

# GRAND OPENING

March 4th, 1918

The O. K. Garage, the most modern and complete equipped garage west of the Missouri River. Every department complete in itself and managed by a man of experience—an expert in every particular; so all are assured of absolutely the best service that is possible to be rendered and which will be guaranteed.

As an advertisement of our opening week, we will sell all casings and tubes at absolute cost, or if you purchase two casings we give one tube free. We are handling five different standard makes, with an absolute guarantee of all goods.

From 10 to 15 per cent off on all auto oils and all grades handled. During this opening week you will find the opportunity to save money in your purchases. We are cordially inviting the motoring public to this grand opening.

Make it a point to drop into our place and look it over during this great opening week.

# O.K. GARAGE,

Washington Avenue,

Plattsmouth, Nebraska

MURDOCK,  
(Special Correspondence.)

Measles is a popular disease in this vicinity.

Louie Bornemeier was in Plattsmouth Saturday.

Miss Lottie Colby went to Lincoln Monday evening.

Miss Marguerite Gusin was sick with measles last week.

A daughter was born to Mr. and Mrs. Henry Buckemier on February 19th.

Adolph Kuehn, of Milford, Nebr., visited relatives here the fore part of the week.

The Bunnell and Jerry E. McHugh homes are quarantined with scarlet fever.

John Burton Amgwert was the supper guest of Miss Opal Hite on Monday evening.

Miss Henrietta Bauer spent Saturday and Sunday with her sister, Mrs. Dan Paska.

Mrs. Frank Rosenow and children spent Saturday with Mrs. Ed Thiman and children.

Word was received recently announcing the arrival of a son to Mr. and Mrs. Dan Paska.

Katherine Neitzel is a new pupil in the 4th grade, having moved in from Havelock last week with her parents, to their farm a mile north of town.

UNCLE SAM ASKS EVERY LOYAL AMERICAN TO HELP

The Food Administration asks every loyal American to help win the war by maintaining rigidly a minimum of saving the following:

Have two wheatless days (Monday and Wednesday) in every week and one wheatless meal in every day.

On wheatless days and in wheatless meals of other days, use no crackers, pastry, macaroni, breakfast food or other cereal food containing wheat, and do not use wheat flour in any form except the small amount that may be needed for thickening soups or gravies or for a binder in cornbread and other cereal breads.

To bread, if you bake it at home, use other cereals than wheat, and if you buy it, buy only war bread. Our object is that we should buy and consume one-third less wheat products than we did last year.

Have one meatless day (Tuesday) in every week and one meatless meal in every day. Have two porkless days (Tuesday and Saturday) in every week. Meatless means without any cattle, hog or sheep products.

On other days use mutton and lamb in preference to beef or pork. Porkless means without pork, bacon, ham, lard or pork products, fresh or preserved. Use fish, poultry and eggs.

As a nation we eat and waste nearly twice as much meat as we need.

Make every day a fat saving day (butter, lard, lard substitutes, etc.) Fry less; bake, broil, boil or stew food instead. Save meat drippings; use them and vegetable oils for cooking instead of butter. Butter has food values vital to children, therefore, give it to them. Use it only on the table. Waste no soap as it is made from fat. Be careful of all fats. We use and waste two and a half times as much fat as we need.

All families produce to their full ability such food as is purchasable on the general market. This includes general crops and stock, poultry, some of the dairy products, honey and some garden products, such as dried beans, etc.

All families supply as nearly as possible their own tables and try to provide themselves with a supply of vegetables for a year—all they can use, fresh, canned, dried or stored.

Under present conditions of labor, market and transportation, all families produce what they feel assured will find a market, either through the regular channels or by arrangement with all hotels, boarding houses and families who are not so situated that they can supply themselves.

"Get-together" meetings should be held in every locality to urge incal labor and market conditions and further definite arrangements between producers and consumers.

Use fruits, vegetables and potatoes abundantly. These foods are healthful and plentiful and at the same time partly take the place of other foods which we must save. Raise all you can for home use.

Use milk wisely. Use all of the milk, waste no part of it. The children must have whole milk. Use sour and skim milk in cooking and for cottage cheese.

What to Do with Wheat Substitutes

The government order that housewives must buy substitute cereals equal in amount pound for pound

with wheat flour has caused something of a panic among the home-makers. To ease the patriotic but perplexed housewives, the Woman's Committee of the Nebraska Council of Defense has issued a chart showing what substitutes may be bought with wheat and in what proportions these may be used in the usual bakenings of yeast bread, quick breads and pastries. The directions were compiled by Miss Julia Vance, conservation chairman, and have been tested by university experts.

#### FOOD PLATFORM FOR WAR-TIME PRODUCERS

To stimulate production of all food that can be utilized without urging indiscriminate production of perishables or articles not purchasable on the general market until there is solution in sight of some of the present problems of labor, market and transportation, is the aim of the food production department of the Woman's Committee of the Nebraska Council of Defense.

With the endorsement of G. W. Wattles, state food administrator, C. W. Fugley, head of the extension department of the University of Nebraska, and George Coupland, chairman of the Nebraska Council of Defense, the following platform is issued by the Woman's Committee, of which Mrs. F. M. Dewees, of Dawson, is chairman:

All families produce to their full ability such food as is purchasable on the general market. This includes general crops and stock, poultry, some of the dairy products, honey and some garden products, such as dried beans, etc.

