# Hiatt & Tutt,

MURRAY, : : : NEBRASKA

H. C. Creamer made a business trip to Omaha Tuesday morning.  
A. F. Nickels was looking after business in Plattsmouth last Saturday.  
J. W. Edmunds was looking after some business matters in Nebraska City last Saturday.  
Remember your personal taxes are due November 1st. Also remember that you can pay them at the Murray State Bank.  
Grace Rhoden came down from Omaha last Sunday to spend the day at the home of her parents, Mr. and Mrs. Zack Shrader, west of Murray.  
Mr. and Mrs. Lloyd Gopen, Mrs. Mira McDonald, and Mr. and Mrs. E. S. Tutt took Sunday dinner at the home of Mr. and Mrs. V. A. Kennedy.  
Mr. and Mrs. Alf Gansemer, Mr. and Mrs. Louie Puls, Mr. and Mrs. Fritz Lutz and A. L. Baker spent the day Sunday at the home of Mr. and Mrs. Philip Hill.  
Phil Lambert returned home on Tuesday morning from South Dakota, where he has been visiting and looking after business matters for the past three weeks.  
Claid McGee, who was injured in the tractor plow, as reported in these columns, a few issues back, returned home last week. He is getting along very nicely at this time.  
Walter Sans shipped 350 head of sheep to the South Omaha market Tuesday evening. Walt has been feeding quite a number of sheep this fall and they are proving a money-maker for him.  
Miss Sophia Ulrich, teacher in the Murray schools, was numbered with the sick Monday, and was unable to take charge of her duties at the head of her classes. Miss Alvina Engelkemeier filled her place.  
Morris Lloyd, John Lloyd and Ralph Kennedy returned home from Perkins county this week, where they had been putting in the wheat crop on the John Lloyd farm. The trip was made in the auto.  
In the last issue of the Journal it was stated that the Good auto accident occurred at the Union crossing, when it should have read at the Murray crossing. The car was hit by a freight train and was almost a total wreck.  
Ed Ulrich came near meeting with a serious runaway Tuesday of this week. He was assisting in the hauling of corn from the shucker at the farm of Joe Deitl, when his team became unmanageable and ran away. The wagon was turned over and his corn scattered all along the roadway. No serious damage resulted.  
Lloyd Gopen, Carl Mock and Otis Davey motored to Plattsmouth Monday morning to attend to some important business matters. Mr. Gopen was a pleasant caller at the Journal office and while here had his subscription and that of Mrs. T. J. White, at Madison, California, extended for another year.  
Henry Heeber, the boss elevator man, from Cedar Creek, was in Murray Tuesday, coming down after his big seventeen cylinder Nyberg car that has been in Murray for the past few months. The car has been laid up since the Puls garage fire. Repairs have now arrived and the car is almost as good as new. Henry returned home with it Tuesday afternoon.  
We are in receipt of a communication from Mrs. Elmer Boedeker, who with her family reside on a farm near Du Bois, Wyoming, in which she encloses money order for her subscription and states that she is always anxious to get the Journal as it is news from home. They are enjoying a lovely fall there and she states that the hunting season is now open and there are lots of hunters there, especially from the east.  
Robert Young, who was taken to the hospital in Omaha last week with a broken limb, is still suffering a great deal with the injured member. No operation has been performed up to the present time, as the surgeons are awaiting further developments, and for the swollen parts to subside before surgical operations may be taken up for the best results of the patient. It is hoped by the many friends of Mr. Young that he will soon be restored to his former state of health.

