 5 per cent contingent who will leave Wednesday for mobilization camps are directed in regulations issued today to take a minimum of civilian clothing and personal belongings.

Toilet articles, towels and handkerchiefs are recommended and no objection will be made to two changes of underclothing, but other articles are frowned upon. Attention is called to the fact that civilian clothing will be discarded when camp is reached and to those not desiring to send such apparel back home it was suggested that clothing not worth keeping be worn.

The men may carry only light hand baggage on the train and, as suit cases and hand bags will not be allowed for permanent use at camp, articles may be carried in bundles if desired.

Before reporting to the local board drafted men should have their hair cut very short; should be bathed and wear clean clothing.

To insure quick communication with his family, each recruit is advised to provide himself with postcards or stamped envelopes.

### MISS HIRZ RETURNS FROM WEST.

Miss Lena Hirz, returns after a two months stay in Utah, and is accompanied by Miss Marie Prohaska, who came out and spent two weeks with her. They both are employees of the H. M. Soennischen Daylight store.

Miss Hirz, first went to Salt Lake City, where her mother and sister, Mrs. J. V. Egenberger Jr., lives, and where he is engaged in the bakery business. Here Miss Hirz visited all the wonderful places, such as the Mormon temple, and was greatly impressed with the musicals which they gave. She took many a dip in Salt Lake, and tells of it being impossible to drown therein. The water is so thoroughly saturated with salt that one is buoyed up so it is not possible to get under the water.

The place where they go in bathing is from three to six feet deep, but in some places it is over a hundred feet in depth. She visited in Magna, which is eighteen miles from Salt Lake City, and there they met Cecil Thomas, whose wife, formerly Miss Minnie Stehlik, is a cousin of Miss Hirz. Here they also met, Gale Connor and wife. Mrs. Connor, formerly being Miss Lena Droegge, Carl and Emil Droegge also lived there, and there Miss Hirz had a fine time. She also visited at Garfield, but there knew no one, but went to see the gigantic smelters which are located there. For the last two weeks, Miss Marie Prohaska, was with her and the two had a fine time seeing the country and sights together. They arrived home early Saturday morning.

### DRIVES CAR UP PIKE'S PEAK.

Verner Perry, of Wabash, thinking it a good time to take a vacation, came to this city about three weeks since and bought a Paige car, of his friend, W. E. Propst, and with his wife and two children, and F. M. McCreary, wife and one child departed for the west. Going thru Nebraska, for considerable distance, and then into Kansas, across which they traveled, going to Colorado Springs, where they visited for some time, taking in Colorado City and Manitou, with the wonders surrounding this summer resort. Looking up at the top of Pike's Peak, they concluded they would like to go up there, and so turned the car in that direction. While the cog road is only nine miles from the foot of the mountain, to the top the auto road is twenty-four miles but with the load of seven passengers made it to the top, and saw the glories of the sunrise.

### COMES IN NICHE OF TIME.

Westley Bookmeyer, who has been "batching it" for some time while the folks have been visiting in Lincoln, was agreeably surprised yesterday when his cousin and her husband, Mr. and Mrs. Ed Rindo, of Cedar Rapids, Iowa, dropped in upon him for a visit. Westley was getting along very poorly with the cooking and the arrival of one of the finest of cooks made the smile return to his generally jovial features. Mr. Rindo and wife have just been visiting in Oklahoma, where they have a good farm, and will visit here for a short time before they return to their home in Iowa. They have a 320 acre farm near Cedar Rapids which they refused \$70,000 for just recently.

### RED CROSS MARKET.

Last Saturday the Red Cross market, which was held at the Rest Room in the Riley Hotel, proved a grand success. At nine in the morning they were doing a good business, with the delicious pies, cakes, bread, doughnuts and coffee cakes, came pouring in very generous quantities. Patriotic women who did not care to bake, brought their contribution in the shape of silver dollars, and often more, helped to swell the receipts. All the women were busy, and working diligently to help swell the fund, which was the object of the sale. The committee having direct charge of the sale were Mesdames, Rae Patterson, Frank Dunbar, D. C. Morgan, P. C. Miner, Madame Leece, and Mrs. Henry Schneider, all of whom worked hard for Red Cross success, which they achieved. Seventy-five dollars was realized at the sale, and which is a testimony in behalf of the loyalty of the women. We would like to urge upon the women of the city to set behind this movement, and especially the matter of the knitting, which should be done right away. The Red Cross wants the co-operation of every woman in Plattsmouth, in this work. A work which concerns all and so pressing that it cannot be postponed.

