**A PINE MEETING.**

From Monday's Daily.

The Christian Endeavor society of the Presbyterian church held a splendid meeting last evening, which was very largely attended. The meeting opened with a song service, led by Rev. H. G. McClusky, after which the leader, Miss Madbeth Beach took charge and announced the subject—and read the scripture lesson and spoke a few words of prayer. The subject being a patriotic one—Peace, Christ Would Have. Miss Estelle Baird read an interesting magazine article on "Our Flag." This was followed by a beautiful vocal selection rendered by a quartet composed of Messrs. Clويد, McClusky, Farley and Douglas. Mr. C. A. Rawls gave a most excellent address on "When We May Expect Permanent Peace" and took Christ's teachings and his life while on earth but that there would be no peace so long as we were desiring a life of ease and comfort and an opportunity of accumulating wealth, but that we must sacrifice and know of our brother's welfare. The meeting closed with the singing of "America." The Intermediate Christian Endeavor society held their first meeting, last evening at 6:30, with a large number of the members in attendance and we predict success to this society.

**MARRIED AT NORTH LOUP.**

From Monday's Daily.

Dan Cupid always was a daring little rascal, and has cut many capers, but the last one which he has slipped over on us was when he induced James Johns to slip away and secure for himself a bride, and then as quietly slip home again and go to housekeeping as though nothing had happened. Last Thursday James M. Johns of Plattsmouth and Mrs. J. E. Tipton of North Loup, Nebraska were united in matrimony at North Loup, and returned to Plattsmouth, where they are living like old folks, leaving the world to find out the fact of their marriage as best they could. The cigar which we mere to have on the wedding is forfeited because we did not get the item before this.

**CAMP FUNSTON NEWS BULLETIN**

From Monday's Daily.

"From Union Pacific News Bureau" Camp Funston, Kans., Dec. 13. Is there a single man at Camp Funston who will spend a lonesome Christmas? Is there one of the boys who are training for the trenches who will sadly eye the calendar and muse on other happier Yuletides? Not if the Christmas Committee of the big camp knows it! And not if the warm hearted public constitutes itself a Santa Claus, collectively and individually as it shows signs of doing! With Christmas boxes sent in for general distribution as the "Piece de resistance" and events galore ranging from sack races and the like, to a big sham battle in which a wagon train bearing the gifts will be attacked, defended and rescued, the Yuletide Celebration that is planned should bring happy, cheerful enthusiasm to every man who must remain in camp. Then, as the fitting end of the big day, will be the evening fireworks display from the rim rock and hill tops overlooking the camp. That is, there will be if Santa Claus Public will provide it, and already small checks are trickling in from here and there for the purpose. More are needed, however, for the right kind of a display to finish the celebration will cost several thousand dollars. In making up gift boxes for distribution among the men, it has been requested to leave out sweets, and eatables of all kinds. Perfect physical condition is vital, and the most careful arrangements as to the right kind of food would be made useless by a sudden flood of candy and comparatively strange viands. Therefore, it is suggested if those who had planned a box of candy, or a cake, or a chicken, in that Christmas box, would confine themselves to gifts for external use, and send along a check, no matter how small, to the fireworks fund instead of the sweets, it would be appreciated. "To keep our boys amused and cheerful on their first Christmas in camp is half the battle," said an officer on the Committee today, and the fireworks we hope to have will

**THE DOLLARS COME ROLLING.**

From Monday's Daily.

The Methodist Sunday School yesterday morning at its regular session subscribes \$180.00 for the Conference Caliment Endowment Fund, of which the Nebraska Conference is endeavoring to raise \$500,000, and of which this church was allotted \$1,400. The church has raised here

over nine hundred dollars during the campaign of a few weeks, and yesterday was the closing of the campaign, and the raising of that amount by the Sunday school, is an accomplishment worthy of emulation.

This amounts to about 75 cents for every member they having about two hundred and fifty members of the Bible school. This is a very progressive Bible school, and the fact of then so readily subscribing to the fund the amount which they have is a credit to the school and the spirit which impels the membership. The amount which the Methodist church entire has to raise in the United States is \$10,000,000.
