Two automobiles, one driven by J. G. St. John, and the other by Wm. Obernauite, collided at the corner west of Carl Stone's last Sunday morning. The St. John car, a fine six cylinder Buick, was damaged a good bit by the impact. One fender was ruined, the frame of the car was bent and the steering gear and other mechanism, more or less put on the bum. Mr. Obernauite got off with a bent fender and other slight damages. Luckily the occupants escaped without being hurt.

J. H. Ruhman had an auto accident Sunday afternoon with their new car, which, fortunately resulted in no injuries to the family and no damage to the car, although it was a perilous escape. Mr. Ruhman was at the wheel and the family were on their way to Nehawka to spend the afternoon. After turning north from O street on the road leading into Nehawka, there is a cement culvert at the foot of a small hill, the approaches thereto being a deep fill or rather a steep grade. At this point Mr. Ruhman lost control of the car and it plunged down the embankment. By a miracle it did not tip over and it was necessary to drive the car through the Pollard orchard to get it back into the road. The roads were somewhat slippery at this place and he not being an experienced driver was the cause of the accident.

All honor to our esteemed fellow townsman, Mr. C. S. Trumble, who has sent four sons to do battle for world's democracy. The ravages of this unholy war are being felt in every hamlet—almost every home—in the land. When it ends let it be hoped a recurrence will never disgrace the pages of history. The present war must be settled in the interest of all humanity and the King, Potentate, Kaiser or other autocrat who would instigate another war should suffer the consequences.