"Do your bit.  
Learn to Knit;  
For a Sailor  
Or a Soldier's Kit."

## GAVE THE BOYS A FAREWELL DINNER

A number of the citizens today gave a dinner to the departing boys who were called for the first of the draft, and who were Carl Dalton, Alex F. Munzer, Oswald T. Miller, Leo H. Tighe and Hall A. Pollard, at the Hotel Riley, and at which there were in attendance a large number of the citizens of Plattsmouth. After the dinner, Mayor J. P. Sattler, the chairman, in a few chosen remarks, thanked the boys for the sacrifice which they had made in going, and asked, C. A. Rawles to address them. Mr. Rawls said, that he was highly pleased to be in attendance, and that he came as a testimony to the loyalty of these young men who had volunteered to go to the front, for the country's sake, and that he conceived of nothing more ennobling than that one should sacrifice for another or for common good it being, following the example of the one who sacrificed his life that we might live. His remarks was frequently punctuated by applause.

He was followed by Judge J. T. Begley, and also expressed his thanks for the sacrifice, and said, while speaking that we should stand by the president in the struggle now before us, and throw partisanship to the winds. A united stand for what democracy is fighting for will save freedom for the people. Mr. Theodore Hanson also added a few words of commendation and encouragement.

At the train three cheers were given for the boys as they departed, and was responded to by them saying, "What is the matter with Plattsmouth" and answering "Plattsmouth is all right."

### RETURN FROM VISIT.

Mrs. Nellie Agnew, and daughter Marjory, who have been visiting at Kansas City, and other points in Missouri, for the past month returned home Tuesday. While away, the folks visited at Liberty, Mo., with Calvin Atwood, and report a very nice time at all the places where they stopped. Miss Marjory, was particularly pleased with the country in Missouri, its peculiar construction, furnishing as it does all kinds of land formation.

### VISITING FROM OKLAHOMA.

Mr. M. Shoeman, wife and daughter, Myrtle, arrived this morning from Enid, Oklahoma, for an extended visit at the home of Mr. Shoeman's father, Mr. Geo. Shoeman and wife, and Henry Shoeman, the brother of Mr. Shoeman from Oklahoma. Mr. Shoeman was formerly a resident of Louisville but has been living in the south for some time and comes back to visit the old home and friends of former years.

## MISS LILLIAN WHEELER AND MR. ROBERT PATTERSON MARRIED

The Bride is a Daughter of Mr. and Mrs. W. D. Wheeler and the Groom a Son of Fred Patterson.

Last evening at the home of the bride's parents, Mr. and Mrs. William D. Wheeler, at "Oakwood" some five miles south of this city, was celebrated the wedding of their youngest daughter, Miss Lillian, to Mr. Robert Patterson, son of Mr. Fred Patterson, county surveyor of this county. The parlors of the Wheeler home were tastefully and beautifully decorated for the occasion, the ceremony taking place at an altar constructed of cut flowers, Mrs. Wm. Patterson, sister of the bride, presided at the piano and to the sweet strains of Lohengrin, Rev. William Patterson entered, followed by the bride and groom, where they joined their lives, plighting their love in the holy bonds of matrimony.

The bride was gowned in white netted silk over white silk, with a bridal veil coming down to the hem of her dress. She carried a bouquet of brides roses. The groom was attired in the conventional black.

The newly married pair will for a short time visit with friends and relatives, after which they will be at home to their friends at "Oakwood," where they will make their home in the future.

The bride is well known to a host of friends here who wish her much joy and a long, happy life. She was born in this county, and lived in Plattsmouth for a number of years. The groom was also born near the place where they are to live, and for the past few years has been farming on the Wheeler farm, where he will continue to live.

The Journal joins with the many friends of this couple in wishing them a happy journey through life.

### ARRESTED FOR DRUNKENNESS.

Between Saturday evening and Monday morning there were arrested for drunkenness, three persons, Robert Rieker, who plead guilty and was assessed a fine of ten dollars and costs, three dollars, in all thirteen dollars. Sandy Andrews, who had just gotten a former fine worked out, and P. A. McCreary, who was formerly night policeman, the latter two, admitted the charge, but said they became so by drinking a non-intoxicant procured at one of the soft drink emporiums in the city, and agreed to testify against the place, when the authorities brought action against them. When this is thrashed out the particulars, as they are found will be furnished by this paper.

If you want to buy a good 220-acre farm, four miles southeast of Ashland, Neb., well improved, quarter-mile of school; 60 acres pasture, with good spring water, for \$145 per acre, see M. S. Briggs, Plattsmouth, Neb.
