### United Presbyterian Church Notes.

Sabbath school 10:00 a. m.  
Sermon by the Pastor 11:00 a. m.

In the evening the congregation will join in the union service at the Christian Church.

The Missionary Society will meet with Mrs. Jackson at the parsonage Friday afternoon. Miss Margie Walker will lead this meeting, and the subject of study will be some of the stations of the mission of the United Presbyterian Church in Northern India.

Undertaken by the zero weather the ladies of the United Presbyterian Church went right on with their bazaar and served dinner and supper in the lecture room of the church Saturday, and while the attendance was not at all as large as it would have been had the weather been pleasant, very few from the country, or from other towns being able to come through the storm, yet almost all the articles on display were sold, and dinner and supper were well patronized by the residents of the town, and the ladies realized over \$100.00. The attendance under the circumstances, and the liberal patronage were much appreciated.

The pastors of the two churches, Christian and United Presbyterian of Murray have agreed to hold union services each Sabbath evening for one or two months, and perhaps through the winter. In this way there will be quite a saving of fuel, as only one church will have to be heated each Sabbath evening, and also the speaker of each evening will have, or should have, a larger audience. The first of the union services will be held in the Christian Church next Sabbath evening, and it is the hope of the pastors that not only the members and adherents of these congregations, but also all others in the community who can do so will attend these evening services. It should be remembered that in our community December is the "Every-boy at Church Month", and no one should fail to attend at least one service each of the three remaining Sabbaths of the month.

Because of the severity of the weather both the Murray churches abandoned all services last Sabbath.

Guss Pullen and wife were Plattsmouth visitors Tuesday.

R. R. Nickels and Robt. Good were Plattsmouth visitors last Friday.

Will Oliver and wife were transacting business in Plattsmouth Wednesday.

John Hobscheidt, Jr., was looking after business in Plattsmouth Tuesday.

Owing to the inclement weather there will be no service at Lewiston until spring or further notice.

Miss Etta Nickels and Mrs. Henrietta Simpson were visiting with friends in Murray Wednesday.

Walt Minnear has completed his corn gathering, his fields yielding about 4,500 bushels, and it is all in the crib.

Robt. Good is sporting a fine new Ford car this week that he purchased through the Pollock agency of Plattsmouth.

The ladies of East and West Rock Bluffs are making a canvass this week for the Y. W. C. A. fund. Miss Etta Nickels is precinct chairman.

Mrs. Chas. Creamer, who had charge of the East Rock Bluffs for the Y. W. C. A. cause, sure deserves credit for braving the storm and cold Monday and Tuesday and canvassed the entire half on the south. Mrs. Walter Sans, in charge of the north half, has been a close second for Mrs. Creamer in the work. All are very grateful to the ladies for this work.

There will be a masquerade ball given at the Puls & Gansamer hall in Murray, on Wednesday evening, December 19th, the proceeds of which will go for the purchase of Christmas presents for the Cass county Soldier Boys. The music will be furnished by Dandiesures Colored band. The band with the rag time solo. You are cordially invited to attend this dance. ### HOME GUARDS ORGANIZED AT ELMWOOD

About 70 or 80 Have Already Joined and Others Will Come In—Drill Work Started.

From Monday's Daily.

The Home Guards of Elmwood were organized last Friday evening at the Langhorst opera house. About eighty have already joined and others will come in. Capt. C. S. Aldrich was elected captain; W. H. Hardin, first lieutenant and Dr. O. E. Liston, second lieutenant. Harry Tolhurst was made secretary-treasurer of the organization. The object and purpose of the organization was thoroughly talked over and discussed so that everyone ought to have a pretty thorough knowledge of the order, yet some seem to have gotten an erroneous idea which no doubt was agitated by their suspicion. Get above the fog of things into the true atmosphere of loyal Americanism. Those who joined range in age from 17 to 70 years.

The organization met again on Monday night and Capt. Aldrich got the drill work started.

Very few have failed to join and most of them contemplate joining yet—so we can expect a good organization.—Leader-Echo.

## To Our Many Customers

JANUARY FIRST sees the beginning of a new business policy with this store. A change from a credit system to a strictly cash basis. We realize that at first such a change will inconvenience some as well as ourselves. We will no doubt be misunderstood, and misquoted—but merchandising of today is not the merchandising of a few years ago. Since the war began prices in all lines have, as you know, been steadily on the increase, and many times we have sold goods for a less price than we could go on the market and replace them. Don't misunderstand us! We are not grouching about this kind of loss. What we want to do is to point out to you the saving in dollars you can make in paying cash for your merchandise.

In selling for cash we will be able to eliminate considerable expense in the way of bookkeeping, loss of bad accounts and general overhead costs. We shall be able to do business on a smaller margin of expense, and that means more money for actual buying power. What is saved by buying in larger quantities and at times when the market is particularly favorable, we will pass on to you in lower prices.

We want to serve you in the future as in the past, and to meet your patronage with honest merchandise on a business basis. We want to be a part of this community, working always for its good, as well as our own. If there is anything you do not fully understand about our new method, come in and talk it over. We will be very glad to explain in detail the advantage and saving to you in our new plan.

YOURS VERY TRULY,
