Receive Letter from Son

Mr. and Mrs. D. W. McCurdy are in receipt of a letter from their son, Morgan G. McCurdy, written from "Somewhere in France" under date of February 25th, in which he writes as follows:

"Dear Mother and Father: I will write you a few lines to let you know that I am well and hope this will find you the same. Was sure glad to get your letter yesterday and to hear that you were all well back home. I have not yet received any of the boxes you have sent but expect them every day, as they are beginning to arrive now. We have new iron beds and mattresses now, and they sure are fine to sleep on. We have good eats too. They have a big V. M. C. A. here and entertainments nearly every night. I work at my trade every day now, and what spare time I have I spend in boxing, wrestling and playing ball. I like it fine over here, but of course would like to be with you. How is the weather over there? It is just like spring here. Where is Orville Prouty? I wrote to him but received no answer. Has Ralph Parsell joined the army yet? I would like to see him. Did any of the Murphy boys get drafted yet? Well folks, I will say good-bye to you for this time, as I must answer some other letters. From your son, Morgan G. McCurdy, 492 Aero Construction Squadron, American Expeditionary Forces, via New York."

Alvo Team in Tournament

This year the Alvo Consolidated school took part for the first time in the annual high school basketball tournament of the state, conducted by the Nebraska Athletic association. Although Alvo was defeated by a score of 10 to 6 by Culbertson, they are not discouraged. Culbert-

son has played in the tournament for three years and has a well organized and experienced team. As this is the first year that the Alvo boys have played basketball, they have made a record of which they may well be proud. Several of the high school students were at the tournament to boost for their team and incidentally to see some of the other games. Through the courtesy of our fellow townsman, Max Dusterhoff, a beautiful card of welcome decorates our wall at the M. W. A. hall in which we hold our meetings Tuesday and Friday afternoons of each week, having outgrown our former quarters.

Mrs. L. B. Goerty is the Junior Red Cross chairman for this precinct and we wish that every school would soon enroll as an auxiliary. Parents should assist in this as much as possible as it is an education "in those lessons on unselfish love and service" which must be a part of every child's education, if this republic endures as a Christian nation, and remains the haven of Freedom.

We are sorry to note that our secretary, Mrs. J. E. McHugh, is under quarantine, as she was a regular attendant and willing worker. We are anxiously waiting her release from quarantine.

Miss Colby's pupils gave 60 minutes Friday in sewing and snipping for Red Cross. Even some of the boys knew how to use a needle. Accept our thanks.

Any one who has an hour's time to give is asked to attend the meetings, as a busy time is nearing and we hope to keep our quota filled. This work is yours as well as ours, so don't wait for a personal invitation.
