

OPEN REVOLT IS URGED BY BERLIN PAPER

TAGES ZEITUNG CALLS ON GERMAN PEOPLE TO RISE AGAINST PRESENT REGIME.

SAYS 'WE TOO HAVE A JUDAS'

Emperor William Is Indirectly Alluded to as "Germany's Hangman."

London, Jan. 28.—A dispatch to the Exchange Telegraph from Amsterdam says Deutsche Tageszeitung openly calls on the German people to revolt against the present regime.

"We, too," says this pan-German organ, "have a Judas among us today. He appears in the red coat and mantle of Germany's hangman. Who will save Germany from these traitors but the German people? It is now 'Germans help yourself' and God will help."

Although Emperor William is not named in the article, the expression "Germany's hangman" is meant for the Kaiser, says the correspondent.

Kuehlmann Scores Westarp.

Amsterdam, Jan. 28.—In replying before the reichstag main committee on Saturday to a speech delivered by Count von Westarp, conservative leader, the German foreign secretary, Dr. Von Kuehlmann, said that although Count von Westarp had not used the word "annexation," he advocated the seizure of territory, based on military successes.

"Such an attitude," the foreign secretary continued, "is impossible from the outset from the imperial government, in view of all its principles and its past."

Opposition in Hungary.

Amsterdam, Jan. 28.—The Hungarian independence party of which Count Michael Karolyi is the head has decided to adopt an attitude of opposition toward the ministry just formed by Premier Wekerle, but it will support the governments franchise bill, a Budapest dispatch reports.

Count Karolyi, now openly opposed to the Hungarian government has been one of the foremost peace advocates of Hungary. He caused a sensation in December, 1915, by demanding in the Hungarian parliament that the government should make peace proposals. Last year he was reported to have initiated a movement to obtain peace for Hungary with or without the consent of Germany and Austria. In November he went to Switzerland to further his peace plans.

CONGRESSMAN REAVIS TRYING TO CURB JAPANESE POWER IN HAWAII

Washington, Jan. 29.—Congressman C. F. Reavis of Nebraska is preparing bills to prevent large land holders obtaining possession of all arable land in Hawaii, and to curb growing power of Japanese in the island.

He said that at present the large sugar plantations are on government land leased to the planters. These leases are about to expire and through operation of homestead laws the planters are trying to get control of the land.

Congressman Reavis said that within ten years the Japanese would control the island.

PERSHING'S ARMY IS BEST IN THE WORLD TODAY

New York, Jan. 29.—Captain A. Radcliffe Dugmore of the King's own Yorkshire Light Infantry, who arrived here today, said:

"The best army in the world, excepting none."

"I spent two weeks at the American camps and I was amazed at the excellent soldierly which I saw.

"Besides being fine soldiers, they are fine men. I never saw a better moral tone among any set of men in my life.

"General Pershing said he expected that the Germans would attempt to 'put one over' on the Americans, but that the men under him were well prepared.

"The American soldiers were happy, contented men. They were all clothed and well equipped in every particular.

"The one complaint that I heard was that they did not get enough American newspapers and that they did not come soon enough."

GREAT STRIKE IN GERMANY; SEIZE CHIEFS

MORE THAN NINETY THOUSAND WORKERS QUIT IN BERLIN AND SUBURBS.

SOCIALISTS CALL THE WALKOUT

Toilers Idle in Dockyards, Shipyards and in Great Industrial Centers.

London, Jan. 29.—Dispatches from Switzerland and Holland describe the general strike in Berlin and other parts of Germany as much more serious than indicated by the official dispatches sent from Berlin.

In Berlin and suburban towns 90,000 workers are said to have quit work. Various large manufacturing concerns engaged in the manufacture of war supplies, especially airplanes, are affected.

Independent socialists are reported to have taken an active part in the calling of the strike. The German government has decided to order the arrest of six leaders of this party.

Trades at Standstill.

According to Central News articles from Amsterdam, nearly all of the workmen of the Daimler, Boersig, Ludwig and General Electric works are on strike. Trades unions are not at the head of the movement, but several trades are almost completely at a standstill.

With the socialists carrying on an active propaganda, the movement appears to be very serious and in industrial centers meetings are prohibited. It is particularly grave in the suburbs of Litcherfelde, Heringdorf and Johanisthal, where electric works and airplane factories are situated. Strikes also have broken out in Rhineland and Westphalia.

Spreads to Mines.

The Frankfurter Zeitung says the movement is directed against the delay in passing the Prussian reform bill and the agitation conducted by the fatherland party. The same paper adds that the strike has spread to the Bochum mining district, nine miles from Essen.

A dispatch to the Exchange Telegraph Co., says that a thoroughly trustworthy report from Kiel declares the workers in the torpedo factory at Friedrichsport truck on Friday afternoon. In consequence of this a number of the men's leaders are being called to join the army.

The employees at the Germania dockyards struck Friday, the dispatch adds.

Ninety Thousand Quit.

Amsterdam, Jan. 29.—Up until evening of Monday, according to a Berlin dispatch, not a single incident connected with the strike was reported. In Berlin and environs the total number of those who failed to appear for work was 90,000, most of them youthful workers of both sexes. The German government has decided upon the arrest of six independent socialist leaders. These include three members of the editorial staff of the Leipzig Volks Zeitung.

It is reported that Adolph Hoffmann, editor of Vorwaerts, an independent socialist leader in the Prussian diet, has been arrested.