Properties to use in pastry are no wheat to all rye; 2-3 wheat to 1-3 corn flour, potato flour or cornstarch; ½ wheat to ½ cornstarch.

Properties to use in quick breads (muffins, griddle cakes and biscuits) are: no wheat to all buckwheat, rye, oat flour or cornmeal; 1-3 wheat to 2-3 cornmeal; ½ wheat to ½ oatmeal or rolled oats; 2-3 wheat to 1-3 rice (steamed) or soy bean flour (made of soy beans ground).

Every Patriotic Woman is Invited to Join

"Every woman living in Nebraska who is loyal to American principles and institutions is eligible to membership in this organization," reads the constitution of the Woman's Committee of the State Council of Defense. This answers the many queries which come every day by mail and telephone to the Committee headquarters asking who may belong. Every woman, whether affiliated with any other organization

or not, is urged to join the Woman's Committee.

#### MRS. DALE S. BOYLES.

#### RETURNING TO THE WEST

From Tuesday's Daily.

Last evening Adam Thomas and wife, with their son, Earl, who have been visiting at the home of their old time friends, R. L. Propst and wife departed today for their home in the west. Between 1881 and 1885 both families lived at Endicott, Nebraska, where Mr. Propst was engaged in business and farming. In '89 he moved from there and settled west of this city. At one time later, just twenty-eight years ago, while returning from Kansas, Mr. Propst saw Mr. Thomas, who six years afterwards departed for the west, locating at Montrose, Colorado, where he engaged in the cattle business.

He had a large amount of land, part of which is mountain side and the balance rich, fertile valleys. The location and nature of the land is such as to make it eminently fitted for the business of cattle raising. During the summer season and early fall the cattle are pastured on the mountain sides while in the winters they occupy the valleys, which are warm and afford protection from the blizzards that rage, as well as supplying the animals with cured grasses for sustenance.

Mr. Thomas and family have been spending some time in visiting with their former friends, of whom Mr. Propst and family are numbered and now return somewhat reluctantly to resume their work on the ranch.

Cut This Out—It Is Worth Money.

DON'T MISS THIS. Cut out this slip, enclose with five cents to Foley & Co., 2835 Sheffield Ave., Chicago, Ill., writing your name and address clearly. You will receive in return a trial package containing Foley's Honey and Tar Compound, for coughs, colds and croup. Foley Kidney Pills and Foley Cathartic Tablets. Sold everywhere.

#### FOR SALE.

2 Ford cars, 1 large car suitable for truck; 1 Harley-Davidson motorcycle; 1 Excelsior motorcycle; 1 Chopie Gas Engine. Inquire of J. E. Mason, at Plattsmouth Garage.

#### EARLY MORNING WEDDING SOLEMNIZED HERE TODAY

ONE OF THE MOST BEAUTIFUL EARLY MORNING MARRIAGES SOLEMNIZED HERE TODAY.

From Monday's Daily.

At just seven fifteen this morning at the St. Luke's church occurred the wedding ceremony which joined the lives of two of Nebraska's young people, Miss Helen F. Dovey of this city, daughter of Mr. and Mrs. H. N. Dovey, and William Oscar Goehner of Seward, a prosperous and highly respected business man and farmer. The wedding party were attended at the alter by George O. Dovey, brother of the bride while the bride was attended by the Misses Margaret Donegan, Janet Patterson, and Doretta Goehner. The newly married couple departed this morning on the early Burlington train for the east and will visit in Chicago and Racine, as two of their objective points, and will be away for some time, but will be at home to their friends after March 15th at their home in Seward. The bride is one of the most accomplished of Plattsmouth's fair daughters, was born in and reared in this city and has ever been a favorite with a host of friends in both Plattsmouth and throughout the state. The groom is one of the sterling Nebraska young business men and farmers. He is engaged in farming and conducts a hardware business in Seward.

JOHN STANDER TO TOWN TODAY

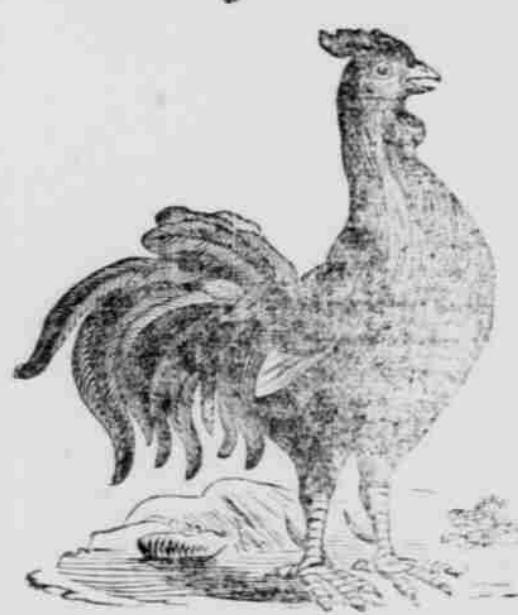

From Tuesday's Daily.

John F. Stander who has been on the sick list for the past week, is showing much improvement, and while he was confined to his bed for some days and to the house longer, is now so improved that he is able to come to town this morning.

#### NOW IS THE TIME TO BE CAREFUL.

Avoid imitations or substitutes, get the genuine Foley's Honey and Tar, and you have a cough medicine you can depend upon. It gives prompt relief, clears throat, loosens phlegm, soothes, heals. Checks coughs, colds, whooping cough, la grippe, bronchial coughs. Contains no opiates. Sold everywhere.