Gus Splitt has been numbered with the sick for the past few days.  
Frank Grauf was looking after some matters of business in the county seat last Saturday.  
Lou Young was in Omaha last Saturday to see his father, Robt. Young, at the St. Joseph hospital.  
Ben Noell went to Omaha on last Friday for a brief visit with Robert Young at the St. Joseph hospital.  
Mr. and Mrs. Ern Carroll, of near Avoca, were in Murray last Saturday spending the day with home folks.  
Miss Fern Gansemer, who is attending school in Omaha, was home last Sunday to spend the day with her parents, Mr. and Mrs. Ed Gansemer, west of Murray.  
Mrs. Casie Lloyd, who is still in the hospital at Omaha, is getting along very nicely at this time. She is improving slowly and will soon be able to return home.  
The Oldham Stock Farm shipped a pair of Duroc pigs to Nance county on Monday. They were August farrow and were exceptionally fine pigs, for which they received \$40 each.  
Jess Wurga, of Plattsmouth, was in Murray Tuesday looking after the installation of a new furnace at the Oldham home. This is one of the new pipeless furnaces that is giving such excellent satisfaction.  
Mrs. L. D. Hiatt and little babe went to Plattsmouth last Saturday morning to spend a few days at the home of her parents, Mr. and Mrs. Henrich, and sister, Mrs. Ed Lutz. She returned home Tuesday morning.  
Mr. and Mrs. E. M. Kohrell, from west of Murray, were transacting business matters in the county seat last Saturday, and while there Ed found time to call at the Journal office and renew his paper for another year.  
The enterprising firm of Puls & Gansemer are installing one of those ever popular and strictly sanitary Sherer Food Counters in their store this week. It is used for all classes of bulk food products that should be kept in a clean and sanitary condition and one of these counters is sure the place for foods to be kept in the right condition.  
The Journal was wrongly informed last week as to the date of the next number of the lecture course in Murray. We stated that the next number was to be held on November 23rd, when it should have said November 2nd. Remember that the next number will be given on Saturday evening of this week, the attraction being the same as advertised in last week's issue.  
Remember the Library association furnishes the required reading for children in the schools, and is making a special effort to meet all their needs. The dues are \$1.00 from each family, and you have the reading yourself and for each member of the family. The library now has 400 books and each year adds new ones. We need your help. The library is open Wednesday afternoons and on Saturday afternoons and evenings.  
In the last issue of the Journal we stated that J. M. Johns was in Murray installing the steam heating plant in the new Puls garage for John Bauer of Plattsmouth. This was an error in so far as Bauer having nothing to do with it. Mr. Johns is on the ground installing the heating plant alright, but it is under the supervision of Mr. Puls and the Murray Hardware and Implement company. Mr. Johns has full charge of the installation.

The Murray State Bank was another one of the county banks that overhauled their quota on the recent bond issue. Their quota was \$9,200 and Cashier Boedeker took just ten thousand—eight hundred over the quota. The Murray State Bank will never be found lacking in keeping up their end of the rope, and most of the citizens of the community are loyal in the fullest sense of the term and will shoulder their share of the war burdens.

Dietrich Koester and daughter, Miss Sophia, Henry Wehlers and Mrs. Anna Mohr, from near Weeping Water, were in the city last Saturday for a few hours, driving up from their home in the auto. They are among the best people of old Cass county, and we are pleased to know that they are among the Journal's large family of readers and patrons.

**VARALLO-GROSS ORCHESTRA COMPANY.**  
Will Appear Here Soon in a Musical Program.  
John B. Varallo, manager of the Varallo-Gross Orchestra Company, though not old in years, has done little else but entertain the public musically. He was first introduced in the lyceum by that shrewd judge of talent and men, Giffen, and for years John B. and his brother, Michael, with two others, made up Giffen Troubadours.  
After leaving the Troubadours and for about five years, the Varallo brothers and Miss Gross, the cellist, did vaudeville work, giving wholly musical programs. As their work was legitimate and high class, it was only a short step back into the lyceum work. Besides the two men, John B. and Michael Varallo, there are two ladies in the company, Miss Goldie Gross, cellist, and Miss Claire Coutant, reader.  
The combination of violin, cello, harp and piano is certainly a most excellent one and the popularity of this company cannot be overstated. In addition to the variety possible in the instruments, Miss Claire Coutant will present costumed readings.

**FROM NEAR LOUISVILLE.**  
John Sjogren, from near Louisville, was in the city for a few hours last Monday looking after some matters of business and while here favored the Journal office with a brief call. In conversation with Mr. Sjogren, he tells us that his brother, who is serving in Uncle Sam's big army at Camp Funston, is getting along very nicely, and is better pleased along with the army life than he expected. Mr. Sjogren is one of the valued readers of the Journal and while here advanced his subscription another year. He was accompanied by James Brobst, of the same place.

**VISIT AT SON'S HOME.**  
From Tuesday's Daily.  
Sunday being the thirty-ninth birthday of John Meisinger Jr., a number of his friends gathered to celebrate the event fittingly. This they did and when we reported the matter in yesterday's paper, we inadvertently omitted the mention of the attendance and having participated in the occasion of Mr. Meisinger's parents, Mr. and Mrs. Jacob Meisinger. They with others were enjoyed by the occasion, as well as contributed to the general good time by their good sociability, and greetings both of the one in whose honor the gathering was had but with all who attended.
