A TWICE-TOLD TALE

One of Interest to Our Readers.
Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Plattsmouth man is confirmed after ten years.
E. M. Buttery, stationary engineer, Tenth & Walnut Sts., Plattsmouth, says: "Pains caught me in my hips so that I could hardly raise a shovel of coal. At times, there was lameness across my loins. I had reason to believe that the trouble was caused by disordered kidneys and I got Doan's Kidney Pills from the Crescent Pharmacy. I got quick relief." (Statement given June 11, 1906.)
On February 22, 1916, Mr. Buttery said: "It has been two years since I have had any trouble with my kidneys and I have enjoyed good health in every way. I recommend Doan's at every opportunity."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Buttery has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

DID YOU SEE THOSE PICTURES?

In the east window of Weyrich & Hadraba's drug store you can see a picture of the Cass county boys as they looked when they departed for the training camp at Fort Riley. The pictures are fine. Go look them over! The boys are, it seems, almost ready to speak to you. All the Plattsmouth boys are grouped together in the corner near the door. Get a good look at them.

Joseph Kaytinar, who lived in Plattsmouth some twelve years ago, and who at that time moved to Pecoset, Oklahoma, where he with his family have lived since, arrived in Plattsmouth last Friday and have since been visiting with their friends, Joseph Novotny and family. LOUIS BORN FOOT MANGLED.

Yesterday while working with a gas engine, which had not been doing good service, Louis Born, after having repaired the machine, concluded to try it out, and when he had started it, in some way got one of his feet caught in the gearing of the machine, which cut the shoe off from the top of his foot, and also tore and lacerated the flesh in a very severe manner, so much so that it required fourteen stitches to get the foot in anything near the normal. Dr. T. J. Flynn dressed the injured member and is as easy as could be expected.

WILL BE GIVEN 30 DAYS TRIAL

Earnest Verhole was arraigned before the county court this afternoon for the theft of a bicycle belonging to Glen Weaver and pleaded guilty, as he was found with the bicycle in possession. He was given sentence to the state reform school, but sentence suspended, on trial for good behavior. It was arranged that his brother Fred Verhole should stand good for his return, and that the young man should report to the county judge's office every Saturday, and tell what he had done during the week past. PRETTY TOUGH ON CASS.

From Saturday's Daily.
Cass County's part of the Omaha highway is the poorest advertisement that county can have; except for a mile or two the road is almost impassable, is too narrow for any use, and the culverts are of the stingy sort, narrow and rough at the approaches, a surprise to people of this county who are used to wide culverts, well marked, such as we have in most places in Otoe county.—Nebraska City Press.
