Upon interviewing him we learned that just at the present time his home is in Patterson, New Jersey and that he is on his way to Denver. Last winter, the old Ford in which he was traveling carried him over 45,000 miles of country roads, extending from Portland, Maine, to Washington, thence to Buffalo, Cincinnati, Louisville and Atlanta, Georgia.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System.
