640 ACRES FREE!

The 640-acre free homestead act has been in force one year. Nearly 3,000,000 acres of grass-covered land in Wyoming were filed on during the year 1917. Hundreds of applicants for these lands in East Central Wyoming reached them via Douglas on the Burlington's Casper main line and via Upton, Moorcroft, Gillette or Clearmont, on the heridan main line for North-east Wyoming.

Although the Government survey has not yet been finished, it would be well to look at these lands and make your selection as early this season as possible.

INFORMATION

Write me for circular describing these mile-square homesteads. Three years' residence required. Five months' vacation each year. Information also at United States land offices at Douglas, Sundance and Buffalo, Wyoming. Let me help you.
